This edition of our successful series to support the Cambridge IGCSE Chemistry syllabus (0620) is fully updated for the revised syllabus from first examination from 2016. Written by a team with teaching and examining experience, Cambridge IGCSE Chemistry Coursebook with CD-ROM gives comprehensive and accessible coverage of the syllabus.

Suggestions for practical activities are included, designed to help develop the required experimental skills. Exam-style questions at the end of each chapter and a host of revision and practice material on the CD-ROM are designed to help students maximise their chances in their examinations. Answers to the exam-style questions in the Coursebook are provided on the CD-ROM.

Chemistry for IGCSE is endorsed by CIE and completely matches specification 0620. It is written in a clear and direct manner by a team of experienced authors and CIE examiners, making it ideal for international school students. It takes an exam focus and features include exam-style questions, activities, case studies, key points & did you know?

The 92-page book, IntelCenter Terrorism Incident Reference (TIR): Philippines: 2000-2007, provides a chronological breakout of all terrorist and rebel type activity between 2000-2007 in Philippines. Material is drawn from IntelCenter's weekly WTG-IU reports. Reporting is heavily focused on incident type activity, such as bombings, shootings, kidnappings, etc., with some coverage of arrests, threats and other developments. The data contained in each item

represents an analyst's best assessment of the most accurate information based upon available source reporting at that point in time and their knowledge of the area and groups involved. These items are not simply abstracts. All source information for each item is listed below in brackets.
