This edition of the Guide contains three major sections: the narrative text; a Resource Directory, which provides addresses and telephone numbers of organizations referenced in the text; and the Directory of Licensed and Permits, which lists all business licenses and permits required by the State of Minnesota, the state agency which issues or administers the license or permit, and a telephone number for obtaining more information. Topics presented in the narrative text are presented in the order in which the new business owner typically must address them."--Preface
