At the turn of the 1890s, Oscar Wilde refined his ideas about the supremacy of art in a series of dialogues and essays, and incorporated themes of decadence, duplicity, and beauty into his only novel, *The Picture of Dorian Gray* (1890). The opportunity to construct aesthetic details precisely, and combine them with larger social themes, drew Wilde to write drama. He wrote *Salome* (1891) in French in Paris but it was refused a licence. Unperturbed, Wilde produced four society comedies in the early 1890s, which made him one of the most successful playwrights of late Victorian London. At the height of his fame and success, while his masterpiece, *The Importance of Being Earnest* (1895), was still on stage in London, Wilde had the Marquess of Queensberry, the father of his lover, Lord Alfred Douglas, prosecuted for libel, a charge carrying a penalty of up to two years in prison. The trial unearthed evidence that caused Wilde to drop his charges and led to his own arrest and trial for gross indecency with other men. After two more trials he was convicted and imprisoned for two years' hard labour. In 1897, in prison, he wrote *De Profundis* which was published in 1905, a long letter which discusses his spiritual journey through his trials, forming a dark counterpoint to his earlier philosophy of pleasure. Upon his release he left immediately for France, never to return to Ireland or Britain. Oscar Fingal O'Flahertie Wills Wilde (1854 – 1900) was an Irish writer and poet. After writing in different forms throughout the 1880s, he became one of London's most popular playwrights in the early 1890s. Today he is remembered for his epigrams and plays, and the circumstances of his imprisonment which was followed by his early death.

A time to reflect on my seventy years of life. Maybe some folks will be interested in my life and the folks I have met, or maybe not. This is a non-traditional memoir, filled with alphabetical vignettes nit chronological ones. I have made a foray into fiction with an asterisk: in those cases where I have marked the vignette as fictional, it might be 100 percent not true, but in many cases I knew of, was part of, or heard from others about the story itself. At any rate, the entire book is my recollection of things past, and as in all recollections, the more distant the memory the clearer the details.

This book addresses the challenge posed by J.K. Galbraith over fifty years ago to make a constructive contribution to a different style of economic analysis - the economics of abundance. It identifies a system of abundance inhabited by the 'people of plenty' and illustrates that the driver of growth in this system is spending by affluent consumers. This timely book provides essential heterodox economic theory to explain this spending and explore its key drivers and constraints.

Do you feel like you struggle to make time for everything? We are living in a time-poor society, working more than ever and with less time for ourselves and family. The pressures and stress of the obligations we feel we have, often leave us without time to do everything that we would like to. More critically, we lack the time to reflect, review our lives and consider our direction. Time to contemplate if the decisions we are making are going to lead us to a life of purpose or an old age filled with regret. Time for Anything is based on 5 years of research by Craig D Robinson. Using the techniques in this book, Craig went from working in an entry level position to, in just four years: start 2 companies, recharge with 12 weeks holiday a year, start a family, grow and sell his startups and retire at the age of 34. This book shows you how you too can have time for it all.

Shades of Sexuality: Colors and Sexual Identity in the Novels of Blaise Cendrars, by Amanda Leamon, is currently one of the few studies on the modernist poet and novelist Blaise Cendrars to be written in English. Of interest to scholars of Cendrars, Modernism, Twentieth Century French Literature and early Twentieth Century Art and Humanities, Shades of Sexuality is unique

among the growing body of criticism and analysis of Cendrars' fiction in that it explores the ways in which Cendrars makes use of the spectrum of fragmented colors and other elements of disguise and trompe-l'oeil, both as an artistic device in the construction of the fictional tekst, and as a recurrent motif in the representation and exploration of the male subject and his relation to woman. The author demonstrates how Cendrars effects intersections of gender in the tekst through the manipulation of colors and their associations with femininity, ultimately undermining the illusory façade of male autonomy which dominates his fictional corpus. Envious of her best friends lavish lifestyle, a young woman wonders how different her life would be if she had an opportunity to change her past.

From the author of *Little Women*: An American classic of young best friends in a rustic New England town. In post–Civil War New England, thirteen-year-old Jack Minot and Janey Pecq are inseparable best friends who live next door to each other in the town of Harmony Village. The pair does everything together—so much so that Janey is nicknamed “Jill” to fit the old children’s rhyme. One winter day, the friends share a sled down a treacherous hill and both end up injured and bedridden. Unable to go out and have fun, Jack, Jill, and their circle of friends begin to learn about more than the fun and games of their youth and discover what it means to grow up—exploring their town, their hearts, and the big, wide world beyond for the first time. This charming, wistful coming-of-age tale, written twelve years after Louisa May Alcott’s classic *Little Women*, examines the strange, tempestuous changes of adolescence with homespun heart and worldly wisdom.

In the Changing Room Before we kick off I have to say this, these are my memories, and it has to be said, some of them have been befuddled by drink and erased from the mental back-up disc due to needing more space for uploading new stuff. Phrases you will see often are 'I really can't remember' 'if I remember correctly' and 'I may be wrong'...yes I will admit it, I have been wrong before...1969 I think it was...oh and once in 1973 as well. I have checked where possible but half the time I can't be arsed so there. One area where some clever shite will immediately contradict me is numbers we took to away games, this was and still is impossible to estimate, so whilst some will try to claim we took thousands to every away match I have tried to judge by how much of the stands we filled in the days when the majority of the travelers all stood together. Characters, there have been 'legends' both on and off the pitch over the years, some have moved on to 'a better place' ...yes living in Pattaya, others have went off to the 'Big Match' in the sky where Jesus grabs the Number Nine shirt every game because he thinks he's Alan Shearer...only for St. Peter to point out that Jackie Milburn's name is already on the team sheet as Centre Forward. No doubt someone will bemoan the absence of some of the terrace 'heroes' but I have only mentioned those I clearly remember. I was never a member of any 'crews' 'firms' or 'gangs' unless you count our collective 70's name the 'Geordie Boot Boys', I was never a ringleader or organiser I knew who they were and often found myself in their company but chose to stay incognito. This is not a book of statistics, scorers, results or team line ups, they are well documented elsewhere. These are just my, sometimes possibly inaccurate recollections of being a supporter and a footsoldier in the Black & White Army for over fifty years...and if you don't like it...then write yer own...chances are of got your money anyway ...so who's the numbnutz now?
