"Poso Wells is ironic, audacious, and fierce. But what is it, exactly? A satire? A scifi novel? A political detective yarn? Or the purest reality of contemporary Latin America. It's unclassifiable—as all great books are."—Samanta Schweblin, author of *Fever Dream* "Poso Wells is brilliant, audacious, doubtlessly playful and at the same time so dark and bitter. A truly unforgettable book."—Alejandro Zambra, author of *Multiple Choice* "The story is a condemnation not only of the corrupt businessmen and the criminal gangs that rule Poso Wells but also of the violence against women that plagues Latin America's real slums."—*The New Yorker* "One part Thomas Pynchon, one part Gabriel García Márquez, and one part Raymond Chandler, Alemán's novel contains mystery, horror, humor, absurdity, and political commentary ... A concoction of political thriller and absurdist literary mystery that never fails to entertain."—*Kirkus Reviews* "A wild, successful satire of Ecuadorian politics and supernatural encounters. ... Alemán's singular voice keeps the ride fresh and satisfying."—*Publishers Weekly* In the squalid settlement of Poso Wells, women have been regularly disappearing, but the authorities have shown little interest. When the leading presidential candidate comes to town, he and his entourage are electrocuted in a macabre accident witnessed by a throng of astonished spectators. The sole survivor—next in line for the presidency—inexplicably disappears from sight. Gustavo Varas, a principled journalist, picks up the trail, which leads him into a violent, lawless underworld. Bella Altamirano, a fearless local, is on her own crusade to pierce the settlement's code of silence, ignoring repeated death threats. It turns out that the disappearance of the candidate and those of the women are intimately connected, and not just to a local crime wave, but to a multinational magnate's plan to plunder the country's cloud forest preserve. More Praise for *Poso Wells*: "By expertly weaving multiple narratives around the figure of Vinuesa, the hapless (but wealthy!) presidential candidate who resembles so many corrupt (but wealthy!) presidential candidates in the modern history of Ecuador, Gabriela Alemán depicts with verve and humor the horrors and absurdities of a society intent on perpetuating itself."—Mauro Javier Cardenas, author of *The Revolutionaries Try Again* "Gabriela Alemán has a rhythm worth watching ... she does something unexpected, things fly apart, she leaps into the void, and you think, 'there's no way she can pull this off'—but no, everything fits together, falls into place, flows, and the story goes on."—Pedro Mairal, author of *The Missing Year of Juan Salvatierra* "This compulsively readable book is Gabriela Alemán's debut as a novelist in the English-language. Sparkingly original, full of dry wit, and deliciously suspenseful, *Poso Wells* could well earn Gabriela Alemán a cult following."—Jon Lee Anderson, author of *Che Guevara: A Revolutionary Life*, *Guerrillas: Journeys in the Insurgent World*, and *The Fall of Baghdad*

From the prize-winning Chilean novelist Antonio Skármeta, author of *Il Postino*, comes this soulful novella about a son and his estranged father Jacques is a schoolteacher in a small Chilean village, and a French translator for the local paper. He owes his passion for the French language to his Parisian father, Pierre, who, one year before, abruptly returned to France without a word of explanation. Jacques and his mother's sense of abandonment is made more acute by their isolation in this small community where few read or think. While Jacques finds distraction in a crush on his student's older sister, his preoccupation with his father's disappearance continues to haunt him. But there is often more to a story than the torment it causes. This one is about forgiveness and second chances.

Baudoin's beguiling portrayals of day-to-day lives belie the unsettling feeling of things unseen and unsaid, and on the verge of falling apart. In the title story, a pregnant woman on an eco-adventure to escape a recent break-up finds herself heading towards an even murkier future. In "Mengele in Love," a chambermaid in a hotel reminisces about her lost love for a previous resident. As Alberto Manguel observes in his introduction "each story takes a situation to unexpected extremes, and the endings are always surprising and subtly justified."

A major figure in the history of post-Revolutionary literature in Mexico, Juan Rulfo received international acclaim for his brilliant short novel *Pedro Páramo* (1955) and his collection of short stories *El llano en llamas* (1953), translated as a collection here in English for the first time. In the transition of Mexican fiction from direct statements of nationalism and social protest to a concentration on cosmopolitanism, the works of Rulfo hold a unique position. These stories of a rural people caught in the play of natural forces are not simply an interior examination of the phenomena of their world; they are written for the larger purpose of showing the actions of humans in broad terms of reality.

"The story of Lautaro, young warrior and hero of the Araucanian Indians of Chile, who, in the sixteenth century, led his people to victory against Don Pedro de Valdivia ... and his Spanish invaders."--Booklist.

Over one hundred stories showcasing the wisdom and artistry of one the world's richest folktale traditions—the first panoramic anthology of Hispano-American folk narratives in any language. Gathered from twenty countries and combining the lore of medieval Europe, the ancient Near East, and pre-Columbian America, the stories brought together here represent a core collection of classic Latin American folktales. Among the essential characters are the quiet man's wife who knew the Devil's secrets, the three daughters who robbed their father's grave, and the wife in disguise who married her own husband—not to mention the Bear's son, the tricksters Fox and Monkey, the two compadres, and the classic rogue Pedro de Urdemalas. Featuring black-and-white illustrations throughout, this Pantheon Fairy Tale and Folklore Library edition is unprecedented in size and scope, including riddles, folk prayers, and fables never before translated into English.

A collection of short stories compiled, edited, and introduced by Italo Calvino — including works of E.T.A. Hoffmann, Balzac, Gogol, Poe, and many others — surveying the phenomenon of the fantastic in 19th-century European literature.

A retelling of a traditional cumulative Cuban folktale, presented in both Spanish and English and featuring vivid watercolor illustrations, follows the adventures of a pushy rooster who learns a lesson about being conceited.

Gathers seventy stories by Paley, Hannah, Barthelme, Cheever, Updike, Tallent, Carver, Boyle, Williams, Oates, Hemingway, and Malamud

On a quiet winter night in 1944, as part of their support of the Third Reich's pogrom of European Jews, French authorities arrested Ida Grinspan, a young Jewish girl hiding in a neighbor's home in Nazi-occupied France. Of the many lessons she would learn after her arrest and the subsequent year and a half in Auschwitz, the most notorious concentration camp of the Holocaust, the first was that "barbarity enters on tiptoes . . . [even] in a hamlet where everything seemed to promise the peaceful slumber of places forgotten by history." Translated by Charles B. Potter, *You've Got to Tell Them* is the result of a friendship that formed in 1988, when Grinspan returned to visit Auschwitz for the first time since 1945 and where she met Bertrand Poirot-Delpeche, a distinguished writer for the Paris newspaper *Le Monde*. Sometimes speaking alone, sometimes speaking in close alternation, Grinspan and Poirot-Delpeche simultaneously narrate the story of her survival and the decades that followed, including how she began lecturing in schools and guiding groups that visited the death camps. Replete with pedagogical resources including a discussion of how and why the Holocaust should be taught, a timeline, and suggestions for further reading, Potter's expert translation of *You've Got to Tell Them* showcases a clear and moving narrative of a young French girl overcoming one of the darkest periods in her life and in European history.

Infinitely multiplied by the blare of radios, TVs and record players in San Juan, Macho Camacho's guaracha weaves its way across the city and through the lives of one family on a single day: Senator Vicente Reinoso, a crooked politician stuck in a gargantuan traffic jam; his neurotic, aristocratic wife; their son Benny, a fascist who is quite literally in love with his Ferrari, and the Senator's mistress, who inhabits a poorer world with her idiot child, her cousins (Hughie, Louie, and Dewey) and her friend Dona Chon. Macho Camacho's Beat blends the music of puns, fantastic wordplay, advertising slogans, and pop-culture references with the rhythm of the guaracha to satirize the invasive "Americanization" of the island and the way in which a momentary fad impacts the culture at large.

Illustrations and text portray the life of Leonardo da Vinci, who gained fame as an artist through such works as the Mona Lisa, and as a scientist by studying various subjects including human anatomy and flight.

Presents a selection of poems, short stories, and essays by Latin American writers, grouped by theme, with introductions to the authors, and vocabulary notes.

This remarkable first novel depicts life in the small Mexican town of Ixtepec during the grim days of the Revolution. The town tells its own story against a variegated background of political change, religious persecution, and social unrest. Elena Garro, who has also won a high reputation as a playwright, is a masterly storyteller. Although her plot is dramatically intense and suspenseful, the novel does not depend for its effectiveness on narrative continuity. It is a book of episodes, one that leaves the reader with a series of vivid impressions. The colors are bright, the smells pungent, the many characters clearly drawn in a few bold strokes. Octavio Paz, the distinguished poet and critic, has written that it "is truly an extraordinary work, one of the most perfect creations in contemporary Latin American literature."

A book of short stories that recounts the immigrant experiences in the US

A bilingual collection presents a representative sampling of the poetry of the avant-garde Chilean writer, Vicente Huidobro

An interior look at Roberto Calasso's work as a publisher and his reflections on the art of book publishing In this fascinating memoir, the author and publisher Roberto Calasso meditates on the art of book publishing. Recalling the beginnings of Adelphi in the 1960s, he touches on the Italian house's defining qualities, including the considerations involved in designing the successful Biblioteca series and the strategy for publishing a wide range of authors of high literary quality, as well as the historic critical edition of the works of Nietzsche. With his signature erudition and polemical flair, Calasso transcends Adelphi to look at the publishing industry as a whole, from the essential importance of graphics, jackets, and cover flaps to the consequences of universal digitization. And he outlines what he describes as the "most hazardous and ambitious" profile of what a publishing house can be: a book comprising many books, a form in which "all the books published by a certain publisher could be seen as links in a single chain"—a conception akin to that of other twentieth-century publishers, from Giulio Einaudi to Roger Straus, of whom the book offers brief portraits. An essential book for writers, readers, and editors, *The Art of the Publisher* is a tribute to the elusive yet profoundly relevant art of making books.

A streetwise heroine crosses from Mexico to USA to find her brother in this mythologizing novel by Juan Rulfo's heir.

The thirty-four stories in this volume span Chekhov's creative career."

Presents a collection of poems, in English and the original Spanish, including "At Noon," "Meditation at Dusk," and "At the Nudist Beach of the Unconscious."

This book explores the Gothic mode as it appears in the literature, visual arts, and culture of different areas of Latin America. Focusing on works from authors in Mexico, Central America, the

Caribbean, the Andes, Brazil, and the Southern Cone, the essays in this volume illuminate the existence of native representations of the Gothic, while also exploring the presence of universal archetypes of terror and horror. Through the analysis of global and local Gothic topics and themes, they evaluate the reality of a multifaceted territory marked by a shifting colonial and postcolonial relationship with Europe and the United States. The book asks questions such as: Is there such a thing as "Latin American Gothic" in the same sense that there is an "American Gothic" and "British Gothic"? What are the main elements that particularly characterize Latin American Gothic? How does Latin American Gothic function in the context of globalization? What do these elements represent in relation to specific national literatures? What is the relationship between the Gothic and the Postcolonial? What can Gothic criticism bring to the study of Latin American cultural manifestations and, conversely, what can these offer the Gothic? The analysis performed here reflects a body of criticism that understands the Gothic as a global phenomenon with specific manifestations in particular territories while also acknowledging the effects of "Globalgothic" on a transnational and transcultural level. Thus, the volume seeks to open new spaces and areas of scholarly research and academic discussion both regionally and globally with the presentation of a solid analysis of Latin American texts and other cultural phenomena which are manifestly related to the Gothic world.

Alexandre Dumas was best-known for the D'Artagnan romances, including *The Three Musketeers* (1844) and *The Count of Monte Cristo* (1846). He is arguably France's most famous novelist. His fiction has been translated into almost a hundred languages, and has formed the basis for more than 200 motion pictures. 'The Pale Lady' is one of his most enduring short works.

As the descendants of Mexican immigrants have settled throughout the United States, a great literature has emerged, but its correspondances with the literature of Mexico have gone largely unobserved. In *Bordering Fires*, the first anthology to combine writing from both sides of the Mexican-U.S. border, Cristina Garc'a presents a richly diverse cross-cultural conversation.

Beginning with Mexican masters such as Alfonso Reyes and Juan Rulfo, Garc'a highlights historic voices such as "the godfather of Chicano literature" Rudolfo Anaya, and Gloria Anzaldœa, who made a powerful case for language that reflects bicultural experience. From the fierce evocations of Chicano reality in Jimmy Santiago Baca's *Poem IX* to the breathtaking images of identity in Coral Bracho's poem "Fish of Fleeting Skin," from the work of Carlos Fuentes to Sandra Cisneros, Ana Castillo to Octavio Paz, this landmark collection of fiction, essays, and poetry offers an exhilarating new vantage point on our continent—and on the best of contemporary literature. From the Trade Paperback edition.

La juventud habla a la juventud: así podría describirse esta fascinante antología latinoamericana del cuento que incluye lo mejor de la narrativa breve contemporánea de la región. Dieciséis relatos de otros tantos autores y países introducen al lector, sobre todo al lector joven, a las más diversas y representativas tendencias de una literatura cuya singularidad ha alcanzado reconocimiento universal en las últimas tres décadas. Por estas páginas desfilan la frustración y la promesa, la dulzura y la amargura, el raciocinio y la fantasía de hombres y mujeres especialmente de jóvenes que conforman el multicolor mosaico de esta América.
