“Over two decades, Brett Favre was as compelling a figure as any in the National Football League. He alone was 'Must-See TV.' In *Gunslinger*, Jeff Pearlman provides an extraordinary look at every facet of the life of a man who performed on sport's grandest stage and who had one helluva time along the way.”—Al Michaels In *Gunslinger*, Jeff Pearlman tells Brett Favre's story for the first time, charting his unparalleled journey from a rough rural childhood and lackluster high school football career to landing the last scholarship at Southern Mississippi, to a car accident that nearly took his life, and eventually to the NFL and Green Bay, where he restored the Packers to greatness and inspired a fan base as passionate as any in the game. Yet he struggled with demons: addiction, infidelity, the loss of his father, and a fraught, painfully prolonged exit from the game he loved, a game he couldn't bear to leave. Gritty and revelatory, *Gunslinger* is a big sports biography of the highest order, a fascinating portrait of the man with the rocket arm whose life has been one of triumph, fame, tragedy, embarrassment, and—ultimately—redemption. “The compelling, complete story of his legend, and his faults.”—Chicago Tribune

For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.
