Professional technicians have relied on the Chilton Labor Guide estimated repair times for decades. This latest edition expands on that reliability by including technical hotline feedback and research from professional labor experts. The labor times reflect actual vehicle conditions found in the aftermarket, including rust, wear and grime. Available in both hardcover and CD-ROM, this completely revised manual provides thousands of labor times for 1981 through current year domestic and imported vehicles. All times reflect technicians' use of aftermarket tools and training.

The Mazda Miata is one of the most popular sports cars on the road today. In production for more than 20 years, the Miata's popularity has grown, and the number of aftermarket components available to the Miata enthusiast has grown, too. This immense selection of parts has made it difficult for many would-be modifiers to choose the proper combination that will help them reach the goals they have set for their two-seaters. Author and Miata expert Keith Tanner has been modifying, repairing, building, and racing Miatas for years, and he will guide

you through how to best modify your car to suit your needs, starting with an explanation on how everything works and how the various parts will interact. You'll not only learn what upgrades will help you reach your goals, but also how to adjust or modify what you have to make your car work at its best. From autocross to cross-country touring, the Miata can do it all. Keith Tanner tells you how to make it happen!

A guide to buying a used car or minivan features information on the strengths and weaknesses of each model, a safety summary, recalls, warranties, and service tips.

Abby Thompson's love life is a disaster. Everyone around her is blissfully falling in love, while she's busy binge watching anime. The last thing she needs is a walking temptation, in the form of ex-nerd turned dreamy astrophysics professor, Spencer Hill, aka her new client. It's her job to find Spencer his dream home, NOT fantasize about a ride on his space rocket. But the sparks between them are impossible to ignore, and soon, Abby is wondering if her losing streak in love could be turning around. Can she get over her anxiety he's got her out-brained, and can he let go of the past and the fear that the girl he crushed on in high school is still out of his league? Find out in the new feel-good romantic comedy
