Adapted from a spartan military design, Jeep is today an integral part of the DaimlerChrysler family and a major player in the SUV market. This color history profiles Jeep's remarkable evolution, from the delivery of the first Willys Overland model to Allied military services in 1941, through its years as the bedrock of American Motors, and on to its acquisition by Chrysler. Striking color photography and evocative archival images of classic Jeeps from throughout the years depict such popular and collectible models as CJs, pickups, Jeepsters, Forward Control trucks, military Jeeps, Wagoneers, Cherokees, and Wranglers.

The Jeep Wrangler 1987-2003 All Models Haynes Repair Manual helps you get the best value from your vehicle. It offers information on what work needs to be done, and it provides information and procedures for routine maintenance and servicing; and it offers diagnostic and repair procedures to follow when trouble occurs.

What has gone wrong with the grand American experiment in "ordered liberty"? The liberal's answer is that America has failed to live up to its full promise of inclusiveness and equality--likely the result of corporate greed and white male ruling elites. The mainstream conservative or libertarian reply points to the Warren Court, the 1960s, or a loss of Constitutional rectitude. Christopher Ferrara, in Liberty, the God That Failed, offers an entirely different answer. In a counter-narrative of unique power and scope, he unmaskes the order promised as a sham; the liberty guaranteed, a chimera. In his telling, the false god of a new political order--Liberty--was born in thought long before America's founding, and gained increasing devotion as it slowly amassed power during the first century of the nation's existence. Today it reveals its full might, as we bear the weight of its oppressive decrees, and experience the emptiness of the secular order it imposes upon us. The secular state has constructed a "myth of religious violence" to mask its own violent origins and ongoing displays of force. Ferrara destroys this myth with a relentless uncovering of truths hidden by both liberal and conservative/libertarian accounts of what has gone wrong. In this brilliant retelling of American history and political life, the author asks us to open our eyes to harsh realities, but also to the possibilities for a rightly ordered society and the true liberty that can still be ours.
