SPORTS AND ENTERTAINMENT MARKETING, 5E expertly introduces industry skills from market planning to promotions and selling with popular sports and entertainment industry examples as the foundation for learning marketing concepts. Crucial topics like the channels of distribution, global issues, customer service and economic principles make direct connections to real-life businesses, famous athletes, and celebrities. Students work in teams to build out an expansive marketing portfolio as they apply marketing functions to real-world scenarios and strategies from awards show nominations, to analyzing super bowl ads, to planning successful product endorsements. Chapter content, features, and critical-thinking activities lead students to analyze the merits of marketing roles from influencers to third party social media companies as well as emerging strategies in social networking, data collection, fan engagement and promotions. Features throughout the textbook encourage students to research, solve problems related to exciting industries, and present their findings via group projects and preparation for BPA, DECA, and FBLA competitive events. This edition has been updated to NBEA standards, the Precision Exams Sports and Entertainment Marketing industry certification, and current CTSO performance indicators. MindTap for Sports and Entertainment Marketing, 5th edition is the online learning solution for career and technical education courses that helps teachers engage and transform today's students into critical thinkers. Real-time course analytics and an interactive eBook, MindTap helps teachers organize and engage students. Whether you teach this course in the classroom, or in hybrid and distance learning models. MindTap for this title includes current news articles delivered by RSS feeds, digital portfolio instructions, and data analytics as well as study tools like flashcards & practice quizzes. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The premise of Darkened Enlightenment is to highlight the fact that there currently exist a number of socio-political forces that have the design, or ultimate consequence, of trying to extinguish the light of reason and rationality. The book presents a critique of modernity and provides a socio-political and cultural analysis of world society in the early twenty-first century. Specifically, this analysis examines the deterioration of democracy, human rights, and rational thought. Key features include a combination of academic analysis that draws on numerous and specific examples of the growing darkness that surrounds us along with a balanced practical, everyday-life approach to the study of the socio-political world we live in through the use of popular culture references and featured boxes. The general audience will also be intrigued by these same topics that concern academics including: a discussion on the meaning of "fake news"; attacks on the media and a declaration of the news media as the "enemy of the people"; the rise of populism and nationalism around the world; the deterioration of freedom and human rights globally; the growing economic disparity between the rich and the poor; attempts to devalue education; a growing disbelief in science; attacks on the environment; pseudoscience as a by-product of unreasoned and irrational thinking; the political swamp; the power elites and the deep state; and the variations of Big Business that impact our daily lives. This book will make a great contribution to such fields as sociology, philosophy, political science, environmental science, public administration, economics, psychology, and cultural studies.

day planner with horse drawing horse 1 page per day 365 pages with dates and weekdays 60# offset paper perfect format 6x9"

"Spellbinding, terrifying, deeply moving, Richard Beard's The Day That Went Missing is a masterpiece" (Joanna Rakoff), an unflinching portrait of a family's silent grief, and the

tragic death of his brother not spoken about for forty years. Winner of the PEN/Ackerley Prize 2018 On a family summer holiday in Cornwall in 1978, Richard and his younger brother Nicholas are jumping in the waves. Suddenly, Nicholas is out of his depth. One moment he's there, the next he's gone. Richard and his other brothers don't attend the funeral, and incredibly the family returns immediately to the same cottage - to complete the holiday, to carry on, in the best British tradition. They soon stop speaking of the catastrophe. Their epic act of collective denial writes Nicky out of the family memory. Nearly forty years later, Richard, an acclaimed novelist, is haunted by the missing piece of his childhood, the unexpressed and unacknowledged grief at his core. He doesn't even know the date of his brother's death or the name of the beach where the tragedy occurred. So he sets out on a pain-staking investigation to rebuild Nicky's life, and ultimately to recreate the precise events on the day of the accident. *The Day That Went Missing* is a transcendent story of guilt and forgiveness, of reckoning with unspeakable loss. But, above all, it is a brother's most tender act of remembrance, and a man's brave act of survival.

The Gold Sugar Skull 2019 2 Pages Per Week Diary is the perfect way to keep track of important appointments, birthdays and anniversaries on the move in one handy book. 136 quality cream pages (68 sheets) - slim diary with clean, clear layout ["Look Inside" to view a selection of pages] Never be without your weekly planner: 6x9" (approx. Additional pages include: 3 months at-a-glance (with space for one word reminders) for 2019 & 2020, yearly & monthly goal setting, important dates (birthdays & anniversaries), important contacts & notes Runs from Monday 31st January 2018 to Sunday 5th January 2020 (53 weeks) Not big enough for your needs? We also have 2019 page per day diaries. Or a smaller version in a page-per-week version. Maybe you want this diary in a different design? See our other listings for more diaries, journals, planners and notebooks in all our unique designs. Sugar skulls originate from the Day of the Dead (Dia de los Muertos) Mexican holiday celebrated on 1st & 2nd November when they are used to decorate gravestones. Traditionally, they were molded from sugar and given colorful decorations of icing, feathers, beads and foil. While the idea of skulls as decoration might seem gruesome, they're actually a positive symbol of death and have been embraced across the world as popular tattoo and t-shirt motifs.

'Without a shadow of a doubt this will be one of my favourite books of 2019 . . . An astounding debut' - Nina Pottell, PRIMA The heartbreaking, emotional, funny 2019 debut novel for fans of *One Day in December* by Josie Silver, *With or Without You* by Shari Low, and *The Note* by Zoe Folbigg. THE RULES ARE SIMPLE: Choose the most significant moments from your relationship - one for each hour in the day. You'd probably pick when you first met, right? And the instant you knew for sure it was love? Maybe even the time you watched the sunrise after your first night together? But what about the car journey on the holiday where everything started to go wrong? Or your first proper fight? Or that time you lied about where you'd been? It's a once in a lifetime chance to learn the truth. But if you had to be completely honest with the one you love, would you still play? For Esme and Tom, the game is about to begin. And once they start, there's no going back . . . ***** Why readers love *Our Life in a Day*: 'A great portrayal of mental illness... A quite brilliant book' 'Explores depression, the spiral of addiction and the impact that mental illness has in those closest' 'I could have gone on reading about Esme and Tom forever' 'Oh my heart... I loved every page'

(15.24 x 22.86), A5 size - paperback - 400 pages

Journaling is a great way for children to practice writing. It can also be a fun way for children to express themselves creatively. Invite children to journal about an enjoyable experience that they've had either at school or at home. Children can journal about a story or movie or even their favorite color. Keep in mind that young children's first attempts at journaling will probably take the form of drawing pictures and that is okay. Have the children describe their picture to you or " tell you their story." Write it down as best as you can word for word to show children that their words have value. A diary is a great way for your child to express their emotions and share all the activities they participate in and the ideas they have buzzing in their heads. Keeping a diary helps mold your child's personality, so start when your child is young encouraging them to keep a diary. This Diary with a lined hand clear space per page is suitable for elementary grades. It is additionally a 366-day diary and daily calendar (One page per day). * Daily Calendar * Handwriting, Journal and Diary * Upper half page is handwriting dotted practice space, another half page is blank space for sticking cuttings, illustrations, or pictures in. * Practice to write a fair hand. * Handwriting and Drawing Diary for kids * 6 x 9 in.(15.24 x 22.86 cm), A5 Size * 366 Pages(183 sheets)

Global change processes, such as climate change, digitalization, migration movements and economic crises, are among the greatest challenges of our time and also shape the Danube macro-region as a specifically challenging region of Europe. As part of the Danube:Future Interdisciplinary School 2017 in Krems 28 PhD-students and young scientists from Alps-Adriatic Rectors' Conference and the Danube Rectors' Conference universities discussed these questions and developed research proposals within this broad context. These proceedings offer a comprehensive overview of the generated work. The Danube:Future Interdisciplinary School is part of the Capacity Building Module of the Danube:Future project, a Flagship Project of the EUSDR – the European Union Strategy for the Danube Region, in the Priority Area Knowledge Society. Danube:Future is a joint network project of the Alps-Adriatic Rectors' Conference and the Danube Rectors' Conference. It aims at capacity building in the Danube River Basin (DRB) and at providing networking to aid the development common research projects for a sustainable future of the DRB.
