Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989.

To be "waggish" is to be playful and mischievous—the very definition of these adorable dogs and the things they (might) think about us There's no mistaking a happy dog. The wagging tail, the eager eyes, the smile that's impossible to fake. A happy dog radiates pure joy. Yet the mystery remains: What's really going on behind those waggish grins? Are our dogs laughing with us? At us? Are they operating at a higher stage of enlightenment . . . or just buttering us up before we discover the tiny, torn remnants of burrito wrapper suspiciously dotting the hallway? In Waggish, the infinite expressions of happy dogs are captured in an amazing series of photographs by renowned animal photographer Grace Chon, whose images have made her the go-to pet photographer of Hollywood's top celebrities. As for what these dogs are really thinking, writer Melanie Monteiro expertly channels their innermost thoughts, pairing each photo with a caption such as, "If loving tennis balls is wrong, I don't want to be right" and "You know, we'll both get outside a lot quicker if you just forget the pants." Waggish is the perfect gift for every dog lover.

Based on the web phenomenon Dogshaming and containing photos that are all-new and exclusive to the book, this hilarious album showcases adorable snapshots of shamed pups confessing their biggest - and grossest - sins.

Published to benefit the SPCA, a lighthearted treasury by the creators of the Hot Guys and Baby Animals Wall Calendar features photographs of attractive, often shirtless male models with adorable baby animals and is complemented by tongue-in-cheek captions about their likes and dislikes.

He called the photo series, The Black Dogs Project, and the stunning photographs have been shared worldwide, spreading awareness and attention to the problem. A portion of all proceeds for Black Dogs Project will be donated to black dog rescue.

From the Preface: This manual, *Child Protective Services: A Guide for Caseworkers*, examines the roles and responsibilities of child protective services (CPS) workers, who are at the forefront of every community's child protection efforts. The manual describes the basic stages of the CPS process and the steps necessary to accomplish each stage: intake, initial assessment or investigation, family assessment, case planning, service provision, evaluation of family progress, and case closure. Best practices and critical issues in casework practice are underscored throughout. The primary audience for this manual includes CPS caseworkers, supervisors, and administrators. State and local CPS agency trainers may use the manual for preservice or inservice training of CPS caseworkers, while schools of social work may add it to class reading lists to orient students to the field of child protection. In addition, other professionals and concerned community members may consult the manual for a greater understanding of the child protection process. This manual builds on the information presented in *A Coordinated Response to Child Abuse and Neglect: The Foundation for Practice*. Readers are encouraged to begin with that manual as it addresses important information on which CPS practice is based—including definitions of child maltreatment, risk factors, consequences, and the Federal and State basis for intervention. Some manuals in the series also may be of interest in understanding the roles of other professional groups in responding to child abuse and neglect, including: Substance abuse treatment providers; Domestic violence victim advocates; Educators; Law enforcement personnel. Other manuals address special issues, such as building partnerships and working with the courts on CPS cases. It's another new year celebrating everything under the Sun, including the Moon, with *The Old Farmer's Almanac*, America's oldest continuously published periodical! Always timely, topical, and distinctively "useful, with a pleasant degree of humor," the Almanac has been beloved for centuries by people from all walks of life. As the nation's iconic calendar, the 2018 edition will mark the days, months, and seasons; preview astronomical events; and cover a range of related topics: trends, gardening, anniversaries, recipes, home remedies, pets, husbandry, folklore, amusement, contests, fishing, and more—too much more to mention—all in the inimitable way it has done since 1792.
