After experiencing the betrayal of an extramarital emotional or physical affair, or the agony of a husband battling pornography, the journey to healing can be overwhelming and daunting. Some days may feel light and easy, while others may seem shrouded in a deep mist of confusion, sorrow, and anger. Hills and Valleys: A Journey through Healing after an Affair, a Bible study created by author Anna Huerta, is designed to teach you to walk the long, dusty road to healing with Jesus by your side and peace in your heart. It is a carefully constructed road map, inspired by the Psalmist, which takes the lonely and broken-hearted by the hand and walks you, one step at a time, through the scriptures to freedom and healing. It doesn't matter if you have only just learned of your husband's indiscretion or if you have been battling bitterness for years, Hills and Valleys: A Journey through Healing after an Affair, guides you to a grace-filled redemption as you learn to cry out to Jesus and seek his power to be transformed from the inside out.

We know from Scripture that prayer is essential to an intimate and thriving relationship with God, but often we simply don't know how or what to pray. Many of us feel inhibited with group prayer or praying out loud. Chrystal Evans Hurst knows both the freedom and literal blessing of establishing and growing your prayer life, and how difficult it can be when prayer itself feels a bit foreign. In this video-based Bible study (DVD/downloads sold separately), Chrystal teaches us the basic tenets of prayer practice and establishes a realistic and doable pattern of prayer to be applied to our daily life for 28 days with lasting effect. She then dives deep into four postures of prayers that increase our communication and relationship with God. After you have prayed in one posture for an entire week, Chrystal will break down that posture and walk through the biblical references supporting it to draw the connections between your growing relationship with God and the practice of prayer. This study includes daily prayer practices, space to journal about your prayers and what you are hearing from God, as well as challenges each week to keep yourself from distraction and give prayer the time it deserves. Sessions include: Introduction to Types of Prayer and Practice Prayers of Thanksgiving Prayers of Repentance Prayers of Request Prayers of Yielding Designed for use with the 28-Day Prayer Journey Video Study (sold separately).

"Beyond a Whistle and a Prayer will forever change the way you look at sports and coaching. Society advocates sports as a means to instill virtue and character in our youth. But we all know that the system is broken to a large extent - from youth sports through college, and beyond. Too many coaches and parents are driven by the scoreboard, the win-at-all costs model. Is it any wonder that 70% of kids drop out of sports by age 12? Many of us remember the words and actions of coaches for a lifetime. What memories are you leaving with your athletes? Chris helps us make sense of why sports are broken and how they can be restored as a tool to positively impact lives. It all centers on coaches being transformed by biblical truths and implementing practical tools so they can field competitive teams while also loving their athletes well. Join the journey and learn to coach with joy." -Gilbert Tuhabonye: Author of This Voice in My Heart; 8-time NCAA All-American; Distance Running Coach

One of the most popular fasts in recent years has been the Daniel Fast, a 21-day period of prayer and fasting based on the Old Testament prophet's fasts recorded in Daniel 1 and Daniel 10. The Daniel Fast is a partial fast, in which certain foods are restricted and others are consumed. This fast is similar to a 'purified' vegan diet; in addition to the exclusion of all animal products, no additives, preservatives, sweeteners, caffeine, alcohol, white flour, or processed foods are allowed. With the Daniel Fast people can eat as much Daniel-Fast-friendly food as they would like. Though most people begin the Daniel Fast for a spiritual purpose, many are amazed by the physical transformation that takes place. Many with high cholesterol experience a drop to healthy levels; people who have wrestled with weight issues are suddenly able to lose the pounds. The vast majority of participants following the Daniel Fast report a general sense of well-being and increased energy. Recent published scientific studies of the Daniel Fast have confirmed these findings, with additional benefits, such as a reduction in systemic inflammation, a reduction in blood pressure, and an improvement in antioxidant defenses. The Daniel Cure will help readers take the next step by focusing on the health benefits of the Daniel Fast. By following the advice in this book, readers will convert the Daniel Fast from a once-a-year spiritual discipline into a new way of life that can begin any time of the year. In a nation suffering an epidemic of obesity and its resulting ills, The Daniel Cure may be just what the Great Physician ordered. The Daniel Cure includes a 21-Day Daniel Cure Devotional, four chapters detailing the lifestyle diseases of obesity, type 2 diabetes, cardiovascular disease, and inflammation, eleven chapters of recipes and meal planning advice, a recipe index, complete nutritional guidance, and an appendix detailing 'The Science behind the Daniel Fast.'

NATIONAL BESTSELLER • The #1 bestselling author of *On Fire* shows us how to recapture and harness our childlike sense of wonder in order to become more engaged, successful, and fulfilled. “Engaging . . . O’Leary encourages us to see the world through a child’s eyes.”—Mitch Albom, author of *Tuesdays with Morrie* There once was a time when we joyfully raised our hands to answer questions, connected easily with others, believed that anything was possible, and fearlessly jumped into new experiences. A time when we viewed each day not as something to endure, but as a marvelous gift to explore and savor—when we danced through our lives in awe of the ordinary moments and eager for the promise of tomorrow. Unfortunately, that’s far from our experience today. Instead, we feel disconnected and jaded. Social media reminds us that we don’t measure up, and the mainstream media barrages us with constant negativity. Many of us find ourselves caught in a life of dogged responsibility and mind-numbing repetition. The daily struggle to earn a living has caused us to lose the sense of wonder with which we once greeted every day. In his new book, bestselling author John O’Leary invites us to consider that it is possible to once again navigate the world as a child does. Identifying five senses children innately possess and that we’ve lost touch with as we age, O’Leary shares emotional, humorous, and inspirational stories intertwined with fascinating new research showing how each of us can reclaim our childlike joy, and why doing so will change how we interact with the world. *In Awe* reveals how we can regain that ability to see fresh insights, reach for new solutions, and live our best lives.

This powerfully intimate, plain-spoken memoir about fathers and sons, fortitude, and football from the face and voice of college football—Kirk Herbstreit—is not just “a window into the game, but also a peek into what makes him special: his heart” (David Shaw, head coach, Stanford University). Kirk Herbstreit is a reflection of the sport he loves, a reflection of his football-crazed home state of Ohio, where he was a high school star and Ohio State captain, and a reflection of another Ohio State football captain thirty-two years earlier: his dad Jim, who battled Alzheimer’s disease until his death in 2016. In *Out of the Pocket*, Herbstreit does what his father did for him: takes you inside the locker rooms, to the practice fields, to the meeting rooms, to the stadiums. Herbstreit describes how a combination of hard work, perseverance, and a little luck landed him on the set of ESPN’s iconic College GameDay show, surrounded by tens of thousands of fans who treat their Saturdays like a football Mardi Gras. He takes you into the television production meetings, on to the GameDay set, and into the broadcast booth. You’ll live his life during a football season, see the things he sees, experience every chaotic twist and turn as the year unfolds. Not to mention the relationships he’s established and the insights he’s learned from the likes of coaches and players such as Nick Saban, Tim Tebow, Dabo Swinney, and Peyton Manning, as

well as his colleagues, including Chris Fowler, Rece Davis, and his “second dad,” the beloved Coach Lee Corso. Yes, Kirk Herbstreit is the undeniable face and voice of college football—but he’s also a survivor. He’s the quiet kid who withstood the collapse of his parents’ marriage. The boy who endured too many overbearing stepdads and stepmoms. The painfully shy student who always chose the last desk in the last row of the classroom. The young man who persevered through a frustrating Ohio State playing career. The new college graduate who turned down a lucrative sales job after college to pursue a “no way you’ll make it” dream career in broadcasting. Inspiring and powerful, *Out of the Pocket* “proves the importance of perseverance and family” (Peyton Manning).

This practical, personal prayer guide contains stories, teachings, and tips to help jumpstart the prayer journey of readers, whether they are new to prayer or lifelong prayer veterans. The author’s prayers took her halfway around the world to work with the destitute and poor in African countries as she became the answer to someone else’s prayers. Most books on prayer describe answers to the author’s personal prayers. This book not only does that but also shows how the author became the answer to other people’s prayers. Marilyn tells her story of how as an ordinary mom, she has moved from her own neighborhood to the inner city to genocide-torn Africa. She also tells of meeting two African presidents and becoming deeply involved with the poor in Sudan. But much more than her personal story, this book offers a multitude of practical helps for readers to jumpstart their own prayer journey with step-by-step instructions, training, and tips. Inspirational principles—such as “Double for Your Trouble,” which teaches that those who suffer pain and trouble are often doubly blessed by God—ground readers and equip them for prayer. And inspirational stories—such as “Pennies from Heaven,” which tells how the author found pennies everywhere only to discover that God was trying to tell her something—motivate readers to move forward in their own prayer journey. Finally, a twenty-page, eight-week Leaders Study Guide is included at the end of the book for those who want to share and teach this book’s methods to others.

Do you have a real relationship with God, or do you just have a religion? Do you know God, or do you just know about God?
