Master Content. Upgrade your Mind. Elevate your Score! * Includes Bonus TPNY Full Potential Handbook for test-day success. * 200+ detailed examples and valuable tips based on real GMAT questions. * Effective approaches for non-native speakers and different learning styles. * Fool-proof techniques for mastering each type of Sentence Correction question. * 30+ exercises for peak performance, drawn from sports psychology, mindfulness, and holistic health With this book, you'll learn the Sentence Correction concepts and the critical thinking skills required to succeed on the verbal portion of the GMAT. While other books help you only with the GMAT content, TPNY's Full Potential Handbook (included free) gives you the competitive edge: effective methods to access your optimum emotional and psychological state while you study and when you take the GMAT. This is the only book that creates the best-case scenario on test day: SC content mastery combined with the best mindset to answer test questions efficiently and correctly. Test Prep New York is the only test preparation company to fuse content and strategy-based learning with holistic stress reduction, memory improvement, and confidence building techniques. "The Full Potential section in this book is a welcome guide for those who want to go beyond just studying hard: it addresses all the psychological and emotional processes involved in test-taking. Students of Sapir's holistic approach have enjoyed success in New York City for years. Now others can learn about and incorporate the valuable techniques described in this clear and easy-to-read guide. The techniques are effective and time-tested. Sapir and van Hoek have produced a winning book for those whose scores are compromised by test anxiety, as well as those striving for peak performance." -- Tom Akiva, PhD. Assistant Professor University of Pittsburgh School of Education "Bara Sapir's/TPNY's progressive test preparation technique is good for test-takers who want an edge when taking the test, as well as test-takers who require extra assistance. The model is effective because it teaches mediation of cognitive, academic, attentional, and emotional control. This book contains the necessary ingredients to succeed on the GMAT--it skillfully teaches the essential components of test taking through a clever blend of aggressiveness, logic, and relaxation. After practicing the techniques herein, the trepidatious test taker can expect to enter testing arenas with a greater confidence to achieve that may have alluded them in the past." -- Dr. Jason Smith, School and Clinical Psychologist "Full Potential GMAT Sentence Correction Intensive is by far and away the most advanced study aid available for the sentence correction section of the GMAT. We highly recommend this guide to all test takers seeking the 700+ scores the top business schools like to see." -- David Petersam, President, AdmissionsConsultants

This comprehensive guide is designed for anyone needing additional practice while trying to master all the GMAT question types. 501 GMAT Questions will help those hoping to gain admission to their ideal business school by walking them step-by-step through 501 questions with detailed set-up and answer explanations. Organized by question type, this book features extensive practice for the most-tested concepts on the Analytical Writing, Quantitative, and Verbal test sections.

You need three things to do well on GMAT Reading Comprehension you need to know the secrets to reading passages efficiently, learn how to identify and tackle different RC Question Types, and practice enough number of passages from myriad subjects to build the requisite mental stamina so that you are able to comprehend dense and boring passages that the GMAT tests you on. The GMAT Reading Comprehension Grail has been written keeping the above three points in view. The book spans over 300 pages and is the most comprehensive book available today in the market to crack the GMAT Reading Comprehension. The book starts by unraveling the secrets to reading passages quickly yet effectively, then moves on to discuss various RC question types and then provides 60 GMAT like practice passages. By the time, you finish the book, we assure you that you will not fear reading comprehension on the GMAT anymore because you would have learnt what are the best strategies, which of the them work for you and which don't, you will know the types of mistakes you make and what you need to do about them and above all you will not be scared of seeing passages from areas that you had no interest in. In short, you will be much more confident about taking on RC passages. How is this book superior to any other book for Reading Comprehension? This book provides you 3 times the number of practice passages as compared to any other book Unlike other books, the RC Grail strictly follows a 3-4 questions per passage format, just as the GMAT does RC Grail is the only book that categorizes passages into three difficulty levels - low, medium & high. This categorization ensures that by the time you reach high difficulty level passages, you'll be ready to handle them with confidence. RC Grail is the only book that provides a passage map for every passage along with detailed explanations to questions. Unlike those in other books, the passages in the RC Grail are the closest you can get to the GMAT passages in length & structure.

ACE THE GMAT is based on a simple but powerful observation: Test-takers who score high on the GMAT exam do so primarily by understanding how to solve a finite number of the most important, recurring problems that appear on the GMAT. What are these important, recurring problems? The answer to this question is the basis of this book. This manual provides in-depth analysis of over 200 all-star problems that are key to mastering the seven major GMAT problem types including Problem Solving, Data Sufficiency, Sentence Correction, Critical Reasoning, Reading Comprehension, Analytical Writing, and Integrated Reasoning. Apart from providing readers with answers and full explanations, a special feature of this book is that each problem is categorized by type ("classification"), rated by difficulty level ("chili rating"), and supplemented with a problem-solving strategy ("snapshot"). "Chance favors the prepared mind." Whether you're a candidate already enrolled in a test-prep course or are undertaking self-study, this guidebook will serve as a rigorous skill-building study guide to help you conquer the math, verbal, analytical writing, and integrated reasoning sections of the exam. Studying for the math and verbal sections of the GMAT exam requires some 100 hours of study time. This book's content is conveniently divided into topics, which require two to three hours of study time per day. Total study time will vary between 80 to 120 hours for the entire 40 days. Solving (Official exam instructions for Problem Solving, Strategies and approaches, Review of basic math, Multiple-choice problems, Answers and explanations); Chapter 3 – Data Sufficiency (Official exam instructions for Data Sufficiency, Strategies and approaches, How are answers chosen in Data Sufficiency? How do the big seven numbers work? Multiple-choice problems, Answers and explanations); Chapter 4 – Sentence Correction (Official exam instructions for Sentence Correction, Strategies and approaches, Review of Sentence Correction, Multiple-choice problems, Answers and explanations); Chapter 5 – Critical Reasoning (Official exam instructions for Critical Reasoning, Strategies and approaches, Review of Critical Reasoning, Multiple-choice problems, Answers and explanations); Chapter 6 – Reading Comprehension (Official exam instructions for Reading Comprehension, Strategies and approaches, Review of Reading Comprehension, Answers and explanations); Chapter 7 – Analytical Writing Workshop (Official exam instructions for the Analytical Writing Assessment, Strategies and approaches, Review of Analytical Writing, Essay exercises, Outlines and proposed solutions); Chapter 8 – Integrated Reasoning Workshop (Official exam instructions for Integrated Reasoning, Strategies and approaches; Review of Integrated Reasoning with exercises, Answers and explanations); Appendix I – GMAT and MBA Informational Websites (Registering for the GMAT exam; MBA fairs & forums; MBA social networks; GMAT courses; Other GMAT & MBA websites; Information on business school rankings); Appendix II – Contact Information for the World's Leading Business Schools (U.S. business schools; Canadian business schools; European business schools; Australian business schools; Asia-Pacific business schools; Latin and South American business schools; South African business schools); Quiz – Answers; On a Personal Note; Praise for Ace the GMAT. "Finally, a book that helps you master those learning skills that are critical to success on the GMAT." —Linda B. Meehan, former Assistant Dean & Executive Director of Admissions, Columbia Business School
