

40 Style Scandinavian Interior Design Furniture Gifts

Timber Home Living introduces and showcases the beauty and efficiency of timber homes to an eager custom home buying audience. The magazine's inspiring photography, informative editorial, quality advertising and essential resources involves and encourages readers to pursue their dream home.

The new comprehensive bible of interior design, from a home styling guru who has coached an entire Scandinavian generation in the art of creating a harmonious home. Frida Ramstedt believes in thinking about how we decorate, rather than focusing on what we decorate with. We know more today than ever before about design trends, furniture, and knickknacks, and now Frida familiarizes readers with the basic principles behind interior and styling—what looks good and, most of all, why it looks good. The Interior Design Handbook teaches you general rules of thumb—like what the golden ratio and the golden spiral are, the proper size for a coffee table in relation to your sofa, the optimal height to hang lighting fixtures, and the best ways to use a mood board—complete with helpful illustrations. Use The Interior Design Handbook to achieve a balanced, beautiful home no matter where you live or what your style is.

This definitive history of gold and silversmithing in Western Australia has been masterfully compiled by Dorothy Erickson, the first person to be awarded a PhD in Fine Arts from the University of Western Australia. Gold & Silversmithing tells the story of the Western Australia's many talented gold and silversmiths. It examines the stylistic, social, and economic milieu in which the works were created. Featuring over 500 full color photographs, Gold & Silversmithing is a beautiful coffee table book that merges fashion, history, and cultural identity.

A scholarly review of the prominent designers and designs from 1910-1960 covering the Organic Design Movement, methods and materials of construction and in-depth measurements with hundreds of archival photographs.

Detailed and timely information on accommodations, restaurants, and local attractions highlight these updated travel guides, which feature all-new covers, a two-color interior design, symbols to indicate budget options, must-see ratings, multi-day itineraries, Smart Travel Tips, helpful bulleted maps, tips on transportation, guidelines for shopping excursions, and other valuable features. Original.

Briefly outlines the history of Sweden, describes sights and attractions in Stockholm and the surrounding regions, and recommends hotels and restaurants

A vibrantly illustrated exploration of the creative, inclusive, and inspiring movement happening in today's Southern interior design. The American South is a place steeped in history and tradition. We think of sweet tea, thick drawls, and even thicker summer air. It is also a place with a fraught history, complicated social norms, and dated perspectives. Yet among the makers and artists of the South, there is a powerful movement afoot. Alyssa Rosenheck shines a much-needed spotlight on a burgeoning community of people who are taking what's beloved, inherent, and honored in the South and making it their own. The New Southern Style tours

more than 30 homes and includes interviews with the designers, artists, and creative entrepreneurs who are reinventing Southern design and culture. This beautifully illustrated book is sure to inspire the home and soul.

The gold standard for entry-level interior design education, now published by Wiley In this Eleventh Edition of *Beginnings of Interior Environments*, accomplished interior designer and professor Lynn M. Jones delivers a balanced and comprehensive overview of commercial and residential interior design. Written to offer coverage of the creative and technical characteristics of the profession, the text also addresses Council for Interior Design Accreditation (CIDA) content. The book presents topics on the scope of the profession, spatial development, and visual literacy while also reviewing the factors of quality aesthetics. Hundreds of images from actual design projects, supplied by national and international design firms, illustrate the design process. "Design Scenarios," or case studies, demonstrate examples of professional practice and in-house production work students are likely to encounter during their career. The text discusses issues of global importance, from sustainability to universal design; a pictorial essay reviews the history of style. Readers will also enjoy: An introduction to interior environments, including the fundamentals of interior design and the health, safety, and welfare benefits of interior design An exploration of design fundamentals, including the elements and principles of design, with a special emphasis on color Practical discussions on building construction, including construction components and codes, as well as lighting, electrical, and communication systems An entire section dedicated to interior finishes—upholstery, wallcoverings, and floorings—and furnishings—furniture, art, and accessories In-depth examinations of the profession of interior design, including career opportunities *Beginnings of Interior Environments* is perfect for students in an introductory interior design course, and an indispensable resource for anyone seeking a balanced interior design perspective for their home or office.

* A visually powerful and practical book for creating the perfect Nordic-inspired home* A complete primer for decorating your home in the Nordic style, based on Scandinavian mood boards and examples* The author is a well-known Scandinavian designer and TV personality "A good starting point in designing beautifully, is to adapt to your surrounding architecture and nature - the materials and colors and decorate with your own personal style. Truly knowing your own style is tantamount to interior designing with that ever-important personal touch. And finding your own individual style can be a difficult and confusing journey," - Katrine Martensen-Larsen. The (New) Nordic Style is here to stay. The use of rich Scandinavian materials, pure colours, and a distinctive graphic style turn out to be timeless. Yet many people who are looking to create the Scandinavian look at home do not find it easy to match these common elements of Nordic style. Step by step and using different mood boards, themes, materials, light, furniture and floor coverings, Katrine Martense-Larsen explains how to create your own ideal Scandinavian interior.

Log Home Living is the oldest, largest and most widely distributed and read publication reaching log home enthusiasts. For 21 years Log Home Living has presented the log home lifestyle through striking editorial, photographic features and informative resources. For more than two decades Log Home Living has offered so much more than a magazine through additional resources—shows, seminars, mail-order bookstore, Web site, and membership organization. That's why the most serious log home

buyers choose Log Home Living.

"This beautifully illustrated catalogue explores how Georg Jensen silver has expanded the boundaries of modern style, changing the look of twentieth-century homes and spreading Scandinavian design around the world. Design for Everyday Living is the first scholarly treatment of Georg Jensen to approach the firm's output in an analytical way, situating it in the context of twentieth-century design history and focusing on the firm's unique evolution and global influence. This book is geared to a wide audience of interested nonspecialists and design historians rather than to a narrower readership of silver collectors. It is also innovative in that it focuses on the story of the firm rather than solely on the career of its founder. The essays are all original and include a contribution from Thomas Thulstrup, the leading expert on Georg Jensen silver. The book also benefits from a close collaboration with the Jensen firm, which has allowed us access to images and archival materials published here for the first time"--

Harkening back to the 1950s, this guide to "retro" style home decorating covers kettles, toasters, hand blenders, Formica, sgraffito, molded plywood, dissected fruit, and other design elements evoking the nostalgic era. Original.

Whether you live in a country farmhouse or an urban apartment, find inspiration for every room in your home. Come cozy up with your creativity and Liz's welcoming voice so you can love the feeling of being at home. This accessible, reader-friendly text guides you through a complete life cycle of the firm as it introduces the theories, knowledge, and corporate finance tools and techniques an entrepreneur needs to start, build, and eventually harvest a successful venture. With a strong emphasis on sound financial management practices, the text explores important issues entrepreneurs face, including how and where to obtain financing, using business cash flow models, and positioning the early-stage company strategically. You will also gain an understanding of how to interact effectively with financial institutions and regulatory agencies that can affect venture growth and enable liquidity for investors. Drawing on real-life entrepreneurial ventures and common

financial scenarios, the authors include an in-depth capstone case, numerous mini-cases, and abundant examples to engage your interest and vividly illustrate key concepts such as venture capital funds, institutional investors, strategic alliances, the role of business angels, licensing agreements, and exit strategies. Trust *ENTREPRENEURIAL FINANCE*, Fifth Edition, to provide the skills and confidence you need for entrepreneurial success in today's markets. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A visual exploration of the history of interiors covering every major period from the 17th-century's baroque styles to the latest in 21st-century commercial design.

Swedish Interiors is the first book to share the history, progression, and key elements of Swedish style and how to use it in many different styles of homes. From the white and blue-hued images of the familiar Gustavian style to the gold accents and luxurious patterns found in the Swedish Baroque, Rococo, and Biedermeier periods, the secret to Swedish design is in having the confidence to mix old and new while maintaining a clean and simple aesthetic. Swedish Interiors emphasizes light, comfort and elegance. The authors operate Eleish Van Breems Antiques, a renowned Swedish antiques and decorating resource. Featured on Martha Stewart Living, and in Country Living, House Beautiful, Travel & Leisure, the New York Times, Traditional Home, Better Homes and Gardens, Victoria, and Yankee.

DK Eyewitness Travel's full-color guidebooks to hundreds of destinations around the world truly show you what others only tell you. They have become renowned for their visual excellence, which includes unparalleled photography, 3-D mapping, and specially commissioned cutaway illustrations. DK Eyewitness Travel Guides are the only guides that work equally well for inspiration, as a planning tool, a practical resource while traveling, and a keepsake following any trip. Each guide is packed with the up-to-date, reliable destination information every traveler needs, including extensive hotel and restaurant listings, themed itineraries, lush photography, and numerous maps.

Clean, elegant lines, delicate color schemes, well-proportioned, light-filled spaces, and natural materials—the hallmarks of Scandinavian design are unmistakable. As the trend in residential design continues to move toward pared-down, comfortably elegant, environmentally friendly homes, the Scandinavian aesthetic has become a global influence in interior design. Lars Bolander, one of Sweden's foremost interior designers, has been creating the Scandinavian look in homes all over the world for decades. In this impressively illustrated volume, he and author Heather Smith MacIsaac, a former editor of *House & Garden* magazine, share their expert knowledge of the very best in Scandinavian design, past and present, offering guidance on how to achieve the Scandinavian look, incorporate the trademark elements into any decor, and mix and match traditional and modern, humble and grand. Praise for Lars Bolander's *Scandinavian Design*: "A private, exclusive tour of the best of Scandinavian design. . . . This book is a new treasure for my design library, one I will refer to over and over." ~ Bunny Williams "A sophisticated volume . . . an in-depth, intelligent, and informative look at the design sensibilities found in Scandinavian domestic furniture and decoration. . . . Lars Bolander surveys all of this with his keen . . . eye and finely honed historical knowledge, and the results are

brehtaking.” ~ Martha Stewart “From his captivating shops in New York and Palm Beach, Lars Bolander has won an army of converts to his seductive vision of Scandinavian design, antique and modern, rustic and urbane. In this book, he brings that world of style vividly to life with images of some of the most magical and inspiring environments to be found there, from the light-dappled elegance of Gustavian interiors to the inventive purity of the very best in contemporary architecture.” ~ Hamish Bowles “Lars Bolander’s handsome and intelligent book tells the story of Scandinavian design and its influence—in the past, in the present, and leading into the twenty-first century. A product of a northern world separated to a great extent from Europe, Scandinavian design looked to the styles of the French court in the eighteenth century, but developed its own style with an adaptive simplicity that has given it a place unto itself in the history of design, as beautifully visualized on the pages of this book.” ~ David Easton “Lars has the magic formula for combining the sophisticated Gustavian style with the rustic charm of the Scandinavian countryside. Just perfect!” ~ Juan Pablo Molyneux “He creates both classic and new looks, as well as bringing the traditional pieces into the 20th century (which I love)!” ~MadebyGirl “Lars Bolander is the go-to person for Scandinavian decor in America.” ~Veranda “It’s total design porn at its finest.” ~Everything LEB “Gorgeous.” ~Annechovie “A visual delight.” ~Swedish Interiors by Eleish van Breems “A lovely read and must-have reference and inspiration guide for any design library.” ~ Hampton Hostess “One you’ll want to add to your library.” ~From the Right Bank “Wonderful.” ~Rita Konig(interview with A Lovely Being)~

Scandinavian interior design alludes to landscapes that are rich in lakes, forests, rivers and mountains. It is clean and fresh and relies on lighter tones to combat darkness when the sun goes down so early. Celebrated for its simple, clean lines and functional, reliable values, Scandi design also embodies the notion of hygge. This style guide shows you how.

This book represents the first anthropological ethnography of Ikea consumption and goes to the heart of understanding the unique and at times frantic popularity of this one iconic transnational store. Based on a year of participant observation in Stockholm’s Kungens Kurva store – the largest in the world - this book places the retailer squarely within the realm of the home-building efforts of individuals in Stockholm and to a lesser degree in Dublin. Ikea, the world’s largest retailer and one of its most interesting, is the focus of intense popular fascination internationally, yet is rarely subject to in-depth anthropological inquiry. In Unpacking Ikea, Garvey explores why Ikea is never ‘just a store’ for its customers, and questions why it is described in terms of a cultural package, as everyday and classless. Using in-depth interviews with householders over several years, this ethnographic study follows the furniture from the Ikea store outwards to probe what people actually take home with them.

Discover classic and contemporary Scandinavian style. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—“not just literally with log burners, but also through incorporating wood and natural materials.” The Scandinavian Home showcases a wide range of these beautiful

homes. The first chapter, City Dwellings, features sharp, modern apartments and smart townhouses. A Country Homes shows the Scandinavian take on country style with laid-back, bohemian homes. Finally, the Summer and Winter Retreats include coastal cottages, an allotment house, and log cabins.

Presents a history of interior design from the late 19th to the 21st centuries, and examines particular characteristics that are consistent across this period.

A well-designed Swedish room, whether an antique-filled country home or a contemporary industrial loft space, has a calm and feel-good quality that literally permeates the atmosphere. See how some of the most authentic advocates of Swedish design are using these ideas in their own homes, places of pure beauty and simplicity. The fundamental concepts of Swedish design are in full play at each location featured and are important qualities to incorporate into a home—those of functionality, quality of materials, light, preservation, art, eclecticism, color, sense of place and a deep reverence for nature. Featured in the book are projects by designers Eleish van Breems, 2Michaels, Liza Laserow, and Jonas Wickman with a look into the private homes of Barbara Paca and Philip Logan of Preservation Green, Mick Aarestrup and Paula Batali of Lief, Tara Shaw of Tara Shaw Inc., Jill Dienst of Dienst and Dotter, Ann Ljungberg and Rajesh Kumar of Just Scandinavian, international stylist Ingrid Leess, and designers Patricia Fischer of Patricia Fisher Interiors and Linda Kennedy of Meredith Baxter Home. The elements of Swedish style are broken down for the reader with inspiring photos and directives and a Resource Guide is provided for further exploration. Forewords by Brad Ford and Keith Granet. Rhonda Eleish and Edie van Breems are the founders of Eleish van Breems Ltd., a company whose approach to design stems from a modern application and interpretation of historic Scandinavian interiors and form. Their design work has been featured in House Beautiful, Elle Decor, Veranda, Glamour, Country Living, Gods & Goddar, and the New York Times, among others. Both live with their families in southwest Connecticut and travel extensively in Scandinavia, calling Stockholm their home away from home.

Macramé for Home Decor shows how easy it is to make upscale, modern home décor using natural macramé craft cords. Readers will discover the 12 essential knots they need to create gorgeous macramé. 40 stylish projects range in skill levels from easy to advanced, so there's something here for everyone. This book is filled with cool, contemporary ideas for rugs, throws, coverlets, room dividers, boho plant hangers, and much more. Mixed-media projects are also included that incorporate fun and interesting materials like beads and rings. Step-by-step illustrations, clear instructions, and beautiful color photographs make macramé simple and fun.

Whether you are moving into a new home or renovating and redecorating an existing one, The Interior Design Handbook is the perfect first step to creating an intimate and unique space that is a joy to love in and simple to maintain. With

thought-provoking exercise and helpful checklists full of often-forgotten details, this handbook offers a relaxed yet well-informed look at home decoration and covers everything from the practical to the aesthetic: from low-maintenance, high-style flooring materials, paints, and wall coverings to rich fabrics and fabulous furnishings. It offers readers an appealing and systematic way to accomplish their goals and dreams for the ideal living space suited to their own tastes--whether the rustic charm of the French country look, the clean lines of Bauhaus, or the ornate richness of the Victorian style. Perfect for both the novice and the home owner more experiences in decoration the book boasts an easy-to-use format that allows you to record thoughts, make plans, and daydream about your new living space.

The way you design your home says just as much about you as the clothes you wear. This great new book is packed with practical advice on how to achieve the look you want, for a budget you can afford. Before you begin any kind of home-decorating project you need to make sure your canvas is in good order. We include a handy checklist of common problems to look out for and how to fix them - including cracks in walls, creaking stairs, damp patches, draughts, leaking roofs or blocked chimneys. Doing it yourself is fun and economical, so we include step-by-step instructions on how to achieve a variety of home improvements. Of course it is not always possible (or safe) to do everything yourself - sometimes the decision needs to be made: DIY or GSI (get someone in!)? Getting the builders in can be stressful, but we include plenty of advice on finding the best workmen for the job, and how best to brief them and keep to budget. Planning makes perfect - so we have plenty of useful information on making a moodboard, designing a room layout, choosing and using colour and pattern, deciding on wall finishes and

treatments and making the most of your space. Your home should be perfectly suited to your lifestyle, so whether you are looking for a cool, calm oasis, a stylish minimalist haven for entertaining or a useful family space, this book is packed full of ideas and inspiration so that you can really make your house a home to be proud of.

First published in 1997. Routledge is an imprint of Taylor & Francis, an informa company.

This is the essential student's guide to Design – its practice, its theory and its history. Drawing from a wide range of international examples, respected design writer Catherine McDermott explores key topics including: international design – from Europe to Africa design history – from Art Nouveau to punk sustainable design, recycling and green design design theory – from semiotics to gender, to postcolonialism design technology, graphic design and the web. Fully cross-referenced, with up-to-date guides for further reading, Design: The Key Concepts is an indispensable reference for students of design, design history, fashion, art and visual culture.
