

4th Edition With Dvd

Revised and expanded, including five all-new chapters and color photos throughout. Interchange Third Edition is a fully revised edition of New Interchange, the world's most successful series for adult and young adult learners of North American English. The course has been thoroughly revised to reflect the most recent approaches to language teaching and learning. It remains the innovative series teachers and students have grown to love, while incorporating suggestions from teachers and students all over the world. This edition offers updated content in every unit, additional grammar practice, and more opportunities to develop speaking and listening skills. Interchange Third Edition features contemporary topics and a strong focus on both accuracy and fluency. Its successful multi-skills syllabus integrates themes, grammar, functions, vocabulary, and pronunciation. The underlying philosophy of the course remains that language is best learned when it is used for meaningful communication. Written in American English, Interchange Third Edition reflects the fact that English is the major language of international communication and is not limited to any one country, region or culture. Interchange Third edition is a four-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. The Interchange Third Edition Level 1 Student's Book builds on the foundations established in the Intro for accurate and fluent communication, extending grammatical, lexical, and functional skills. Topics such as school, work, leisure activities, entertainment, and food are presented in unique ways using interesting real-life information. The Student's Book contains 16 teaching units, frequent progress checks that allow students to assess and monitor their own learning, and a listening self-study section. Included is a Student Audio CD that contains the conversation, pronunciation, and self-study sections from the Student's Book.

Fourth edition of the best-selling Cambridge English: First (FCE) course, updated to prepare for the 2015 revised exam. Objective First Presentation Plus allows teachers to present and interact directly with the Student's Book, Workbook and Class Audio at the front of the classroom. With Presentation Plus you can highlight, write and erase; hide and reveal text and images; zoom in and out; create notes and save annotations; attach your own web links; display answer keys; play all Class Audio and display the listening scripts; and connect to Cambridge Dictionaries Online via the internet. Presentation Plus can be used with all types of interactive whiteboards or with a computer and projector.

Practical Art of Motion Picture Sound embraces the subject of sound for films. Based on the experience of the author and other top sound craftspeople, this book provides numerous real-life examples and relevant technical data. It also is firmly grounded in practical techniques and it will show you an appreciation of all the processes involved in creating motion picture sound, from how to achieve great sound despite a small budget and less-than-perfect recording conditions to steps you will need to take to create an artful audio experience. This edition is completely revised and expanded, and the most popular sound editing systems, Pro Tools and Final Cut Pro, are covered in-depth. The accompanying NEW DVD presents demonstration material as well as a large library of sound effects, while numerous charts, illustrations, and photographs help to demonstrate techniques and common industry practices. Among other topics, Practical
