

500 Really Useful English Phrases Grepbook

David Crystal's classic *English as a Global Language* considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

Learn your first 500 Korean words and thousands of related words and expressions that you can start using right away in your everyday conversations in Korean!

Easy-to-master techniques for more effective communications in all areas of life In this breakthrough guide, communication guru Meryl Runion explains why effective communication is more than just a business tool. It is also the key to happier, healthier relationships, and greater personal fulfillment and business success. In *How to Use Power Phrases to Say What You Mean, Mean What You Say, & Get What You Want* she introduces readers to the concept of power phrases--short, focused expressions that let people be direct and to the point without seeming brusque or nasty. In clear, down-to-earth language, illustrated with numerous vignettes and real-world examples, Runion teaches readers how to: Say what needs to be said without fear of misinterpretation or creating negative emotional responses Master six basic methods for crafting power phrases for any setting and every social, professional, or interpersonal situation

Do You Feel Stuck in the Intermediate English Level? Do you want to break out and start improving quickly? Then this is the perfect book to help you move up to the advanced level and start using everyday English fluently. The 500 phrases in this book will help you make the leap from intermediate to advanced. What made me want to write this book? After years of teaching intermediate students who never seemed to improve I decided to find out what the problem was. Essentially, intermediate students get stuck because learning at this stage is a different type of learning than at the beginner stage. You have mastered the grammar and the basic vocabulary but most textbooks just carry on like nothing has changed. However, what you need at the intermediate stage is not just more dry grammar and lists of vocabulary, but to be exposed to as much 'real' English in as many 'real-life' situations as possible. This will help you start to understand what people are actually saying and not just 'textbook' English. It will also help you to naturally 'get a feel' for the language. Because I could not find a book that introduced everyday English phrases in a fun and engaging way I decided to write one myself. How will this book help you? Every new phrase is introduced in the real context of a short story or an article. So by having fun and reading something interesting you will be learning naturally rather than having to force yourself to study. It's a simple fact that if you are having fun you will learn quicker and more easily. This book is an excellent way to be exposed to 'real everyday English phrases' but with the guidance of clear explanations and examples in simple English. Basically it uses simple language to introduce more complex phrases so you are eased into a more advanced level. All of the phrases in this book are in common use and are the key to unlocking fluency. I have only included phrases which I have heard recently in conversation or on the radio or television. If it is in this book it is in everyday use. So, if you are sick of being stuck and want to improve in a fun and engaging way, this is the perfect solution for you.

You have studied English for years, yet you still don't speak English well. You've tried many methods and you still make grammar mistakes,

Access Free 500 Really Useful English Phrases Grepbook

you still can't speak English fluently, and you still can't pronounce English words correctly. You can read English, but you feel too nervous or too shy to speak English. The good news is, this is very normal. You have simply used ineffective methods to learn to speak English. Ken has been in your situation before, but now he can speak English like a native, and he accomplished that in six months. In this book, Ken is going to teach you how to completely get rid of your accent and develop an American or British accent to speak English just like a native speaker, and he'll teach you how to accomplish that in just six months. In this book, you'll: *learn to speak like a native in six months or less* learn to do that on a busy schedule* learn to speak English without translating it first* learn grammar without memorizing grammar rules* learn to build a vocabulary that lasts* learn to pronounce English words like native American or native British* learn to speak English fluently, correctly, naturally, effectively, effortlessly* and more... to speak English like a native speaker. You have studied English for years, yet you still can't speak English well. The reason is simply: The methods you used were ineffective. Change your approach now. Learn from the success who has walked in your shoes before and is getting the result you want. Effortlessly follow the step-by-step instructions in the book to achieve the highest level of fluency to help you speak English like a native speaker. Add to Cart

500 Really Useful English Phrases From Intermediate to Advanced

HOW IS THIS TOEFL BOOK DIFFERENT? This TOEFL book is different because it uses an integrated vocabulary learning system called recycling. Recycling is simple. Each exercise is divided into four quizzes. Quiz 1, a multiple-choice vocabulary quiz, introduces ten new words. Next, you will do Quiz 2, which is a sentence-completion quiz based on the ten words in Quiz 1. Next, you will do Quiz 3, a spelling quiz. The speaker in the audio will say the same ten words in turn. You will then have ten seconds to spell each word by saying it and typing it. Finally, you will do Quiz 4, which is a 60-word typing test based on the ten new words you have been recycling through Quizzes 1, 2 and 3, plus words, phrases and idioms recycled from previous exercises. BONUS MATERIAL Learn essential rhetorical strategies and a test-proven way to develop opinion-based and fact-based TOEFL essays.

Reproduction of the original: Word Study and English Grammar by Frederick W. Hamilton

Better Vocabulary in 30 Minutes a Day offers a lively and entertaining method for adding a more impressive list of words to your everyday speech, and for learning how to use them effortlessly and accurately. Besides giving definitions, this invaluable guide provides roots and elements of words so that you can increase your vocabulary base by thousands of exciting, new words and use them in sentences. Sprinkled throughout the book are fascinating stories about words and origins. Even if you can't spare 30 minutes a day to learn to speak and write eloquently, Better Vocabulary in 30 Minutes a Day allows you to custom-design your learning to take as little as five minutes a day. That's a small commitment for the lifelong benefit of speaking and writing better.

Want to take your business English to the next level? Most textbooks teach the same things; presentations, speaking on the phone etc. This is great at the beginning, but if you are going to succeed, you'll need more. You need to be able to walk into any business situation and feel seriously confident. That is why I wrote this book; to help you go from good to great. To really master business English. Learn: 90 essential words and phrases that will give you an edge in the business world. Improve by using examples: We have included many examples, so you can get a real feel for how to use these business words and phrases. Master: the language in the following essential business English topics. General business English. Start-ups. Online business. Finance. This book is the perfect stepping stone from 'textbook' business English to the 'real' language that will help you excel in the business world. If you are ready to truly advance, press the buy button and get started today.

A Bigger Vocabulary = A Brighter Future Words. They're the foundation of nearly everything of value in our world. They have the power to create and the power to destroy. The power to inspire and to terrify. The power to enlighten and also to obscure. And, more specifically for you, they have the power to attract wealth and success and guarantee your brighter future. This is not hyperbole - it is based on rock-solid research. Studies show that those people with large vocabularies are smarter, wealthier, and happier than the average person - and substantially so. And here's the best news of all: a large vocabulary is not tied to your social status, your genes, or even your education level. It is a skill that can be learned - and it takes only 30 days. In this cutting-edge program, 30 Days to a More Powerful Vocabulary, personal development expert and English enthusiast Dan Strutzel will instruct, enlighten, and inspire you with a concentrated 30-day program that will teach you over 500 words. But, more than teaching you these words, the uniquely designed program will ensure that these words become a habit-knit part of your life - and with minimal effort on your part. Best of all, research shows that learning new words has an exponential effect on the size of your vocabulary - since learning one word naturally produces an association between two to three more words. In short, after reading and applying the system in this 30-day program, you will not only have a bigger vocabulary - you will have a brighter future! Here's just a sampling of what you'll learn: The 10 myths about building a dynamic vocabulary The secret behind the exponential effect of vocabulary building A 30-day program designed to maximize learning and comprehension of over 500 words The words you need to know about money and financial issues The words you need to know about persuading others The words you need to know about marriage, parenting, and other relationships The words you need to know about science The words you need to know to be a great conversationalist Why building a large, dynamic vocabulary is even more valuable in the digital age And much more!

The book is a reference and practice book for elementary learners.

Improve your spoken English from home with 101 real-world conversations in simple, everyday English. Real English people don't speak like

your textbook... so it's no wonder you feel unprepared when it's your turn to speak! This book fixes that. For the first time, you'll learn to speak English in the REAL world, with 101 authentic conversations in simple, spoken English, so you can become confident in the words, phrases and expressions you need to communicate like a local. You'll be transported into a real-world story that unfolds between six characters, told by the people themselves in 101 authentic conversations. Over 15,000 words of real English, you'll immerse yourself in a gripping drama and get an education in natural English in the process. Here's what you'll get: 101 conversations in simple English, so you can learn real English as spoken in the street, understand spoken language with ease, and have English roll off your tongue more fluently. With over 15,000 words of dialogue, you'll have an exciting resource that will immerse you in English, at a level you can understand, so you can learn real spoken English without getting lost or overwhelmed. Real, daily spoken English throughout - it's as if we held up a microphone and recorded the exact words coming out of people's mouths - so you can learn the expressions that real people use on the street (not in textbooks). You'll sound more authentic when you speak and make English-speaking friends more easily. Situational dialogues from typical daily circumstances, so you'll prepare yourself to survive realistic English encounters, in shops and cafés, and make meeting people and making arrangements second nature. Conversations that are carefully written to be accessible for beginners (A2-B1 on the CEFR), so you can start to learn from real, spoken conversations, even as a beginner, without having to go through the rollercoaster of difficult conversations with strangers. Each conversation is limited to around 15 lines of dialogue (150 words), so you can get that crucial sense of achievement and motivation when you finish each conversation, and say "I actually understood all of that!" Summaries of each conversation which contextualise each dialogue, so you can easily follow the plot and enjoy the story without getting lost. The story is set in London, England and includes some expressions that are typical in British English. However, the conversations use mostly "neutral" English that will help you if you're learning American English, or any other variety of English too! Created by Olly Richards, internationally-renowned language teacher and author, 101 Conversations in Real Spoken English gives you an education in real English that you won't find anywhere else. You'll be better prepared for using English in the real world, speak with more confidence, and take a giant leap towards fluency in English!

How to Become a Confident and Fluent English Speaker! This book provides you with the key secrets you'll need to unlock the next level of fluency and open an entirely new world of fluency. With this book by your side, you'll discover that taking your skills to the next level wasn't nearly as difficult as you originally imagined it to be. You will learn Understanding Grammar and Pronunciation to Improve Your English Fluency The Influence of the Mother Tongue on English as a Second Language How to Improve Your Speaking Skills Developing Native English Pronunciation to Improve Your English Fluency Ways to Improve your English Fluency Improve Your Reading; Your Fluency Will Follow Secrets of a Fluent English Speaker This book is for If you struggle to speak English fluently If you lose confidence while speaking English Being able to speak well and effectively can give you a lot of opportunities. People will take you seriously and consider you as a professional if you speak confidently with the voice of a professional. So, it is important that you develop the skill in speaking with regards to what you want to be English is one of the most difficult languages a person can tackle. Its ridiculous number of rules and exceptions to those rules and unique sentence structure contribute to making it a special challenge, even for those with a knack for languages. Yet, given the amount of media produced in it, the sheer amount of business done using English as a common language, and the number of people around the world who speak it, it is one of the most rewarding second languages to master. Believe me, it is never too late to start improving your spoken English and beating your accent because you are never too old or too young to start doing that. And do not find excuses to not speak like a native; you yourself will feel how cool it is to sound like a native English speaker. Instead, just enjoy the process of learning new things. Make practicing English a daily activity like sleeping and eating. And never give up, stay positive. If at some point you feel you are about to give up, just look back at the learning materials that you used long ago to learn the language; this way, you will see how hard a path you have passed already, and how far you have come.

Do you feel that it's "like pulling teeth" when you want to learn new sayings? Would you like to be able to discover new American idioms and phrases that will make communication "a piece of cake"? Sure, you can learn English with a language course or a textbook just fine, and climb up the ranks in terms of your grasp of the language... but are you sure

you can talk like a native? For starters, many expressions used by fluent speakers of English can't exactly be learned in a book, and it can be frustrating to realize that your formal learning hasn't been enough to teach you the way people talk in real life. Sometimes, it's all about having the right tools at your disposal... and this is where *The Great Book of American Idioms* comes in! Written to act as a powerful addition to your other English-learning resources, this book will allow you to: Discover over 1300 different idioms and sayings, covering hundreds of different subjects Learn the correct definition and usage of each expression, ensuring that you know exactly when you can say them out loud during a conversation Visualize examples of the sayings in common conversations, helping you understand their context Take advantage of important tips we provide you in the introduction and conclusion of the book, so that you can boost your learning and get a much better understanding of the English language. What are you waiting for? Over 1300 idioms and expressions are awaiting you! Don't miss out on learning why this "dark horse" will help you "see the big picture"!

The audio CD contains all of the dialogues in the book.

English is full of expressions that convey slang meanings, sarcastic meanings, informal meanings, and many other meanings that are not immediately apparent by defining the single words in an expression. This book was written for the advanced ESL learner who wants to explore the next level of English proficiency: understanding how English native speakers communicate daily needs, feelings and desires using expressions. FREE AUDIO VERSION OF THIS BOOK AVAILABLE AT foebooks.com

In the world we are living in, English has become the common language that people from different countries and cultures can use to communicate with one another. There are many reasons why people would want to learn English, but for a lot of them; It is work-related. Most large companies around the world require their employees to speak English. In some cases, these companies are requiring their workers to only use English at the workplace. English has also been referred to as "the language of business". If you have ambitions to become an international businessman or to work at some bigger companies, it's almost essential that you're able to speak English fluently. From The Intermediate Level to The Advanced Level From my years of teaching, I am confident to say that it is easy for an English learner to go from a beginner English level to an intermediate English level. However, it takes more time to go from an Intermediate level to an advanced English level. A lot of students have studied English for years but still aren't able to speak English on an advanced level. They have tried many methods, attending classes, learning how to pronounce every single word and even getting a private English tutor to improve their spoken English, yet they still have a hard time pronouncing English words correctly or feeling too nervous to speak. The Best Proven Way to Learn and Speak English In this book, Christopher Hill, "THE INTERNATIONAL ESL PROFESSOR " (with 20+ years of experience) will show you powerful unique ways to rapidly improve your spoken English. With topics you already have interest in, you will find out how easy and effortless to learn and speak fluent English. This effective method is simple, yet powerful. Do you want to become more fluent in English? Do you want to understand everyday language and not just 'textbook' English? I taught English for many years and saw that many students get stuck at the high beginner/intermediate stage. They learn the basics and then can't move forward. This problem used to really frustrate me because I had lots of excellent students who were just stuck and eventually they would give up. I thought for a long time about what was wrong and then decided that it wasn't that the student didn't have ability but that what they were studying and how they were studying was not effective. I saw that even though they had good basic English they would read textbooks full of their native language (not English). I used to think 'why are they reading all this German etc about English and not just reading English instead. I decided to see if I could fix this problem. I started assigning students homework like 'watch this English drama with subtitles and then without' or 'read a short article every night for a month'. I found the results were amazing. My students started becoming much more fluent and confident. This convinced me that the best way to become fluent was to read or watch real English that was interesting to the students. So I started writing short stories using easy to understand English mixed with idioms and phrasal verbs that native English speakers use all the time. In this book I have added explanations in English so you don't mix up English and German in your mind. I have also included easy to understand examples which I recommend you note down in your notebook so you can remember them easily. In my opinion, learning idioms, phrasal verbs and useful phrases is the best way to move your English forward as you will

be using the vocabulary that English speakers use every day. If you would like to become more fluent and understand everyday English phrases then get started today and press the button on the top right.

To really master business English. Learn: In Section 1 you will master 86 essential words and phrases that will give you an edge in the business world. Remember: Section 2 contains 14 reading practice articles which contain all of the business vocabulary you discovered in the first book. This will help you both learn how they are actually used and help fix the vocabulary into your memory. The more you see a word in context the easier it will be to remember.

Essential pocket-sized guides to help learners focus on the most important areas of English.

The Amazing Secrets of the Phrases We Use Everyday Phraseology is the ultimate collection of everything you never knew about the wonderful phrases found in the English language. It contains information about phrase history and etymology; unusual, lost, or uncommon phrases; how phrases are formed; and more than 7,000 facts about common English phrases. Practical enough to be used as a reference book but so fun that every book lover will want to read it straight through, Phraseology contains such engrossing tidbits as: ACROSS THE BOARD is an allusion to the board displaying the odds in a horse race ARTESIAN WELL gets its name from Artois, where such wells were first made BEST MAN originated in Scotland, where the groom kidnapped his bride with the aid of friends, including the toughest and bravest - the best man.

How does good writing stand out? If its purpose is to convey facts, findings, or instructions, it need be read only once for its content to be clear. If its purpose is to entertain or to provoke thought, it makes readers want to come back for more. Revised and updated, this guide covers four essential aspects of good writing: • Individual words - spelling variations, hyphenation, frequently confused homonyms, frequently misused words and phrases, irregular plurals and negatives, and uses of capitalization and type style to add special meanings • Punctuation - the role of each mark in achieving clarity and affecting tone, and demonstration of how misuses can lead to ambiguity • Syntax and structure - agreement of subject and verb, parallel construction, modifiers, tenses, pronouns, active versus passive voice, and more • Style - advice on the less hard-and-fast areas of clarity and tone, including sentence length and order, conciseness, simplification, reading level, jargon and clichés, and subtlety Filled with self-test exercises and whimsical literary quotations, Grammatically Correct steers clear of academic stuffiness, focusing instead on practical strategies and intuitive explanations. Discussions are designed to get to the heart of a concept and provide a sufficient sense of when and how to use it, along with examples that show what ambiguities or misinterpretations might result if the rules are not followed. In cases where there is more than one acceptable way to do something, the approach is not to prescribe one over another but simply to describe the options. Readers of this book will never break the rules of language again - unintentionally.
