New York Times Bestseller Rosie may seem quiet during the day, but at night she's a brilliant inventor of gizmos and gadgets who dreams of becoming a great engineer. When her great-great-aunt Rose (Rosie the Riveter) comes for a visit and mentions her one unfinished goal—to fly—Rosie sets to work building a contraption to make her aunt's dream come true. But when her contraption doesn't fly but rather hovers for a moment and then crashes, Rosie deems the invention a failure. On the contrary, Aunt Rose insists that Rosie's contraption was a raging success: you can only truly fail, she explains, if you quit. From the powerhouse author-illustrator team of Iggy Peck, Architect comes Rosie Revere, Engineer, another charming, witty picture book about believing in yourself and pursuing your passion. Ada Twist, Scientist, the companion picture book featuring the next kid from Iggy Peck's class, is available in September 2016.

'Who . . . whoo . . . whooo, cried the wind as it swept down from the Himalayan snows.' The wild wind pushes open windows, chokes chimneys and blows away clothes as it huffs and puffs over the village by Haunted Hill, where Usha, Suresh and Binya live. It's even more mighty the day Usha is on her way back from the bazaar. A deep rumble echoes down the slope and a sudden flash of lightning lights up the valley as fat drops come raining down. In search of shelter, Usha rushes into the ruins on Haunted Hill, grim and creepy against the dark sky. Inside, the tin roof groans, strange shadows are thrown against the walls and little Usha shivers with fear. For she isn't alone. A gritty, hair-raising story about friendship, courage and survival, this stunning edition will introduce another lot of young readers to the magic of Ruskin Bond's craft.

Together, these four daredevils are determined to save endangered species across the globe, no matter what the risk. Rappelling into an underground cavern to save the day? No problem. Looping video footage to sneak through buildings unnoticed? Got it covered. Opening a doorknob? Okay, pretty hard without thumbs. But don't worry. No matter what it takes, the Endangerededs will get the job done. But when two of their friends get kidnapped by a villain with a dastardly agenda, the team finds themselves up to their snouts in trouble. Can the Endangerededs save the day? Or will this villain put humans and animals alike on the extinction list? The A-Team meets the animal kingdom in the first book in the thrilling new adventure series from the host of Xploration Awesome Planet Philippe Cousteau and award-winning author Austin Aslan.

Author-artist Nina Laden has taken her trademark wit and applied it to one of Shakespeare's best-loved plays. Adults familiar with the classic love story will delight in the many references to the original play, all of which make this a rarity: a children's book they want to read again and again. And young children who know nothing of the Bard will be riveted by this funny yet touching tale about Romeow the cat and Drooliet the dog, two star-crossed lovers who meet by chance, marry in secret, and are kept apart by a snarling rottweiler, appalled owners, and the animal control warden. Originally published in 1992. This book brings together the work of a number of distinguished international researchers engaged in basic research on beginning reading. Individual chapters address various processes and problems in learning to read - including how acquisition gets underway, the contribution of story listening experiences, what is involved in learning to read words, and how readers represent information about written words in memory. In addition, the chapter contributors consider how phonological, onset-rime, and syntactic awareness contribute to reading acquisition, how learning to spell is involved, how reading ability can be explained as a combination of decoding skill plus listening comprehension skill, and what causes reading difficulties and how to study these causes.

daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn't it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world's expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member's ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies,

honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: There She Is. Untamed shows us how to be brave.
