600 Basic Japanese Verbs is a handy, easy-to-use guide to one of the building blocks of Japanese grammar—verbs. This book will be an essential resource for students wishing to learn Japanese as it shows how to conjugate the 600 most common Japanese verbs quickly, and with very little effort. This is the only guide to list all verb forms in both Japanese script and romanized form, while giving an accurate English translation for each conjugated form, making this book far more comprehensive than any other book on the subject. Compiled by Japanese language experts at The Hiro Japanese Center, more than 30 different verbal forms are given for each verb including all forms used in contemporary spoken, written, formal and conversational Japanese—making this the ideal reference when reading any sort of Japanese printed materials including manga, newspapers, magazines and books. 600 Basic Japanese Verbs places an expert resource at your fingertips, giving you the information you need to speak, read, and write Japanese sentences correctly. Key features of this book are: Includes all the most useful verbs and Kanji (logographic Chinese characters) in Japanese, including less common ones. A wealth of example sentences are given to demonstrate correct verb usage. Over 30 forms are given for each verb including polite or formal, plain, negative, potential, conditional, passive, causative, and many more. Both Kana, Japanese script, and romanized forms are given for each entry. An ideal study guide for the standard Advanced Placement college test and the Japanese Language Proficiency Exam. Special sections are devoted to compound verbs and suru verbs such as Kaimono suru (to shop), benkyo suru (to study), and much more.

One hundred single-page, skill-building activities consist of a pre-test, short reading passage, definition match, writing practice, critical thinking exercise and post-test. New vocabulary words get used, explained and practiced . . . all in one little lesson!

540 Essentials words for Middle School (Grade 5-9) Vocabulary is becoming increasingly important for Middle School standardized tests like the SSAT/ISEE - Middle, and it helps to devote sufficient time to it, as it takes a long time to build an effective vocabulary. This book contains over 540 Essentials words that appear frequently in the Middle School standardized tests, and uses some of the following techniques to help you remember these words faster and better! - Word Roots; Since many English words are derived from Greek & Latin roots, it makes sense to be aware of these. - Prefixes/Suffixes; Pay attention to the tone of the words, whether soft or hard, harsh or mind, negative or positive. This could help you guess when in doubt. Prefixes/Suffixes can often help you with identifying the meaning of a word, when in doubt. - Usage of the Word; Perhaps the Best way to increase your vocabulary is to read, read and read. There is absolutely no substitute for that! NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Gitar* Zero At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

The ultimate word book for aspiring intellectuals! The most compendious collection of words for aspiring scholars, this book helps you hold your own in intellectual discourse. Featuring 2,400 sophisticated, obscure, and obtuse terms, each page provides you with the definitions you need to lock academic horns with the clerisy. From antebellum and eleemosynary to impasto and putative, you will quickly

master hundreds of erudite phrases that will improve your conversational elegance. Complete with definitions and sample sentences for each entry, The Big Book of Words You Should Know to Sound Smart will elevate your lexicon as you impress the susurrations out of the perfervid hoi polloi.
