When monsters appear on Earth, Maggie MacKay is on the job. No one is better at hauling the creepy crawlies back where they belong. No one, that is, except Maggie's dad, who vanished in the middle of an assignment. Now, an elf named Killian has shown up with a gig. Seems Maggie's uncle teamed up with the forces of dark to turn Earth into a vampire convenience store, serving bottomless refills on humans. Ah, family... The only hope for survival lies in tracking down two magical artifacts and a secret that disappeared with Maggie's dad. **WARNING:** This book contains cussing, brawling, and unladylike behavior. Proceed with caution.

In a style reminiscent of Robyn Carr, an intensely emotional story about taking chances and risking your heart. When her family home burns down, it's the final heartbreak for Rita Jordan who has already lost her parents. Her boss, former SAS captain and head of Tamerlane Security, Ivan Novak, steps in, offering her his home and his help. But Ivan has his own demons, and although he's interested in Rita, there's darkness in his past that could cause her harm. Thrown together into a situation that's too close for comfort, this story can only end in one of two ways: in the destruction of Rita's dreams of love – or the gift of healing and hope to two damaged survivors.
