Having discovered the double identity of the wealthy Transylvanian nobleman, Count Dracula, a small group of people vow to rid the world of the evil vampire.

Felix, a Jewish boy in Poland in 1942, is hiding from the Nazis in a Catholic orphanage. The only problem is that he doesn't know anything about the war, and thinks he's only in the orphanage while his parents travel and try to salvage their bookselling business. And when he thinks his parents are in danger, Felix sets off to warn them--straight into the heart of Nazi-occupied Poland. To Felix, everything is a story: Why did he get a whole carrot in his soup? It must be sign that his parents are coming to get him. Why are the Nazis burning books? They must be foreign librarians sent to clean out the orphanage's outdated library. But as Felix's journey gets increasingly dangerous, he begins to see horrors that not even stories can explain. Despite his grim surroundings, Felix never loses hope. Morris Gleitzman takes a painful subject and expertly turns it into a story filled with love, friendship, and even humor.

Length: 2 acts.

The Turn of the Screw is an 1898 horror novella by Henry James that first appeared in serial format in Collier's Weekly magazine (January 27 - April 16, 1898). In October 1898 it appeared in The Two Magics, a book published by Macmillan in New York City and Heinemann in London. Classified as both gothic fiction and a ghost story, the novella focuses on a governess who, caring for two children at a remote estate, becomes convinced that the grounds are haunted.

Felix is lucky. Unlike the other children in the orphanage, he's certain his parents will come back for him one day. And whatever the Nazis do and however many books they burn, Felix's imagination provides him and his companions with an endless supply of stories that protect them when they're on the run and one day may even save Felix's life.

A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. An instant New York Times bestsellerAn instant IndieBound bestsellerThe #1 Kids' Indie Next PickA Walter Award winner Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death. The "powerful" (Michelle Alexander) exploration—featured by The Atlantic, Essence, the Washington Post, New York magazine, NPR, and others—of the harsh and harmful experiences confronting Black girls in schools In a work that Lisa Delpit calls "imperative reading," Monique W. Morris (Black Stats, Too Beautiful for Words) chronicles the experiences of Black girls across the country whose intricate lives are misunderstood, highly judged—by teachers, administrators, and the justice system—and degraded by the very institutions charged with helping them flourish. Called "compelling" and "thought-provoking" by Kirkus Reviews, Pushout exposes a world of confined potential and supports the rising movement to challenge the policies, practices, and cultural illiteracy that push countless students out of school and into unhealthy, unstable, and often unsafe futures. Called a book "for everyone who cares about children" by the Washington Post, Morris's illumination of these critical issues is "timely and important" (Booklist) at a moment when Black girls are the fastest growing population in the juvenile justice system. Praised by voices as wide-ranging as Gloria Steinem and Roland Martin, and highlighted for the audiences of Elle and Jet right alongside those of EdWeek and the Leonard Lopate Show, Pushout is a book that "will stay with you long after you turn the final page" (Bookish).

Keith Johnstone's involvement with the theatre began when George Devine and Tony Richardson, artistic directors of the Royal Court Theatre, commissioned a play from him. This was in 1956. A few years later he was himself Associate Artistic Director, working as a play-reader and director, in particular helping to run the Writers' Group. The improvisatory techniques and exercises evolved there to foster spontaneity and narrative skills were developed further in the actors' studio then in demonstrations to schools and colleges and ultimately in the founding of a company of performers, called The Theatre Machine. Divided into four sections, 'Status', 'Spontaneity', 'Narrative Skills', and 'Masks and Trance', arranged more or less in the order a group might approach them, the book sets out the specific techniques and exercises which Johnstone has himself found most useful and most stimulating. The result is both an ideas book and a fascinating exploration of the nature of spontaneous creativity.

The Idea is a manual for conquering the most important part of the screenwriting or fiction writing process — the first part. Most writers rush too quickly through choosing a story idea, so they can dive into writing it. And it's the biggest reason most projects don't move forward in the marketplace: producers and editors are underwhelmed by the central concept.

Multiple Emmy- and Golden Globe-winning screenwriter/producer Erik Bork (HBO's *Band of Brothers*) explains the seven key ingredients in stories that have a chance of selling and reaching a wide audience – in any genre or medium. This engaging retelling of the Southern Sierra Miwok legend features the great Yosemite Valley monolith, El Capitan, and how it came to be. Mother Grizzly Bear thinks that her two playful cubs are wrestling and having fun along the Merced River while she is checking her fish traps. When she returns to join her sons, however, she discovers the cubs are nowhere to be found. It takes an unlikely hero to bring her cubs safely home. Populated with characters based on real Sierra animals, this story is about the value of all beings, the nature of courage, and the idea that being a hero has very little to do with one's size. Includes notes about the life and culture of the Southern Sierra Miwok and a bibliography. The #1 International Bestseller & New York Times Bestseller This beautiful, illuminating tale of hope and courage is based on interviews that were conducted with Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale) Sokolov—an unforgettable love story in the midst of atrocity. "The Tattooist of Auschwitz is an extraordinary document, a story about the extremes of human behavior existing side by side: calculated brutality alongside impulsive and selfless acts of love. I find it hard to imagine anyone who would not be drawn in, confronted and moved. I would recommend it unreservedly to anyone, whether they'd read a hundred Holocaust stories or none."—Graeme Simsion, internationally bestselling author of *The Rosie Project* In April 1942, Lale Sokolov, a Slovakian Jew, is forcibly transported to the concentration camps at Auschwitz-Birkenau. When his captors discover that he speaks several languages, he is put to work as a Tätowierer (the German word for tattooist), tasked with permanently marking his fellow prisoners. Imprisoned for over two and a half years, Lale witnesses horrific atrocities and barbarism—but also incredible acts of bravery and compassion. Risking his own life, he uses his privileged position to exchange jewels and money from murdered Jews for food to keep his fellow prisoners alive. One day in July 1942, Lale, prisoner 32407, comforts a trembling young woman waiting in line to have the number 34902 tattooed onto her arm. Her name is Gita, and in that first encounter, Lale vows to somehow survive the camp and marry her. A vivid, harrowing, and ultimately hopeful re-creation of Lale Sokolov's experiences as the man who tattooed the arms of thousands of prisoners with what would become one of the most potent symbols of the Holocaust, *The Tattooist of Auschwitz* is also a testament to the endurance of love and humanity under the darkest possible conditions.

Newport, Rhode Island, was the summer playground of the Gilded Age for the Astors, Belmonts and Vanderbilts. They built lavish villas designed by the best Beaux Arts-style architects of the time, including Richard Morris Hunt, Charles McKim and Robert Swain Peabody. America's elite delighted in referring to these grand retreats as "summer cottages," where they would play tennis and polo and sail their yachts along the shores of the Ocean State. The coachman had an important role as the discreet outdoor butler for Gilded Age gentlemen--not only was he in charge of the horses, but he also acted as a travel advisor and connoisseur of entertainment venues. From the driver's seat, author and guide Edward Morris provides a diverse collection of biographical sketches that reveal the outrageous and opulent lives of some of America's leading entrepreneurs.

Here's a book for lovers of all things Italian. This city on the Adriatic has always tantalized Jan Morris with its moodiness and changeability. After visiting Trieste for more than half a century, she has come to see it as a touchstone for her interests and preoccupations: cities, seas, empires. It has even come to reflect her own life in its loves, disillusionments, and memories. Her meditation on the place is characteristically layered with history and sprinkled with stories of famous visitors from James Joyce to Sigmund Freud. A lyrical travelogue, *Trieste and the Meaning of Nowhere* is also superb cultural history and the culmination of a singular career—"an elegant and bittersweet farewell" (*Boston Globe*).

'Ulysses' is a novel by Irish writer James Joyce. It was first serialised in parts in the American journal 'The Little Review' from March 1918 to December 1920, and then published in its entirety by Sylvia Beach in February 1922, in Paris.

'Ulysses' has survived bowdlerization, legal action and bitter controversy. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. An undisputed modernist classic, its ceaseless verbal inventiveness and astonishingly wide-ranging allusions confirm its standing as an imperishable monument to the human condition. It takes readers into the inner realms of human consciousness using the interior monologue style that came to be called stream of consciousness. In addition to this psychological characteristic, it gives a realistic portrait of the life of ordinary people living in Dublin, Ireland, on June 16, 1904. The novel was the subject of a famous obscenity trial in 1933, but was found by a U.S. district court in New York to be a work of art. The furor over the novel made Joyce a celebrity. In the long run, the work placed him at the forefront of the modern period of the early 1900s when literary works, primarily in the first two decades, explored interior lives and subjective reality in a new idiom, attempting to probe the human psyche in order to understand the human condition. This richly-allusive novel, revolutionary in its modernistic experimentalism, was hailed as a work of genius by W.B. Yeats, T.S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, 'Ulysses' offers the reader a life-changing experience. Publisher : General Press

Since Morris Panych's classic black comedy *Vigil* premiered in 1996, it has been produced throughout North America, the United Kingdom, and Europe, including a 2009 Off-Broadway production, which opened to rave reviews, a run as *Auntie & Me* in London and, in 2011, shows at the Mark Taper Forum in Los Angeles and the American Conservatory Theater in San Francisco, where Panych directed Academy Award® winner Olympia Dukakis opposite Marco Barricelli in the lead role. This updated edition incorporates changes to scenes and dialogue

that have been part of the play's evolution over the past fifteen years, as well as a new playwright's note. Vigil is about a man returning ? after thirty years ? to sit with a female relative on her deathbed. Kemp, the protagonist, is an extremely self-centered and shallow person who uses acid wit and seemingly callous indifference to cover up the profound discomfort he experiences upon finding himself part of a deathwatch. Kemp's problem is: she's not dying fast enough. Through Kemp's own errors and inattentiveness, the visit that he thinks will take a day or two stretches into a year, and he finds himself caring for his long-forgotten aunt Grace against his will. Gallows humor and Kemp's diatribes on humanity and mortality fuel this delightfully dark narrative, but it is Grace's economical contributions to the dialogue (she's a woman of few words) that give this play its weight and profundity. A play of mistaken identity, twisted circumstance and surprising turns, it is deliciously absurd, incredibly funny and poignantly tender. This is one Vigil worth keeping. Cast of 1 woman and 1 man.
