As Toyota skids into an ocean of problems and uncertainty continues in the U.S. automotive industry, Lemon-Aid Used Cars and Trucks 20112012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an expos of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters, lemons, and collectibles; an archive of secret service bulletins granting free repairs; and a legal primer that even lawyers cant beat! Phil delivers the goods on free fixes for Chrysler, Ford, and GM engine, transmission, brake, and paint defects; lets you know about Corvette and Mustang tops that fly off; gives the lowdown on Honda,

Hyundai, and Toyota engines and transmissions; and provides the latest information on computer module glitches.

The Board Review Series (BRS) is aimed at providing basic knowledge as it relates to clinical situations and is used primarily by medical students studying for the United States Medical Licensing Examinations (USMLE). BRS Behavioral Science, Fifth Edition covers material on this subject that is addressed on USMLE Step 1, written in outline format to provide an efficient method of studying behavioral science for USMLE. The book includes at least 500 USMLE-style questions with accompanying annotated answers. An exam follows each chapter and a Comprehensive Exam is included at the end of the book. A companion Website will offer the fully searchable text and an interactive question bank.

Provides advice on economic prospects in the Clinton administration, investments, taxes, college costs, insurance, debt, shopping, buying a car, and planning for retirement

Up-to-date, thorough, and highly accessible, the 1995 edition of The Car Book contains everything a car buyer needs to know about this year's 140 new car and minivan models. Each full-page entry provides a clear summary of the model, a photo,

easy-to-use charts that contain an overall rating for that model, and more.

Haynes Manuals have a new look! To ensure the continued success of one of the industry's most dynamic manual series, Haynes has color coded their covers by manufacturer and replaced the familiar cover artwork with computer-generated cutaway photography. By Summer 2000, 80 percent of Haynes manuals will have the colorful new design. Inside, enthusiasts will find the same reliable information -- whether the reader has simple maintenance or a complete engine rebuild in mind, he or she can rest assured that there's a Haynes Manual for just above every popular domestic and import car, truck, and motorcycle. Hundreds of illustrations and step-by-step instructions make each repair easy to follow.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Praise for the first edition: "As interest in coaching grows, I think Flaherty's book will come to stand out as a definitive work." – Peter M. Senge
Coaching: Evoking Excellence in Others proposes rigorous methods of practice and self-observation in a relationship of mutual trust, respect and freedom of expression. It will probe you to rethink and possibly undo how you relate to your clients, your partner, your staff, your friends, and how you produce long-term excellent performance in yourself.

This 2nd edition includes new chapters on working with the body and what to do when we find ourselves stuck in our coaching efforts. These chapters, have been included to expand the coaches repertory and readiness to step into wider areas of engagement with clients. As with the previous edition these chapters have annotated bibliographies at their conclusion that will assist the reader in continuing their study. The appendix also has expanded list of self-observation exercises and practices as well as additional material that can be used in assessment. This book will act as a learning guide for new coaches and master coaches who want to challenge their methods of partnering with clients. It is also applicable to managers intending to include coaching in their developmental roles with team members. The author has led workshops in coaching, communication, leadership, and project management for more than 12,000 people. These have included participants from many Fortune 500 companies such as AT&T, FMC, Chrysler, Ernst & Young, Cargill, Levi Strauss and Coopers & Lybrand.
