The winner of The Great American Baking Show shares her story of personal growth and more than 100 delicious recipes. NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY TIME OUT AND TASTE OF HOME • “As much about a collection of recipes that makes your mouth water and tugs at your heart with food memories as it is about the chronicles and life lessons of a true comeback kid.”—Carla Hall Popular baking personality and lawyer turned baker Vallery Lomas was ecstatic when she learned she won the third season of The Great American Baking Show. However, her win was never seen by the world—Vallery’s season was pulled after just a few episodes when one of the judges became a focal point in a Me Too accusation. Rather than throwing in her whisk and lamenting all of the missed opportunities she hoped to receive (Book deal! Product endorsements! TV show!), she held her head high and hustled—which resulted in her getting press coverage everywhere from CNN to People magazine. Now, Vallery debuts her first baking book. With 100 recipes for everything from Apple Cider Fritters to Lemon-Honey Madeleines and Crawfish Hand Pies to her Grandma’s Million Dollar Cake. Vallery

shares heirloom family recipes from her native Louisiana, time spent in Paris, The Great American Baking Show, and of course sweets and breads inspired by her adopted hometown, New York City. Vallery's "when life gives you lemons, make lemon curd" philosophy will empower legions of bakers and fans to find their inner warrior and bake their best life. "Life Is What You Bake It is not only a collection of recipes but also an empowering book that shows us there's often more possible than we can even imagine."—Julia Turshen, bestselling author of *Simply Julia*, host of *Keep Calm and Cook On* podcast, and founder of *Equity at the Table*

Jim Paul's meteoric rise took him from a small town in Northern Kentucky to governor of the Chicago Mercantile Exchange, yet he lost it all--his fortune, his reputation, and his job--in one fatal attack of excessive economic hubris. In this honest, frank analysis, Paul and Brendan Moynihan revisit the events that led to Paul's disastrous decision and examine the psychological factors behind bad financial practices in several economic sectors. This book--winner of a 2014 Axiom Business Book award gold medal--begins with the unbroken string of successes that helped Paul achieve a jet-setting lifestyle and land a key spot with the Chicago Mercantile Exchange. It then describes the circumstances leading up to Paul's \$1.6 million loss and the essential lessons he learned from it--primarily that, although there are as many ways to

make money in the markets as there are people participating in them, all losses come from the same few sources. Investors lose money in the markets either because of errors in their analysis or because of psychological barriers preventing the application of analysis. While all analytical methods have some validity and make allowances for instances in which they do not work, psychological factors can keep an investor in a losing position, causing him to abandon one method for another in order to rationalize the decisions already made. Paul and Moynihan's cautionary tale includes strategies for avoiding loss tied to a simple framework for understanding, accepting, and dodging the dangers of investing, trading, and speculating.

Discusses how to turn ordinary ideas into money making ideas, with information on new patent laws, formulating ideas, and finding prospects.

Unknown to most modern-day investors and traders who cherish *Reminiscences of a Stock Operator* as one of the most important investment books ever written, the material first appeared in the 1920s as a series of articles and illustrations in the *Saturday Evening Post*. Now, for the first time ever, this beloved classic is being made available in its original, illustrated format. You'll track the exploits of Jesse Livermore as he won and lost tens of millions of dollars playing the stock and commodities markets during the early 1900s. At one point, he made the then astronomical sum of 10 million dollars in just one month of trading! Originally published as a fictionalized account, the Illustrated Edition combines the *Saturday Evening Post's* memorable
