88 Killer Oliver Stark,2011-08-18 A hate so strong it kills... Three unconnected crimes become linked in the most chilling way imaginable. Oliver Stark's second gruesome thriller, 88 Killer, is sure to enthral fans of MJ Arlidge and Angela Marsons. Raves for American Devil: 'Impressive... written with pace and a delicate feel for the darker shadows of the American psyche... Stark is an exceptional new British talent' - Daily Mail Three crimes. The abduction of a teenage girl, heading towards a bus stop. A woman shot, point-blank during a brutal robbery. A young man tortured, his body found wrapped in barbed wire. With nothing to indicate that the three are connected, NYPD detective Tom Harper and psychologist Denise Levene must look beyond the surface to find a killer's true motivation. And they believe that they have found a murderer conditioned to hate and willing to go to any lengths to make his victims suffer. The killer has nothing to lose. Harper and Levene have one chance to catch him. Sometimes hate is just the beginning . . . What readers are saying about 88 Killer: 'A true testament to a fantastic new author - a man that has real talent for this genre and I would highly recommend' 'Once again I was met with well-drawn characters, a brilliant and engaging story and an interesting villain who is not immediately obvious. You may well not be able to put it down once you start!' 'A thrilling, nail-biting climax which, as with American Devil, had me on the edge of my seat and I can say once again, that Oliver Stark is an amazingly clever and thrilling writer'

Hollywood Highbrow Shyon Baumann,2018-06-05 Today's moviegoers and critics generally consider some Hollywood

products--even some blockbusters--to be legitimate works of art. But during the first half century of motion pictures very few Americans would have thought to call an American movie art. Up through the 1950s, American movies were regarded as a form of popular, even lower-class, entertainment. By the 1960s and 1970s, however, viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms. In *Hollywood Highbrow*, Shyon Baumann for the first time tells how social and cultural forces radically changed the public's perceptions of American movies just as those forces were radically changing the movies themselves. The development in the United States of an appreciation of film as an art was, Baumann shows, the product of large changes in Hollywood and American society as a whole. With the postwar rise of television, American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers. Around the same time, European ideas about the director as artist, an easing of censorship, and the development of art-house cinemas, film festivals, and the academic field of film studies encouraged the idea that some American movies--and not just European ones--deserved to be considered art.

The Madonnas of Echo Park Brando Skyhorse,2011-02-08 We slipped into this country like thieves, onto the land that once was ours. With these words, spoken by an illegal Mexican day laborer, *The Madonnas of Echo Park* takes us into the unseen world of Los Angeles, following the men and women who cook the meals, clean the homes, and struggle to lose their ethnic identity in the pursuit of the American dream. When a dozen or so girls and mothers gather on an Echo Park street corner to act out a scene from a Madonna music video, they find themselves caught in the crossfire of a drive-by shooting. In the aftermath, Aurora Esperanza grows distant from her mother, Felicia, who as a housekeeper in the Hollywood Hills establishes a unique relationship with a detached housewife. The Esperanzas' shifting lives connect with those of various members of their neighborhood. A day laborer trolls the streets for work with men half his age and witnesses a murder that pits his morality against his illegal status; a religious hypocrite gets her comeuppance when she meets the Virgin Mary at a bus stop on Sunset Boulevard; a typical bus route turns violent when cultures and egos collide in the night, with devastating results; and Aurora goes on a journey through her gentrified childhood neighborhood in a quest to discover her own history and her place in the land that all Mexican Americans dream of, the land that belongs to us again. Like the Academy Award-winning film *Crash*, *The Madonnas of Echo Park* follows the intersections of its characters and cultures in Los Angeles. In the footsteps of Junot Díaz and Sherman Alexie, Brando Skyhorse in his debut novel gives voice to one neighborhood in Los Angeles with an astonishing— and unforgettable—lyrical power.

Kumba Africa Sampson Ejike Odum,2020-11-03 'KUMBA AFRICA', is a compilation of African Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their

courage, their culture, their wars, their defeat and their victories long before the emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-depth knowledge of different cultures and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New Yam festivals and villages engaged themselves in seasonal wrestling contest etc; Early morning during Harmattan season, they gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the Harmattan. That was the Africa of old we will always remember. In Africa today, the story has changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people haven't tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually being replaced with houses built of blocks and beautiful roofs. Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now being replaced by heavy trucks and lorries. African traditional methods of healing are now being substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.

The Burying Place Brian Freeman, 2010-04-01 A child is missing. Three women have been taken. Time is running out for them all. The stunning, clever and unputdownable fifth thriller in the Jonathan Stride series by Brian Freeman, winner of the International Thriller Writers' Best Hardcover Novel Award 2013 and author of Thief River Falls and The Voice Inside. The Burying Place will enthral fans of Michael Connelly and James Oswald. 'Raised from the merely formulaic by Freeman's emotional literacy, sense of place and an uncanny ability to wrong-foot the reader and produce a wholly unexpected ending.'

The Burying Place is far more than the sum of its parts' Guardian In the quiet town of Grand Rapids, Minnesota, a baby vanishes from her bedroom in an opulent lakeside home. It looks like an abduction, but Lieutenant Jonathan Stride suspects that her father has a great deal to hide. That same night, a young policewoman stumbles into the middle of a horrific crime in an encounter which will bring a sadistic killer right into the heart of her already complicated life. Meanwhile, deep in the woods, a small and shallow grave conceals a secret that Stride and his team must unearth before time runs out... What readers are saying about The Burying Place: 'Wow. A real thrill ride with lots of twists and turns. One of the best books I have read all year' 'The author keeps us guessing until the very end' 'Yet another treasure from an author who is quickly becoming a huge favourite of mine.
