Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis" because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between truths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect knowledge God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you."

The bestselling author of *The Millionaire Next Door* reveals easy ways to build real wealth. With well over two million of his books sold, and huge praise from many media outlets, Dr. Thomas J. Stanley is a recognized and highly respected authority on how the wealthy act and think. Now, in *Stop Acting Rich ? and Start Living Like a Millionaire*, he details how the less affluent have fallen into the elite luxury brand trap that keeps them from acquiring wealth and details how to get out of it by emulating the working rich as opposed to the super elite. Puts wealth in perspective and shows you how to live rich without spending more. Details why we spend lavishly and how to stop this destructive cycle. Discusses how being "rich" means more than just big houses and luxury cars. A defensive strategy for tough times, *Stop Acting Rich* shows readers how to live a rich, happy life through accumulating more wealth and using it to achieve the type of financial freedom that will create true happiness and fulfillment.

Silly human! Don't you know you're a Diving Being with Infinite Power!?

Manifestation Resistance is a book that talks about the common, everyday things that people do to create resistance in their lives. This resistance not only makes life much harder, but it can also keep you feeling "stuck" in life. Maybe you're someone who:

- struggles with limiting beliefs when it comes to LOA (law of attraction)
- focuses too much on negative or undesirable things
- is dissatisfied at the current state of the world

Perfect! Manifestation Resistance can help with that! Or maybe you've tried manifesting something before and it "just didn't work"... Well, chances are it's because you were making one or two silly mistakes that rendered your desire absurdly difficult, if not impossible to achieve! Inside you'll discover:

- 19 common things that might be keeping YOU from getting what you want
- 9 quick & easy solutions for drastically faster manifestations
- 8 myths about success that are holding you back
- 7 ways to save yourself from bad neuro-linguistic programming (NLP)
- 6 behaviors you must stop right away

...plus, TONS of insight and inspiration from some of the greatest teachers in the world! Look, if you're having a hard time using manifestation, or even if you want to sharpen your skills, give this book a shot. Manifestation Resistance will most definitely help you meet your goals and attract your desired life. Do not pass up this opportunity to become a better you!

Ride on, D/C Russbe bold. stay strong. "Reading this book will positively alter the way you look at life. The author combines highly profound concepts in unique and refreshing ways."

An inspirational and handy book of consciousness and love. Bring it with you on your daily journey for happiness everywhere you go.

We are all using dangerous, outdated, old economic strategies to protect and grow our money in the so-called 'new economy.' Most of us don't even know it. Every economy is, in some sense, 'new.' However, applying the rules from an 'older' economy to a 'newer' one during times of transition is a recipe for financial ruin. Economic transitions have been around for centuries . . . the difference is that now they are worldwide in scope and affect everything rather than local in nature with limited affects. While you sleep at night, while you go to work each day, something insidious is actually stealing your financial future. It isn't anyone's fault really. There is a massive reallocation of wealth as we transition into the new economy. There are two sides to this story. Because of the changing rules of money, the greatest transfer of wealth in the nation and the world is now unfolding. Money is about to flow away from the financially uninformed and flow towards the financially well-informed in the years ahead. This is nothing new, really. Money has always worked this way.

The good news is that average members of the public now have more ways than ever before to understand this process and to take appropriate action. I am sure you are aware of the rising price of gold that's been going on for almost 10 years now. Most recently, gold started climbing with even greater speed. History repeats itself again and again. Whenever governments start to dilute their money investors transfer their money into gold. Gold has intrinsic value and will always prevail in any economy. What most non-investors and investors -- including yourself -- probably you don't realize is that although gold is a great way to preserve your wealth, it's silver that could actually make you rich! The price of gold has already risen dramatically, but silver is just beginning its climb. Nine Reasons Why Silver is a Unique Wealth Building Instrument - Silver, like gold, has intrinsic value- Silver has been in a commodity bull cycle since 2000- Silver is a safe hedge against currency inflation- Silver is a security choice during times of financial crisis- Silver is rarer than gold- Silver is used in 90% of all electronics -- and its mostly non-renewable- Silver inventories are very low- Silver leasing -- the scam will be exposed soon- Silver investment markets are expanding thanks to the Chinese What You Will Learn From Building Wealth with Silver You will discover why the Federal Reserve was created and why you and I have been kept in the dark about its true purpose. You will find out why the U.S. dollar is quietly being destroyed without fanfare and the reason this process is being publically denied and covered up. You will see why unemployment numbers, along with many other economic figures, are rigged, and how we're being lied to about their true significance. The insights you get from the first few chapters alone can change your life. Even if you were to study at Harvard for five years -- which would cost you, by the way, over \$95,000 -- you would not have the knowledge you need to get any closer to this kind of insider information. Learn why silver is the best investment opportunity right now. Get the facts on silver production and consumption, and all the details behind silver's projected five- to eight-fold increase over the next several months.

#1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series *Tidying Up with Marie Kondo*: the original guide to decluttering your home once and for all. **ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE**—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

Ideas are the currency of the twenty-first century. In order to succeed, you need to be able to sell your ideas persuasively. This ability is the single greatest skill that will help you accomplish your dreams. Many people have a fear of public speaking or are insecure about their ability to give a successful presentation. Now public speaking coach and bestselling author Carmine Gallo explores what makes a great presentation by examining the widely acclaimed TED Talks, which have redefined the elements of a successful presentation and become the gold standard for public speaking. TED ? which stands for technology, entertainment, and design ? brings together the world's leading thinkers. These are the presentations that set the world on fire, and the techniques that top TED speakers use will make any presentation more dynamic, fire up any team, and give anyone the confidence to overcome their fear of public speaking. In his book, Carmine Gallo has broken down hundreds of TED talks and interviewed the most popular TED presenters, as well as the top researchers in the fields of psychology, communications, and neuroscience to reveal the nine secrets of all successful TED presentations. Gallo's step-by-step method makes it possible for anyone to deliver a presentation that is engaging, persuasive, and memorable. Carmine Gallo's top 10 Wall Street Journal Bestseller *Talk Like TED* will give anyone who is insecure about their public speaking abilities the tools to communicate the ideas that matter most to them,

This book is designed to guide you toward making the empowering personal choices that lead to greater fulfillment within any aspect of life. By living more consciously, you may begin to tap into your greatest potential for creating more love, joy, peace, and abundance. Organized within the seven steps of the "Empower Model," this book offers you the practical wisdom and tools to live More Consciously and Empowered! To live "consciously," is to live in present moment awareness, while aligning with higher principles. To be "empowered" means to live within the strength that supports us in choosing to honor ourselves and others in all situations. This is possible for all people, yet it takes more than wishful thinking, and it cannot be provided by anyone else. What is required is an incremental shift from within; the on-going practice of personal and spiritual growth and healing. This will take great courage, honesty, accountability, and the intention of living your life to its greatest potential. ARE YOU READY to live your highest purpose and potential?

Trying to get his bearings on an unfamiliar street and not paying attention, Jeremy slams his brakes to avoid hitting the most beautiful bride he has ever seen. When Danielle climbs in his truck, he assumes she's in a hurry to get to her wedding; he didn't realize she was escaping one. He agrees to let her return to his apartment so she can call for help, only she refuses to leave. As the days pass, Jeremy finds it harder to fight off her passes and claims of falling in love with him. Besides having almost ten years on her, Jeremy discovers the family secret she had been trying to hide. How could the daughter of a billionaire settle for a plumber living paycheck to paycheck? Despite every tactic her father throws at her and an ex-fiancé who refuses to let her go, Dani stakes her claim to the only thing she has ever truly wanted in her life and fights to make Jeremy hers.

accident. It's a product of consistently doing the right things. But what constitutes 'the right things'? And how important is the role of attitude in the creation of success? The good news is that the attitudes, actions and behaviours of highly successful and fulfilled individuals can be learned and that means that all of us can benefit from the models and examples that others have set. This saves us an enormous amount of time and wasted effort and can catapult us into the upper levels of personal success and fulfilment. The books have been designed as an exploration of the underlying attitudes that will serve either to support or hinder our ambitions. Their purpose is to encourage us to dream and set goals that are truly worthy of our deeper potential. The first volume examines the attitudes and behaviours of super-successful individuals and reveals the principles that these people adopted to promote their efforts to live the lives of their dreams. It's an intoxicating message of hope, inspiration and practical principles for raising the quality of our lives to new levels of expression. The second volume explores the principles of developing a very positive attitude towards wealth and its resistance-free acquisition. The third volume focuses on the principles of creating success in business and the fourth book examines the essential attributes of the successful mind set. Amongst a treasure trove of powerful advice, insights, tips and principles, you can learn how to Identify the beliefs that previously held you back and banish all negative and restrictive attitudes and behaviours Set goals that will draw on your latent creativity and inspire you to grow Discover and channel the power of your unconscious and make firm friends with the concept of wealth and abundance Take control of your business and tune it towards new levels of success and profitability Create your own mental framework for positive expectations and design your own affirmations for driving you ever closer towards your dreams and goals Become comfortable with the concept of personal success and fulfilment This collection of the essential principles for success has been produced to share the message that our fate is very much in our own hands and that each of us has the potential to make our lives better than they are today. This profound message of hope is a wake-up call to seize the day and experience the power of your own potential. It's a message of power and practical wisdom, a set of guides for making the most of this precious gift we call life.

"I recommend this book highly as one of the 10 most important 'must read' books published this year," Robert Plotkin, Founding President, World Trade Center San Diego. "Three Steps to Wealth & Financial Security – All That Glitters Isn't Gold" is a back to basics, easy to use guide to reassert financial control and secure your financial future. The book draws on real world examples that husband-and-wife authors attorney Gary Laturno, Esq. and Victoria Kuick, MBA, have encountered in counseling over two thousand homeowners in financial distress since 2007. As a result, the book will be an easy read for people who find financial matters confusing or even frightening. The authors' straightforward guidance and recommendations will help many take charge of their financial futures. Comments by Readers: I read your book last night. I'm incredibly impressed! It's a huge undertaking to present an enormous wealth of REALLY important and helpful information in a streamlined way...but you guys did it! And, I think

your readers will really appreciate the genuine tone and straightforward approach—life changing stuff. Great job! I see this book distributed in high schools, colleges (law schools particularly—some lawyers are not great when it comes to financial matters), vocational schools, and the like. I hope you're aiming to reach the masses with this one—the subject matter is so salient right now, and this information is really resonating with people. Jennifer Manganello, Esq., University of California, Hastings College of the Law I just finished reading your book. Outstanding! I love the unique way it was written in PowerPoint format—original, straightforward, and easy to follow. The information the book contains, and how it is explained, makes it stand out. You do not allow the reader to blame others or make excuses about their financial situation. You tell them to look in the mirror, take responsibility, and you show them that money problems are not hopeless but fixable. The stock and real estate investing sections are informative and easy to understand. You take the complexity out of stock market investing. You show real estate investors the pitfalls to avoid. Readers will especially benefit from how you compare and contrast real estate investing with the stock market and other investments — bonds, precious metals and cash. It's evident the book was written from firsthand experience, making it truly authentic. I am impressed both by your credentials and your experience counseling over 2,000 homeowners in financial distress since 2007. This book cuts to the core of what people need to know and do to put their financial house in order. I highly recommend your book! Read it and you will substantially increase your financial I.Q. Dory Laramore, Certified Registered Tax Preparer, and author of *Get Your Finances Right: The Foundation for Success “Three Steps to Wealth & Financial Security”* is well written, concise and provides a wealth of financial advice for every American. The authors ask and answer a number of profound questions. What are the lessons of the housing crisis? Why are savings rates in the United States so low? Why do so many retire on Social Security only? Why do so many mismanage their financial affairs? How do we put our financial house in order? What do we need to know and do to be financially secure? Understand the mistakes that so many made and continue to make. Fine tune your financial plan and money management skills. Recommendation: Read the book! Money management, financial planning, and wealth building are mandatory subjects not electives. Andrew J. Sussman, Esq., Partner, RSR Law Group, San Diego, California

A collection of the author's lesser-known writings includes stories, personal reminiscences, previously deleted excerpts from her diary, and an unfinished novel composed while she was hidden from the Nazis.

This book is written in the style of the great Napoleon Hill. Think about this. With all of the success books out there, why don't we have more successful people? Too many success books simply rehash conventional wisdom. The truly great success books, such as Napoleon Hill's "Think and Grow Rich", instead enable life-challenging success breakthroughs because they identify and describe in powerful detail the thinking patterns and principles of the world's most successful individuals. The only way to do this is to study the world's most successful individuals, as Napoleon Hill has done. And as I have done as well. For over two decades, I have devoted myself to studying and interviewing the most successful individuals across varying fields so that I could see and learn for myself the principles which sets them apart in terms of their success. And that is what I share with you here. Get ready to throw out many of the things that you thought you knew about success. Let's start at the beginning with a simple truth. Success is hard. Very Hard. Very very very hard. We all know that, once we have had a little bit of experience and are honest with ourselves. We all want to be more successful, but let's face it, sometimes we just don't know how. It's because, as they say, "We don't know what we don't know." So we make the same mistakes over and over again (often without fully realizing it until later). And then we blame ourselves (or others) in regard to why things didn't turn out as we had hoped, or planned. It's this simple. If you want to increase your level of success, read this book. We all go through the same struggles. This book - simply but powerfully - is your instruction manual on how to overcome them. Read this book and in 60 days you won't even recognize the person you used to be. And neither will your family and friends. This is the type of change that allows you to get the things you really want in life. The things previously outside your reach. The things you saw others gain and achieve, but never seemed to be able to get for yourself. That can change today. We all know that a few better ideas can accelerate one's success substantially. Successful people take their better ideas and know how to leverage them further - and execute them better than other people do. Once you understand the processes that successful people utilize to do this, you can very quickly ramp up your own success as well. Everybody struggles. Successful people struggle just like unsuccessful people but they learn and use the success principles to overcome the difficulties in their lives to reach their goals. Success breeds confidence, making it easier overtime. If you don't want to keep making the same mistakes over and over again, you need to understand and understand well what these success principles are. That is what this book provides to you.

Every day at work, people do three things: talk, listen, and pretend to listen. That's not surprising—the average attention span has dropped to 8 seconds. To get heard, says high-stakes communications expert Paul Hellman, you need to focus your message, be slightly different, and deliver with finesse. Through fast, fun, actionable tips, *You've Got 8 Seconds* explains what works and what doesn't, what's forgettable and what sticks. With stories, scripts, and examples of good and bad messages, the book reveals three main strategies: FOCUS: Design a strong message—then say it in seconds. VARIETY: Make routine information come alive. PRESENCE: Convey confidence and command attention. You'll discover practical techniques, including the Fast-Focus Method™ that the author uses with leadership teams; how to stand out in the first seconds of a presentation; and 10 actions that spell executive presence. Whether pitching a project, giving a speech, selling a product, or just writing your next email, with *You've Got 8 Seconds* you'll get heard, get remembered, and get results.

'There is a dreamer in every soul. He knows the mind of God concerning our lives. He is the hand of God that writes our lives stories. What is your life story? Do you know the script you ought to play? There is a story teller in your heart. He whispers at night in your deep sleep. He will tell you the secret to the dream of your life. Can you see him while you are awake? Can you hear him in your intuition? He walks in your soul day and night. He never ceases to ask you the same question: 'Where is the Soul I have been sent to help'? In *Secrets to Divine Manifestations*, Alain Yaovi M. Dagba guides the reader in a spiritual adventure that leads to self-awareness. He emphasized that to be aware of our 'self' is to be aware of the presence of God in us, and fully accept our true divine identity. He shows in his writing that, by simply uncovering what we really are, we are able to overcome anything, any form of 'evil,' even the most predicted threatening events of our time. His teachings are centered on the belief that, by learning to easily tap into the life of our divine nature, we can change our consciousness,

thus positively affect the vibration of our planet, while reaching perfect peace and happiness. In this noble adventure of discovering the divinity in the core of our being, we come to know our individual life purpose and are healed from our past wounds. In a word, we are born anew to become a fragrance of hope for our loved ones and those around us.

Spiritual seekers, shamanic journeyers, and those with an interest in cross-cultural mythology will find Rudolph's work invaluable as readers look back in order to look forward. The Bible as we know it today is actually a mishmash of translations, from ancient Hebrew into Greek and Latin and, from there, into English and a host of other languages. What began as oral lore became written verse, which in turn became holy text. Much has been lost over the course of these translations-sometimes unintentionally, sometimes deliberately by religious authorities pursuing their own agendas. The earliest earth-based spiritual teachings found in the Bible were actually driven underground, their messages hidden and virtually inaccessible. The word pagan merely means countryside and it was used to identify people who lived close to the Earth, followed the seasons, looked to the stars, and learned from the cycles of life that surrounded them. These were the people of ancient times who transmitted the original oral lessons that were later codified within the Bible. 21 Secrets takes readers on a shamanic quest to discover these long-forgotten oral teachings of some of the world's most influential tales and journeys. Through cross-cultural shamanic eyes there are numerous surprising revelations including Eve as the hero of the Garden of Eden, and the serpent as the agent of creation here on Earth. Vivia is a hag, one of the last of her race, and can die, visit the underworld and return at will. She has a job she loves-helping London's most vulnerable supernaturals, even if her colleague Malcolm drives her round the bend on a daily basis. Then Malcolm is outed as a zombie and, along with his teenage son Ben, flees the police. When Malcolm is captured, he is only able to pass on one message before his dead brain degrades completely: 'He killed me.' As Ben remains missing, the police find decades-old corpses hidden near Malcolm's house, and Vivia begins to realise there's a lot more at stake than just a possible zompocalypse...

sexuality, and through it you will be able to see yourself and identify with me. More than that, you will be able to feel the spirit and energy of freedom that comes as you read the pages and walk with me to a peaceful place of success and authenticity. This is not a writing for the sake of writing, but this book was a must that as you encounter the stories and principles herein, you yourself will be taking through the depths of your own life to help you to get to the desired place where you walk in true wealth and abundance that can only be realized through self-awareness and self-discovery.

Bulging in-boxes, out-of-control stress, and even climate change serve as reminders that when it comes to being happy and healthy, less is more. In this interactive journal, organization expert Mary Carlomagno leads readers on a journey toward release and discovery. Guided by the principle that the way you spend your time and money should reflect your true priorities, *Secrets of Simplicity* shows how to make practical changes to unburden your closets and calendars and make room for what's really important. Readers can record their successes, as they de-clutter their homes and in the process, their minds.

Attitude. Personality. Mindset. Spirit. Essence. Regardless of how you define your state of being, it is the basis for your existence and how you experience life. *The Art of Being* lays the foundation for your first impressions because if you get this part wrong not much else matters. All other efforts may be diminished or wasted. Your way of being sets the tone for how people relate to you, behave toward you, and engage with you. The more positively centered and grounded you are in your authentic being, the more people may be drawn to you. Becoming the person you want to be includes being your best, doing your best, and allowing your personality, passions, and purpose to shine through. This book is Book 1 of 8 from the Susan Young's mastery manual *The Art of First Impressions for Positive Impact*; 8 Ways to Shine Bright to Transform Relationship Results.

The book is a manual on how to create material wealth and gain spiritual abundance at the same time. It hopes to raise a new breed of millionaires who are simple, loving and generous.

This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear,

lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in what ever way you wish to connect with it. Bursting with information and and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting" A near-death boating accident forced 31-year-old James Nowlin to take a long hard look in the mirror. As a result of what he calls his "awakening," this already self-made millionaire and respected CEO reshaped his perspective and reprioritized his life. In *The Purposeful Millionaire*, James shares the four-part formula he used to transform his life into one of abundance and purposefulness. He believes that if he can survive the literal waters from which he was pulled, you too can survive--and thrive--in life's roughest waters. In this book, you'll learn how to:

- Shift thoughts of self-doubt and fear into ones of certainty
- Attract abundant personal and business relationships
- Use discipline and routine as the foundation of success
- Adopt an attitude of humility, kindness, and gratitude
- Arm yourself with the self-made-millionaire mindset

The Purposeful Millionaire will take you on a journey of self-mastery, guiding you to unlock your greater purpose; to achieve your highest success; and to live an epic, powerful, and abundant life. Your life is in your control!

Innovation at the Speed of Laughter explores the unexpected ways in which the tools of improvisational comedy can improve business performance. Combining his insights as a successful businessman with his expertise as a performer, John Sweeney reveals eight secrets to jump-starting workplace creativity and corporate ideation developed from the

quirky, spontaneous art form of improvisation. The secrets include “Accepting All Ideas,” “Deferring Judgment,” and “Creating a Statusless Environment.” Sweeney and the Brave New Workshop have used these secrets to help companies like General Mills, 3M Corporation, Hewlett-Packard, and Disney develop wonderfully uncommon ideas. Innovation at the Speed of Laughter will similarly help businesses, leaders, and individuals tap into their innovative potential—for creative expression as well as profitability.

If you want to go up the ladder of success, if you want to get what you want, if you want to fulfill that "burning desire" that keeps your mind busy all the time and you do not do something about it, if you want to do "that thing" that you wanted to do some day but you never got a chance to do so, you must take your hands out of your pockets, roll up your sleeves, and take action now. You cannot sit still and expect the elevator of success to come down and take you to the peak. It has not happened to anyone. It will not happen to you either, guaranteed! Over the past several years I have helped many people like you to take their hands out of their pockets and climb their ladder of success. I have spent quality time with them, listened to them, felt their pain, assisted them in taking the right path, and made sure they came out of the process successful and fulfilled. I want to help you too. If you are committed to YOUR success and want to get what you truly want, this book is an excellent start. Are you ready for the journey?
