The purpose of Diagnostic and Therapeutic Advances in Pediatric Oncology for the Cancer Treatment and Research Series is to provide an up-to-date summary of how recent advances in cancer research are being applied to the care of children with solid tumors. The interface of cancer research with clinical practice in pediatric oncology has never been more intimate than today. While researchers are identifying oncogenes and tumor suppressor genes and are studying their specific functions, clinicians are using knowledge of oncogenes and tumor suppressor genes for diagnosing cancer in children, for therapeutic decision-making purposes, and for prognostic purposes. The first three chapters in this book describe models for understanding the causes of childhood cancer that were perhaps initially identified by clinicians and that are now being studied and understood by researchers. These chapters will describe research evidence that supports roles for the involvement of normal developmental regulatory genes in childhood oncogenesis, of abnormal immune regulation in childhood oncogenesis, and of heredity in childhood oncogenesis. The next eight chapters are devoted to descriptions of the application of new research developments to clinical practice with reference to the most common forms of solid tumors of childhood outside the central nervous system. The final chapter will describe late effects of childhood cancer and its therapy and the impact research is having on understanding and perhaps preventing these late effects.

Danielle Stuart is spending a year abroad studying in Venice, the most romantic place on earth. But while Danielle loves the language, she's not interested in love itself. Not until she meets a handsome, Italian gondolier named Nico. He's got his eye on her, and Danielle simply can't resist his flirtatious charms. But when her ex-husband, Mason, shows up on her doorstep looking to reconcile, she finds herself with a dizzying dilemma. Finding herself torn between the two men, desperate Dani writes to her former lovers in hopes they might help her clarify her muddled emotions. Will the Baumgartners and their polyamorous insight give her the courage she needs to choose? ----- IF YOU LIKED THIS BOOK You can have more fun with this family! Scorching first-time threesome tales of friends discovering that they can become much more "Right off the bat, let's be clear: K.D. West is an excellent writer." "It's nice that it's erotica, but even nicer when the person behind the word processor really knows how to create believable characters and situations, and then gets them off--explosively." -- K.C. Cave At the intersection of love, friendship, and desire, find proof that the whole is greater than the sum of its parts. Three of K.D. West's steamiest, most popular tales, collected for the first time: Truth & Games: Felicity, Ben, and Aaron have been friends for years. During a rainy-day get-together over margaritas, Felicity challenges her men to a game that will bring things to a whole new level. A tale of friendship, romance, and thinking outside the lines. The Visitor: Lea's got a four-alarm fire burning and she knows just who she wants to put it out. Or does she? Lea is in Atlanta for an interview, and her friend's brother, Sean the firefighter, is happy to give her a place to sleep. But his is the bed she'd rather sleep in. Or perhaps it's his roommate Andy's? And when a visitor comes to her that night... Well, who is she to be picky if it's one, the other, or...? A tale of sexy firefighters, a mystery lover, and embracing the unknown -- literally Over the Top: Danny and Suzie, Luz and Jamie - the four had been planning for over a year to head up after graduation to the cabin by the lake. Two couples, doing what couples do. But that was before Danny and Suzie decided to be "mature" and break it off. And so now it's one couple. And Danny. And Danny's getting frustrated. A tale of desire, frustration, and a friendly, helping... Bonus The Trouble with Triplets, Pt. I: Allison has been teasing her lover and former teacher Ken with the idea of a threesome. Ken has another lesson he'd like to impart. (A preview of a story from the Erotic Tales: Letters to Allison series) (MMF menage a trois three-way sexuality; includes some male bisexuality. For adult readers only) "Right off the bat, let's be clear: K.D. West is an excellent writer. Supramolecular materials have a great number of applications due to the reversibility of their non-covalent molecular interactions, such as reversible hydrogen bonding, host-guest interactions and electrostatic interactions. This book provides a comprehensive source of information on the structure and function of organic and metal-organic supramolecular materials. The chapters of this book provide an overview of supramolecular material assembly at various scales, including the formation of 2D polymers and molecular cages. The role of intermolecular interactions in solid and solution state self-assembly is discussed, as is the role of mechanochemistry on molecular and supramolecular architectures. Finally, novel applications of these materials in molecular recognition, catalysis, light harvesting and environmental remediation are covered. Functional Supramolecular Materials will be of interest to graduate students and researchers in academia and industry in the fields of supramolecular chemistry and functional materials science.

If you've read Babysitting the Baumgartners, A Baumgartner Reunion, or Baumgartner Generations: Janie, you'll love this prequel to the series. If you've never read any of them - Meet the Baumgartners! Your life will never be the same again! Warnings: This title contains f/f sex, a m/f/f threesome, a wicked game of strip poker and the hottest shower masturbation scenes you may ever read. ORIGINAL - Uncut, Uncensored, Unrevised! Leah and Erica have been best friends and have gone to the same Catholic school since just about forever. Leah spends so much time with the Nolan's—just Erica and her handsome father, now, since Erica's mother died—that she's practically part of the family. When the girls find something naughty under Mr. Nolan's bed, their strict, repressive upbringing makes it all the more exciting as they begin their sexual experimentation. Leah's exploration presses deeper, and eventually she finds herself torn between her best friend and her best friend's father—but even she couldn't have

predicted the shocking and bittersweet outcome of their affair. Warnings: This title contains erotic situations, lesbian sex, some very naughty taboo sex, sex toys, and also makes mention of pornography, salmon, amusement parks, chocolate covered strawberries, brownies (as well as girl scouts), plaid skirts, naughty uses for confessionals and some sacrilegious humor. Whether the story is about a quick encounter of the erotic kind or it "s just a fast and furious read, here is a pulse-pounding 25 story anthology, promising to take you on a headlong express to ecstasy. Join Selena Kitt on a swift, delightful ride, from stories of heart-racing sex in elevators or across office desks or in dressing rooms, to the impatience and excitement of the first time.

Janie has moved to New York to try to make it as a writer, all the while serving as part-time lover in a polyamorous relationship with Veronica and TJ and full-time nanny to their daughter, Beth. Janie's life is already incredibly full when she runs into an agent one morning who sees great potential in her—and not just as an author. As Janie's relationship with Josh blooms and her career takes off, Ronnie's happy surprise turns into a problem that even a vacation in a mountain cabin with the Baumgartners can't fix, throwing everyone's life off-kilter. Janie, especially, is spread thin, trying to please everyone while keeping Josh from finding out the true nature of her relationship with her benefactors. She knows she has to tell him eventually, but fear holds her back. Will she lose him? Will she be forced to make an impossible choice? Or will she, perhaps, find that the capacity for the human heart to love is, indeed, endless?-----Warnings: This title contains erotic situations, graphic language, a ménage a trois (MFF threesome), lesbian sex and a hookup turned romance that will curl your toes!-----IF YOU LIKED BAUMGARTNER GENERATIONS: JANIE,you may want to have more fun with this family!A Baumgartner ChristmasThe Baumgartners Plus OneBabysitting the BaumgartnersA Baumgartner ReunionMeet the BaumgartnersBaumgartner Generations: HenryLetters to the Baumgartners-----EXCERPT:"Would it be wrong to tell you how much I want to kiss you?" His eyes were silver in the moonlight, his breath full of sake."No," I whispered, putting my arms around his neck. "It would be really wrong not to do it, though.""You think?" His lips met mine before I could think of a response, before I could think at all. He tasted like sake, too, but so did I. I wasn't sure it was the sake, though, that was sending the fire flowing through my veins as we kissed. I slipped a hand through his hair, all those dark curls, as his mouth slanted across mine and our tongues began to explore. I forgot where we were, I forgot everything but the feel of his body against mine, my breasts pressed against his chest as he pulled me in closer."Janie, I want you," he whispered, kissing my neck, enveloping me in his arms. I could feel that—his cock hard through his trousers, pressed against my belly. "Would it be wrong to take you home with me tonight?"I shivered as he lavished kisses over my neck and shoulders, his breath hot, coming almost as fast as mine. I wanted to answer him, to tell him yes, but I was too afraid. What would happen then, I wondered? What would it be like, waking up with Josh but having to face Catherine in the morning? How was this going to work?"Josh," I murmured as his hands moved down my back, cupping my ass, squeezing gently as his tongue made little circles over my collarbone. God, if he kept that up, I was going to be inviting him back to my place, and I didn't even want to think about the consequences of that, what Ronnie and TJ would say."You feel so good," he groaned, and before I knew it, we were kissing on a park bench, Josh pulling me into his lap.My dress was too tight to allow me to straddle him properly, so he pushed it up and grabbed my hips, crushing the red silk of my panties directly against the heat of his erection. I could feel it through his trousers, riding up and down as we rocked together."Oh god," I moaned softly when he broke off to stroke my breasts through my dress, kissing the swell of my cleavage. I could see the hunger in his eyes when he looked up at me in the glow of a street light. "Please, Josh..."He slipped a hand behind my neck, pulling my mouth down to his, kissing me breathless. When I slid my hand between us to feel the length of his cock through the thin material, he groaned...

This book devotes a chapter to each RTK family and the multiple receptors within each family, thoroughly covering all of the RTKs. The chapters all follow the same structure, presenting this essential information in an accessible and user-friendly format. Each chapter covers one specific family of receptors and begins with a general introduction to that family and a comprehensive discussion of that receptor's family in development and human disease. Following are in-depth analyses of each family's receptors with discussions on the gene, protein, ligands, activation, and signaling pathways along with discussion of receptor processing and signal attenuation. Further, cross talk with other receptors systems, post-translational modification and specific unique characteristics to each RTK are discussed. Because it isolates and explains each family, this book is an essential companion volume to Receptor Tyrosine Kinases: Structure, Functions and Role in Human Disease, by the same authors, which talks about RTKs more generally and without the family-by-family detail.

Many changes that occur during the embryonic development of an individual animal can be seen as a parallel to changes that have occurred in species or groups of species during evolutionary time. This book covers the interaction between developmental and evolutionary changes in animals.

Danielle Stuart is spending a year abroad studying in Venice, but while she loves the romance of the language and the beauty of country, she finds herself more and more confused by her growing feelings for a gondolier named Nico and her now ex-husband, Mason, who has shown up on her doorstep looking to reconcile. Desperate Dani writes to the Baumgartners in hopes her former lovers might help her clarify her muddled emotions. Finding herself torn between the two men, she reveals her dizzying dilemma, only to discover, thanks to the Baumgartner's insight and her own sense of sexual discovery, that she may not have to choose after all.-----WARNING: This title contains graphic language and mmf sex, including m/m and some anal sex.-----EXCERPT:"Not here," I whispered as Nico kissed me into a narrow alleyway, the cool brick biting my back, pressed hard against the wall."Yes here," he insisted, and I cursed myself for wearing a skirt to school. March was flirting with April and the weather had been sunny and bordering on warm all day, prompting my choice of outfit."No, no," I protested, but telling him no was impossible. He took when he wanted, when he wanted. I

couldn't deny him, and even as my mind forbid him, my body responded, my hips thrusting to meet the hard press of his cock through his trousers, my mouth opening under his. "I can't wait," he murmured, his hand cupping my mound through my skirt. "I've been thinking about you all day. My cock has been hard for hours." "We could get caught," I whispered, eyes closed with pleasure as he rocked the heel of his palm against my pussy. It was still daylight and anyone passing by the alleyway could see us. "Arrested. What would your mother say?" "I don't care," he growled, yanking my skirt up to my waist, exposing the black flash of my panties underneath. "Nico!" I gasped when he went to his knees, unmindful of the suit he was wearing, burying his face between my legs. The truth was, I was already soaking wet—I'd been thinking about him all day too, about our date and where we would go to ease this ache. I had to sneak him into my flat past Caro Lucia. His mother guarded his place like Fort Knox. We had found places of course, the darkness our accomplice. We had christened the restroom at the Mood Café twice, once in the men's room, the second time in the women's. We'd made love in the gondola in the dark several times, tied to a post, nearly tipping it over once in a narrow canal with our fervor. We'd even done it like this, in dark alleys, cul-de-sacs, entryways to empty buildings. But we'd never dared to do it like this, in the daylight, in plain sight. I usually felt like a naughty teenager, sneaking around and hiding our lust, but this was beyond daring—it was dangerous. I loved it. "Lick it," I begged, sliding my leg up over his shoulder to give him better access. He nudged my panties aside and did just as he was told, his mouth working sweet, hot magic between my legs. My clit throbbed against his tongue, my nipples hardening under my blouse. I rubbed my own breasts, grazing them with my nails through the material, sending hot tingles down between my thighs.

Baumgartner Reunion Baumgartner Generations: Henry Babysitting the Baumgartners By Selena Kitt Ronnie, now a college freshman, has been babysitting for the Baumgartners so long, she's practically a member of the family. When Mrs. Baumgartner—who insists on calling her Veronica—invites Ronnie along on their yearly vacation, the nanny jumps at the chance. There's no way she's going to turn down an opportunity to work on her tan in the Florida Keys with Doc and Mrs. B! But Ronnie isn't the only one with ulterior motives. The young co-ed discovers that the Baumgartners have wayward plans for their au pair that are going to lead places she could have only imagined. Note: This wicked hot sun and sand coming of age story will seduce you as quickly as the Baumgartners seduce innocent Ronnie and leave everyone yearning for more! A Baumgartner Reunion By Selena Kitt Ronnie, now all grown up with a family of her own, gets a memory-jolting invitation to join the Baumgartners at their vacation home in the Florida Keys, and suddenly, everything comes flooding back. She hasn't thought about the Baumgartners in years, at least that's what she tells her wildly handsome husband, T.J. But it turns out that her curious husband has made a few phone calls and opportunity, or perhaps fate, presents itself, giving them a chance to live out their fantasies. But once again, Ronnie finds herself torn between what she wants, and what someone else wants for her—or are they one in the same? Baumgartner Generations: Henry By Selena Kitt Henry Baumgartner's in trouble. He used to be a big fish in a little pond, but now he's in college, and the world sure seems a lot bigger! Instead of passing him because of his athletic ability like they did in high school, he discovers his professors actually mean it when they say he needs to do the work or he's going to fail his classes—and be kicked off the all-star hockey team. Turns out, Henry's been keeping a secret, and while he desperately continues to try to keep it, from the girl he's got a crush on, from his roommate who's after the same girl, from his parents and teachers and coaches, he knows he can't go on keeping it forever. So when his parents hire him a tutor, he turns to this angel of mercy for help, but little does he realize that Mrs. Toni Franklin is going to complicate his life in ways he never could have foreseen... ----- IF YOU LIKED THIS BOOK You can have more fun with this family! When Danielle Stuart meets the Baumgartners, her life doesn't need to get any more complicated. Studying Italian on scholarship at the University of Michigan, Dani is haunted by a horrible tragedy that her husband, Mason, simply can't come to terms with. But when she meets Carrie Baumgartner, and then her handsome husband, Doc, she finds her attraction to the couple irresistible, no matter how complicated things might get. While the two women bond over being childless and yet surrounded by children in the university's married housing complex, it's Doc Baumgartner who really brings them together with a game-changing idea that serves to reshape all of their lives. -----WARNING: 18+ ONLY This title contains erotic situations and graphic language, and makes mention of porn, strippers, high heels, snow angels, wishbones, micro bikinis, white hot sand, Victoria's Secret, birth control, mittens, kitty cats, margaritas and various other alcoholic beverages, plus a plethora of sex including girl on girl, anal sex and a (mff) threesome in true Selena Kitt style.-----

This book will broaden readers' understanding of the links between the music and fashion industries. It highlights the challenges currently facing the fashion industry in terms of hyper-competition, definition of ever-faster trends, changing consumer demands etc. In fact, the fashion industry is heavily influenced by the digital revolution in the music industry, which has changed the face of individual music consumption and social reference, and therefore, also has impacts on fashion consumption and social reference. This understanding is crucial in order to realign any fashion company's strategies to the demands of modern fashion consumers. In terms of content, the book first discusses the social perspective of fashion and music. This includes an analysis of music as a key influencer of fashion trends, both theoretically and on the basis of a case study on grunge music. Then the role of music in the fashion business is addressed, and covers in-store music and the role of music in fashion communication. Following up, the role of fashion in the music business is analyzed. This includes the trend of co-design of fashion collections, music artists' role of differentiation by style, and the market for music fashion merchandise articles (both theoretically and drawing on a case study). In closing, potential lessons learned from the music industry are developed for the fashion industry. This includes an analysis of the digital revolution and the advent of the crowdfunding idea (both theoretically and in a case study).

For the first time in years, Carrie Baumgartner doesn't have any chicks in the nest--all the fledglings have flown the coop and she's finally got her sexy, energetic husband all to herself! Doc suggests they take advantage of this newfound freedom, and his adventurous wife has no objections. She intends to enjoy their little nest, preferably in every room, in every position they can possibly imagine. But an empty house has its echoes, and while Doc buys a new muscle car and considers retiring from his practice to mark his mid-life crisis, his wife experiences a much deeper quandry. Carrie has been in communication with someone from her past, and their relationship has blossomed into something no one expected. Things with Jody are so intense, it scares her a little, and even her usually open-minded husband has his reservations. When Carrie and Doc go on a hot, fun-in-the-sun vacation to their Florida Keys timeshare, couple time is interrupted by a very sexy, but distraught third. Jody's in trouble and has nowhere else to turn. Of course, the Baumgartners offer their assistance--and even their bed. But this is the kind of threesome the polyamorous couple could never have imagined, even in their wildest fantasies, and it's about to turn everything upside down. If you thought the Baumgartners were uninhibited before, you're about to see what it's like when they really let their freak-flag fly.

The citizens of Kentucky, a state already known as the Dark and Bloody Ground, did much to substantiate the state's reputation, judging from accounts of the region's violent feuds reported in the nation's newspapers of the late 1800s and early 1900s. The New York Times of July 26, 1885 stated, "The savages who inhabit this region are not manly enough to fight fairly, face to face. They lie in wait and shoot their enemies in the back....One can hardly believe that any part of the United States is cursed with people so lawless and degraded." This book details some of the feuds that led to Kentucky's dubious reputation.

This book offers one of the most comprehensive reviews in the field of gastrointestinal (GI) physiology, guiding readers on a journey through the complete digestive tract, while also highlighting related organs and glandular systems. It is not solely limited to organ system physiology, and related disciplines like anatomy and histology, but also examines the molecular and cellular processes that keep the digestive system running. As such, the book provides extensive information on the molecular, cellular, tissue, organ, and system levels of functions in the GI system. Chapters on the roles of the gut as an endocrine, exocrine and neural organ, as well as its microbiome functions, broaden readers' understanding of the multi-organ networks in the human body. To help illustrate the interconnections between the physiological concepts, principles and clinical presentations, it outlines clinical examples such as pathologies that link basic science with clinical practice in special "clinical correlates" sections. Covering both traditional and contemporary topics, it is a valuable resource for biomedical students, as well as healthcare and scientific professionals.

Sustainable agriculture is a rapidly growing field aiming at producing food and energy in a sustainable way for our children. This discipline addresses current issues such as climate change, increasing food and fuel prices, starvation, obesity, water pollution, soil erosion, fertility loss, pest control and biodiversity depletion. Novel solutions are proposed based on integrated knowledge from agronomy, soil science, molecular biology, chemistry, toxicology, ecology, economy, philosophy and social sciences. As actual society issues are now intertwined, sustainable agriculture will bring solutions to build a safer world. This book series analyzes current agricultural issues, and proposes alternative solutions, consequently helping all scientists, decision-makers, professors, farmers and politicians wishing to build safe agriculture, energy and food systems for future generations.

Whether the result of an oil well blowout, vessel collision or grounding, leaking pipeline, or other incident at sea, each marine oil spill will present unique circumstances and challenges. The oil type and properties, location, time of year, duration of spill, water depth, environmental conditions, affected biomes, potential human community impact, and available resources may vary significantly. Also, each spill may be governed by policy guidelines, such as those set forth in the National Response Plan, Regional Response Plans, or Area Contingency Plans. To respond effectively to the specific conditions presented during an oil spill, spill responders have used a variety of response options—including mechanical recovery of oil using skimmers and booms, in situ burning of oil, monitored natural attenuation of oil, and dispersion of oil by chemical dispersants. Because each response method has advantages and disadvantages, it is important to understand specific scenarios where a net benefit may be achieved by using a particular tool or combination of tools. This report builds on two previous National Research Council reports on dispersant use to provide a current understanding of the state of science and to inform future marine oil spill response operations. The response to the 2010 Deepwater Horizon spill included an unprecedented use of dispersants via both surface application and subsea injection. The magnitude of the spill stimulated interest and funding for research on oil spill response, and dispersant use in particular. This study assesses the effects and efficacy of dispersants as an oil spill response tool and evaluates trade-offs associated with dispersant use.

Ronnie (or "Veronica" as Mrs. B always insisted on calling her) is all grown up with a family of her own, and the Christmas she babysat for the Baumgartners is just a pinpoint in her memory. That is, until a persistent suggestion of a threesome by her husband, T.J., brings it all flooding back. When she reveals how the Baumgartners and the nanny, Gretchen, had seduced her during her time in Key West, her husband takes it upon himself to make some phone calls. Opportunity, or perhaps fate, presents itself, and Ronnie and her husband get an invitation to join Gretchen and the Baumgartners on their vacation. Ronnie finds herself torn, once again, between what she wants and what someone else wants for her--or are they, after all, one in the same?-----Warning: This title contains erotic situations, graphic language, sex, and so much a ménage a trois (MFF threesome) action you just may begin to chafe!-----EXCERPT:"Come on, Ronnie..." His hand massaged my scalp, his eyes tender but questioning. "We've been married for almost seven years. You can't tell me you've never been attracted to anyone else? I know you have!" I blinked, trying not to think about the way Hector at work smiled and winked whenever I passed his classroom, how he often showed up in the tiny copy room the same time I did, brushing up against me from behind, his hand cupping the side of my hip, to get a ream of legal paper. So I felt a little twinge when he did, a warmth between my thighs, a tug in my belly. It didn't mean anything. It didn't mean—"Just because I'm attracted to someone doesn't mean I'm going to act on it." TJ's eyes searched mine, lazily rubbing the head of his cock back and forth against my lower lip. "But why not?" "Because we made a commitment." I raked my teeth lightly across the spongy tip and he jumped. "Don't be so literal." He rolled me over, pressing his weight onto me, opening my legs. I acquiesced with a sigh, loving the feel of his hardness rubbing up and down between my slit, but hating his words. "Our commitment is what we say it is..." His lips murmured against the pulse in my throat and I let my fingers brush the fine hairs at the back of his neck, soft as a baby. "I'm not talking about not loving you. I'm talking about sex." His words were supposed to reassure me, but I felt my throat constrict. "So basically, you're saying I'm not enough for you." "No, baby." He rocked, slow and easy—god, he knew how I loved that, opening me, a slow split, a gentle friction, up and up. "You're more than enough..." More reassuring words—but why didn't I feel reassured? His mouth covered mine, the kiss

deep and searching, his tongue slowly drawing me in, drawing me out, teasing me as he rubbed his stiff heat between my thighs. It throbbed there, insistent, making me squirm. "God, you're so sweet..." His words were hot against my ear now, his teeth gently biting and tugging at the lobe. "I never want you to think you're not enough, you're so very much more than enough..." His cock found me with a shift of his hips, seeking entrance, and I gasped as he slid forward until he felt resistance, about halfway there. His breath caught and he gave a low moan that went through me like shiver, and still, he didn't stop talking, telling me... "There's no other woman like you. I want you and I want to share you, baby. I want the whole world to know how good you are, how sweet, how fucking hot..." He pulled back and plunged forward, so deep I clutched his shoulders, digging my nails in. TJ's eyes sought mine, dark and full of hunger. "How fucking mine you are."

Henry's in trouble. He's gone from being a big fish in a little pond in his home town to being a very small fish in a much bigger pond at college, and he's just not keeping up. Instead of passing him through his classes because of his athletic ability like they did in high school, he discovers his professors actually mean it when they say he needs to do the work or he's going to fail his classes—and be kicked off the all-star hockey team. Adjusting to life at university sure isn't as easy or fun as he thought it was going to be—his roommate likes the same girl he does, and it looks like she likes him, too; he's failing English for sure and the dragon-lady who teaches the class seems to have a personal vendetta against him; and his hockey coach has even gone so far as to bench him! When his parents hire him a tutor, he turns to this angel of mercy for help, but little does he realize that Mrs. Toni Franklin is going to complicate his life in ways he never could have

Kitt-----EXCERPT: "Toni," he whispered, nudging her with his knee. "Shhh." Her hand pressed against his thigh, squeezing. "Watch the movie." He tried. He really did. But she didn't move her hand away. Instead she began inching it slowly upward and he held his breath, his eyes half-closed and glazed over. He didn't know how long it took for her to reach his crotch. Half an hour? An hour? It was an agonizingly slow progression, but he didn't dare move. On the screen, Brando and the girl had found a myriad of ways to have sex, only making things worse off-screen. Henry was so turned on he thought he just might come in his pants when he felt her long, red fingernails graze over his erection through his jeans. When he pressed his hips up toward her hand, he heard her swallow, her palm resting now against his zipper. Her face was turned toward the screen, as if the movie and whatever Brando was doing with a stick of butter was the most interesting thing she'd ever seen, but she was exploring the outline of his cock with her fingers in the dark. He wanted to touch her, too, but he didn't want to break the spell they were under, was too afraid she would stop, say no. He let out a soft cry when she rubbed her thumb over the head of his dick through the denim. She shifted in her seat, crossing and uncrossing her legs, and he could hear her breath coming faster, almost as fast as his. He let his knees fall further open, feeling her thigh brush his. Her sweet, bare leg. He glanced down and saw that her skirt was up, far up over her knees, up the long, slim expanse of her thigh. She was too sexy for words. His eyes searched for her hemline, but it just kept going up and up, the folds of her skirt finally tucked into the V of her crotch. It was then that he realized where her other hand was. The thought of her touching herself, right there next to him in the dark, made his cock swell in response. He slowly covered her hand, the one cupping his erection, with his own. She whimpered when he did that and he saw her close her eyes as he rocked up against her, with her. Then she searched for and found his zipper. She inched it down, not even unsnapping his jeans, just sliding her hand into the opening to feel him through his boxers.

The Baumgartners Plus One Letters to the Baumgartners Baumgartner Generations: Janie The Baumgartners Plus One By Selena Kitt When Danielle Stuart meets the Baumgartners, her life doesn't need to get any more complicated. Studying Italian on scholarship at the University of Michigan, Dani is haunted by a horrible tragedy that her husband, Mason, simply can't come to terms with. But when she meets Carrie Baumgartner, and then her handsome husband, Doc, she finds her attraction to the couple irresistible, no matter how complicated things might get. While the two women bond over being childless and yet surrounded by children in the university's married housing complex, it's Doc Baumgartner who really brings them together with a game-changing idea that serves to reshape all of their lives.

WARNING: This title contains erotic situations and graphic language, and makes mention of porn, strippers, high heels, snow angels, wishbones, micro bikinis, white hot sand, Victoria's Secret, birth control, mittens, kitty cats, margaritas and various other alcoholic beverages, plus a plethora of sex including girl on girl, anal sex and a (mff) threesome in true Selena Kitt style. Letters to the Baumgartners By Selena Kitt Danielle Stuart is spending a year abroad studying in Venice, but while she loves the romance of the language and the beauty of country, she finds herself more and more confused by her growing feelings for a gondolier named Nico and her now ex-husband, Mason, who has shown up on her doorstep looking to reconcile. Desperate Dani writes to the Baumgartners in hopes her former lovers might help her clarify her muddled emotions. Finding herself torn between the two men, she reveals her dizzying dilemma, only to discover, thanks to the Baumgartners' insights and her own sense of sexual discovery, that she may not have to choose after all. Baumgartner Generations: Janie By Selena Kitt Janie has moved to New York to try to make it as a writer, all the while serving as part-time lover in a polyamorous relationship with Veronica and TJ and full-time nanny to their daughter, Beth. Janie's life is already incredibly full when she runs into an agent one morning who sees great potential in her—and not just as an author. As Janie's relationship with Josh blooms and her career takes off, Ronnie's happy surprise turns into a problem that even a vacation in a mountain cabin with the Baumgartners can't fix, throwing everyone's life off-kilter. Janie, especially, is spread thin, trying to please everyone while keeping Josh from finding out the true nature of her relationship with her benefactors. She knows she has to tell him eventually, but fear holds her back. Will she lose him? Will she be forced to make an impossible choice? Or will she, perhaps, find that the capacity for the human heart to love is, indeed, endless? Warnings: This title contains erotic situations, graphic language, a ménage a trois (MFF threesome), lesbian sex and a hookup turned romance that will curl your toes!

The whole Baumgartner clan has now welcomed Doc and Carrie's latest romantic interest, Jody, a changeable, charming Southern belle whose colloquialisms keep everyone delightfully amused. While Carrie's love for Jody goes way back, now Doc has fully embraced her, too—in so many ways. In fact, on the eve of the Baumgartners' anniversary, Doc has a wonderful surprise for both of his girls...

Neuromuscular Junctions in Drosophila gathers the main contributions that research using the fruit fly *Drosophila melanogaster* has made in the area of synapse development, synapse physiology, and excitability of muscles and nerve cells. The chapters in this book represent a synthesis of major advances in our understanding of neuronal development and synaptic physiology, which have been obtained using the above approach. This book is directed to the general neuroscience audience: researchers, instructors, graduate students, and advanced undergraduates who are interested in the mechanisms of synapse development and physiology. However, the book will also be a valuable resource for those that use the fruit fly as a model system in their laboratories. Key Features * Synthesizes the genetic approaches used to study synaptic development and function at the neuromuscular junction, using flies as a model system * Covers major recent advances in muscle development, pathfinding, synapse maturation and plasticity, exo- and endocytosis, and ion channel function * Written in clear language that is easily understandable to readers not already familiar with fruit fly research * Includes numerous diagrams and extensive reference lists
