Ten-year-old Manami did not realize how peaceful her family's life on Bainbridge Island was until the day it all changed. It's 1942, after the attack on Pearl Harbor, and Manami and her family are Japanese American, which means that the government says they must leave their home by the sea and join other Japanese Americans at a prison camp in the desert. Manami is sad to go, but even worse is that they are going to have to give her and her grandfather's dog, Yujiin, to a neighbor to take care of. Manami decides to sneak Yujiin under her coat and gets as far as the mainland before she is caught and forced to abandon Yujiin. She and her grandfather are devastated, but Manami clings to the hope that somehow Yujiin will find his way to the camp and make her family whole again. It isn't until she finds a way to let go of her guilt that Manami can reclaim the piece of herself that she left behind and accept all that has happened to her family.

Nate Harlow would love to be lucky, just once! He'd like to win a prize, get picked first, call a coin toss right, even! But his best friend, Genesis Beam (aka Gen), believes in science and logic, and she doesn't think for one second that there's

such a thing as luck, good or bad. She doesn't care what names the other kids call them. She cares about being right, about saving the turtles of Paradise Beach, and she cares about Nate. Then, on his birthday, at the Goofy Golf mini-golf course, Nate is struck by lightning -- and survives! Suddenly baseballs are drawn to his bat-popular kids want HIM on their side. It seems the whole town of Paradise Beach thinks Nate has the magic touch. But is there room for Gen in Nate's lucky new world? Lucky Strike tells the unforgettable story of two vulnerable outsiders and what luck is really all about.

The only thing you'll find on the summit of Mount Everest is a divine view. The things that really matter lie far below. – Peak Marcello After fourteen-year-old Peak Marcello is arrested for scaling a New York City skyscraper, he's left with two choices: wither away in Juvenile Detention or go live with his long-lost father, who runs a climbing company in Thailand. But Peak quickly learns that his father's renewed interest in him has strings attached. Big strings. As owner of Peak Expeditions, he wants his son to be the youngest person to reach the Everest summit--and his motives are selfish at best. Even so, for a climbing addict like Peak, tackling Everest is the challenge of a lifetime. But it's also one that could cost him his life. Roland Smith has created an action-packed adventure about friendship, sacrifice, family, and the drive to take on Everest, despite the incredible risk. The story of Peak's dangerous ascent—told in his own words—is suspenseful, immediate, and impossible to put down.

A tour de force from acclaimed author Alan Gratz (Prisoner B-3087), this timely -- and timeless -- novel tells the powerful story of three different children seeking refuge.

During World War II a community called Manzanar was hastily created in the high mountain desert country of California, east of the Sierras. Its purpose was to house thousands of Japanese American internees. One of the first families to arrive was the Wakatsukis, who were ordered to leave their fishing business in Long Beach and take with them only the belongings they could carry. For Jeanne Wakatsuki, a seven-year-old child, Manzanar became a way of life in which she struggled and adapted, observed and grew. For her father it was essentially the end of his life. At age thirty-seven, Jeanne Wakatsuki Houston recalls life at Manzanar through the eyes of the child she was. She tells of her fear, confusion, and bewilderment as well as the dignity and great resourcefulness of people in oppressive and demeaning circumstances. Written with her husband, Jeanne delivers a powerful first-person account that reveals her search for the meaning of Manzanar. Farewell to Manzanar has become a staple of curriculum in schools and on campuses across the country. Last year the San Francisco Chronicle named it one of the twentieth century's 100 best nonfiction books from west of the Rockies. First published in 1973, this new edition of the classic memoir of a devastating Japanese American experience includes an inspiring afterword by the authors.

Jack leans back on Grandfather's shoulder. Aunt Mattie's knitting needles click in the dark. The moon rises. The candle flickers in the gentle prairie wind. I close my eyes to keep everything there. Could anything be more perfect than a prairie wedding? Cassie

Witting doesn't think so, for her sister Anna's wedding brings two lovebirds together, aunts from faraway Maine, a long white dress with a wedding veil, dancing under a clear blue sky, and a world that smells of roses. As the Witting family comes together for this most special day, Cassie sees that life brings the change of seasons, brother Jack on Grandfather's lap, joy, sorrow, and a special dance only Grandfather does. Considered as one of the greatest short stories in the Western Canon, James Joyce's complex narrative "The Dead", explores the intricate issues of identity and power through the lens of language, patriarchy, and imperialism. These issues are directly tied to the longstanding political turmoil of his native Ireland and the social questions of his day. Joyce's story reveals that we often achieve what we tried to avoid by pretending to be what we are not. At 15,672 words The Dead is often considered a novella and the best of Joyce's shorter works. James Joyce (1882–1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for *Ulysses* (1922), a landmark work in which the episodes of Homer's *Odyssey* are paralleled in an array of contrasting literary styles, perhaps most prominent among these the stream of consciousness technique he perfected. Other major works are the short-story collection *Dubliners* (1914), and the novels *A Portrait of the Artist as a Young Man* (1916) and *Finnegans Wake* (1939). His complete oeuvre also includes three books of poetry, a play, occasional journalism, and his published letters.

"A searing and emotionally gripping account of a young black girl growing up to become a strong black woman during the most difficult time of racial segregation."—Professor Charles Ogletree, Harvard Law School "Provides important context for an important moment in America's history."—Associated Press When fourteen-year-old Carlotta Walls walked up the stairs of Little Rock Central High School on September 25, 1957, she and eight other black students only wanted to make it to class. But the journey of the "Little Rock Nine," as they came to be known, would lead the nation on an even longer and much more turbulent path, one that would challenge prevailing attitudes, break down barriers, and forever change the landscape of America. For Carlotta and the eight other children, simply getting through the door of this admired academic institution involved angry mobs, racist elected officials, and intervention by President Dwight D. Eisenhower, who was forced to send in the 101st Airborne to escort the Nine into the building. But entry was simply the first of many trials. Breaking her silence at last and sharing her story for the first time, Carlotta Walls has written an engrossing memoir that is a testament not only to the power of a single person to make a difference but also to the sacrifices made by families and communities that found themselves a part of history.

Hugo is a young Sasquatch who longs for adventure. Boone is young boy who longs to see a Sasquatch. When their worlds collide, they become the unlikely pair of best friends. At the Academy for Curious Squidges, Hugo learns all

manner of Sneaking—after all, the most important part of being a Sasquatch is staying hidden from humans. But Hugo dreams of roaming free in the Big Wide World rather than staying cooped up in caves. When he has an unexpected run-in with a young human boy, Hugo seizes the opportunity for a grand adventure. Soon, the two team up to search high and low for mythical beasts, like Ogotogos and Snoot-Nosed Gints. Through discovering these new creatures, together, Big Foot and Little Foot explore the ins and outs of each other's very different worlds but learn that, deep down, maybe they're not so different after all.

Snowgums is a ripping yarn. The story of a boy's relationship with his grandfather. It follows his journey through the teenage years, as well as that of his grandfather's life told through his journals and letters. As the boy learns about life, love and relationships, his old grandfather's health deteriorates. Snowgums is a celebration of his grandfather's life and the way he chose to both live and end it. It confronts questions that nearly all teenagers ask and situations of loss that many teenagers will experience.

Ultima, a curandera, one who cures with herbs and magic, comes to Antonio Marez's New Mexico family when he is six years old, and she helps him discover himself in the magical secrets of the pagan past.

In the unusual world of Green Town, Illinois, a twelve-year-old discovers the wonders of reality and the power of imagination during the summer of 1928. Written in the style of a memoir, *My Ántonia* chronicles Jim Burden's friendship with the daughter of a Czech immigrant family. Recently orphaned, he moves west to Nebraska to live with his grandparents. Riding the same train is the Shimerda family, who are also on their way to settle in the area. The Shimerdas have a difficult life as pioneers: living in a sod house, working the fields, and running out of food in the winter. Jim soon becomes smitten with Ántonia, the eldest daughter, as they grow up and explore the landscape around them together. Through his eyes, we see both how she shapes the land around her and is shaped by the rigors of poverty. Similarly to Jim, Willa Cather spent her early years in Nebraska but most of her adult life in Eastern cities. She pays homage to her homeland with her Prairie Trilogy of novels: *O Pioneers!*, *The Song of the Lark*, and *My Ántonia*. They are tinged with her characteristic straightforward language, reverence for nature, and nostalgia, even as she acknowledges the hardships of the past. Published in 1918 to great enthusiasm, *My Ántonia* is considered one of Cather's finest works and a defining point in her identity as a writer. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Gogol is named after his father's favourite author. But growing up in an Indian family in suburban America, the boy starts to hate his name and itches to cast it off, along with the inherited values it represents. Gogol sets off on his own path only to discover that the search for identity depends on much more than a name. they are going to have when the soldiers arrive to liberate the camp.

Dionysos, the God of wine and theatre has returned to his native land to take revenge on the puritanical Pentheus who refuses to recognise him of his rites. Remorselessly, savagely and with black humour, the God drives Pentheus and all the city to their shocking fate. This version was specially commissioned by the National Theatre for a production in May 2002, directed by Sir Peter Hall and scored by Sir Harrison Birtwhistle.

The Pulitzer Prize–winning, New York Times–bestselling novel about a peasant farmer and his family in early twentieth-century China. The Good Earth is Buck's classic story of Wang Lung, a Chinese peasant farmer, and his wife, O-lan, a former slave. With luck and hard work, the couple's fortunes improve over the years: They are blessed with sons, and save steadily until one day they can afford to buy property in the House of Wang—the very house in which O-lan used to work. But success brings with it a new set of problems. Wang soon finds himself the target of jealousy, and as good harvests come and go, so does the social order. Will Wang's family cherish the estate after he's gone? And can his material success, the bedrock of his life, guarantee anything about his soul? Winner of the Pulitzer Prize and the William Dean Howells Award, The Good Earth was an Oprah's Book Club choice in 2004. A readers' favorite for generations, this powerful and beautifully written fable resonates with universal themes of hope and family unity. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

Winner of the Pulitzer Prize for Drama and winner of the New York Drama Critics Circle Award for Best Play, this modern American classic is about family, and the legacy of slavery in America. August Wilson has already given the American theater such spell-binding plays about the black experience in 20th-century America as Ma Rainey's Black Bottom, Joe Turner's Come and Gone, and the Pulitzer Prize-winning Fences. In his second Pulitzer Prize-winner, The Piano Lesson, Wilson has fashioned perhaps his most haunting and dramatic work. At the

heart of the play stands the ornately carved upright piano which, as the Charles family's prized, hard-won possession, has been gathering dust in the parlor of Berniece Charles's Pittsburgh home. When Boy Willie, Berniece's exuberant brother, bursts into her life with his dream of buying the same Mississippi land that his family had worked as slaves, he plans to sell their antique piano for the hard cash he needs to stake his future. But Berniece refuses to sell, clinging to the piano as a reminder of the history that is their family legacy. This dilemma is the real "piano lesson," reminding us that blacks are often deprived both of the symbols of their past and of opportunity in the present.

From "one of the nation's foremost Chicano literary artists" comes a coming-of-age classic and the bestselling Chicano novel of all time that follows a young boy as he questions his faith and beliefs -- now one of PBS's "100 Great American Reads" (Denver Post). Antonio Marez is six years old when Ultima comes to stay with his family in New Mexico. She is a curandera, one who cures with herbs and magic. Under her wise wing, Tony will probe the family ties that bind and rend him, and he will discover himself in the magical secrets of the pagan past--a mythic legacy as palpable as the Catholicism of Latin America. And at each life turn there is Ultima, who delivered Tony into the world... and will nurture the birth of his soul.

As a botanist, Robin Wall Kimmerer has been trained to ask questions of nature with the tools of science. As a member of the Citizen Potawatomi Nation, she embraces the notion that plants and animals are our oldest teachers. In *Braiding Sweetgrass*, Kimmerer brings these two lenses of knowledge together to take us on "a journey that is every bit as mythic as it is scientific, as sacred as it is historical, as clever as it is wise" (Elizabeth Gilbert). Drawing on her life as an indigenous scientist, and as a woman, Kimmerer shows how other living beings—asters and goldenrod, strawberries and squash, salamanders, algae, and sweetgrass—offer us gifts and lessons, even if we've forgotten how to hear their voices. In reflections that range from the creation of Turtle Island to the forces that threaten its flourishing today, she circles toward a central argument: that the awakening of ecological consciousness requires the acknowledgment and celebration of our reciprocal relationship with the rest of the living world. For only when we can hear the languages of other beings will we be capable of understanding the generosity of the earth, and learn to give our own gifts in return.

Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama.

Traces the author's experiences as an illegal child immigrant, describing her father's violent alcoholism, her efforts to obtain a higher education, and the inspiration of Latina authors.

Dubliners is a book of an Irish writer James Augustine Aloysius Joyce. This is a collection of stories, written in a slightly impressionistic way, in which a life of citizens of the Ireland's capital city, so-called "middle-level gentlemen", is described. It is the top of an Irish realistic literature of the beginning of the

twentieth century. Joyce made it his aim to “write a chapter of a spiritual history of his nation.”

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.
