

A Childs Garden Of Verses

In winter I get up at night
And dress by yellow candle-light.
In summer, quite the other way, I have to go to bed by day.
I have to go to bed and see
The birds still hopping on the tree,
Or hear the grown-up people's feet
Still going past me in the street.
And does it not seem hard to you,
When all the sky is clear and blue,
And I should like so much to play,
To have to go to bed by day?
It is very nice to think
The world is full of meat and drink,
With little children saying grace
In every Christian kind of rhyme.

No volume of children's poetry has left such an indelible mark on so many generations of devoted readers as this Robert Louis Stevenson classic. First published in 1885, Stevenson's sentimental tribute to the joys of childhood has stood the test of time -- it has never been out of print. And so thorough was his understanding of the child psyche and that special place all children create -- a world of imagination filled with castles and kings, clipper ships, pirates, and faraway places -- that grown ups have also adopted it as a favorite reminder of the imaginary world in which they too once lived.

In 1968, with Franco still in power, 21-year-old Ana M. Briongos left her native city of Barcelona for the first time and went to Afghanistan. Staying first in Kandahar, then in Kabul, it was not long before she fell in love with this fascinating country. Between 1968 and 1977, she would return there many times. In her quest for self-discovery, she encountered a cast of characters worthy of a novel, from street vendors in the bazaar to members of the country's ruling class and relatives of the Afghan royal family. Ana M. Briongos was also very privileged to be given a rare and intriguing glimpse behind the veil into the hidden world of Afghan women. "Winter in Kandahar" offers a personal recollection of an Afghanistan that no longer exists: that of the final years of a forty-year-old monarchy on the verge of collapse. The book provides an insight into Afghanistan's complex system of clans and tribes, as well as a compelling account of the country's troubled history. The friendships Ana Briongos cemented during those years are still very much alive; this book represents a tribute to the survival of friendship through adversity against a backdrop of adventure and intrigue.

For the long nights you lay awake
And watched for my unworthy sake:
For your most comfortable hand
That led me through the uneven land:
For all the story-books you read:
For all the pains you comforted:
For all you pitied, all you bore,
In sad and happy days of yore:
- My second Mother, my first Wife,
The angel of my infant life-
From the sick child, now well and old,
Take, nurse, the little book you hold!
And grant it, Heaven, that all who read
May find as dear a nurse at need,
And every child who lists my rhyme,
In the bright, fireside, nursery clime,
May hear it in as kind a voice
As made my childish days rejoice

imagination.

Kidnapped is a historical fiction adventure novel by Scottish author Robert Louis Stevenson, written as a "boys' novel" and first published in the magazine Young Folks from May to July 1886. The novel is set around 18th-century Scottish events, notably the "Appin Murder", which occurred near Ballachulish in 1752 in the aftermath of the Jacobite rising of 1745. Many of the characters were real people, including one of the principals, Alan Breck Stewart. The political situation of the time is portrayed from different viewpoints, and the Scottish Highlanders are treated sympathetically.
