Feyre has returned to the Spring Court, determined to gather information on Tamlin's maneuverings and the invading king threatening to bring Prythian to its knees. But to do so she must play a deadly game of deceit—and one slip may spell doom not only for Feyre, but for her world as well. As war bears down upon them all, Feyre must decide who to trust amongst the dazzling and lethal High Lords—and hunt for allies in unexpected places. In this thrilling third book in the #1 New York Times and USA Today bestselling series from Sarah J. Maas, the earth will be painted red as mighty armies grapple for power over the one thing that could destroy them all.

The sexy, action-packed first book in the #1 New York Times bestselling Court of Thorns and Roses series from Sarah J. Maas. When nineteen-year-old huntress Feyre kills a wolf in the woods, a terrifying creature arrives to demand retribution. Dragged to a treacherous magical land she knows about only from legends, Feyre discovers that her captor is not truly a beast, but one of the lethal, immortal faeries who once ruled her world. At least, he's not a beast all the time. As she adapts to her new home, her feelings for the faerie, Tamlin, transform from icy hostility into a fiery passion that burns through every lie she's been told about the beautiful, dangerous world of the Fae. But something is not right in the faerie lands. An ancient, wicked shadow is growing, and Feyre must find a way to stop it, or doom Tamlin-and his world-forever. From

bestselling author Sarah J. Maas comes a seductive, breathtaking book that blends romance, adventure, and faerie lore into an unforgettable read.

Fantasy author Patricia A. McKillip, the 21st century's response to Hans Christian Andersen, has mastered the art of writing fairy tales -- as evidenced by previous works like *The Tower at Stony Wood*, *Ombria in Shadow*, and *In the Forests of Serre*.

Alphabet of Thorn is yet another timeless fable suitable for children and adults alike. In the kingdom of Raine, a vast realm at the edge of the world, an orphaned baby girl is found by a palace librarian and raised to become a translator. Years later, the girl -- named Nepenthe -- comes in contact with a mysterious book written in a language of thorns that no one, not even the wizards at Raine's famous Floating School for mages, can decipher. The book calls out to Nepenthe's very soul, and she is soon privately translating its contents. As she works tirelessly transcribing the book -- which turns out to be about the historical figures of Axis, the Emperor of Night, and Kane, his masked sorcerer -- the kingdom of Raine is teetering on the brink of chaos. The newly crowned queen, a mousy 14-year old girl named Tessera who wants nothing to do with matters of state, hides in the woods as regents plot revolution. The queen's destiny, however, is intertwined with Nepenthe's ability to unravel the mystery of the thorns.

They came from the sea... For as long as she could remember, Mari Prothero had seen things—tiny manlike creatures that were mischievous and wore only seaweed, and beings that seemed to be made of water. Mari had grown up in a tiny Welsh fishing

village where she lived alone with her father, Daffyd, a master fisherman—her mother and brother having drowned when she was a child. On the morning of her eighteenth birthday, her father finally told her the great secret of the Prothero family. Her family had an ancient covenant with magical shape-shifters, the Selch. Her lost mother and brother were not truly dead, but neither were they human. Now Mari must abide by her family's magical compact or face dire consequences. But Mari is not without protectors. The tiny creatures she had seen her whole life counseled her to bargain with the Selch. While in faraway London, the head of the Elemental Masters had dispatched some very unique champions to come to Mari's aid....

Before GPS, before the compass, and even before cartography, humankind was navigating. Now this singular guide helps us rediscover what our ancestors long understood—that a windswept tree, the depth of a puddle, or a trill of birdsong can help us find our way, if we know what to look and listen for. Adventurer and navigation expert Tristan Gooley unlocks the directional clues hidden in the sun, moon, stars, clouds, weather patterns, lengthening shadows, changing tides, plant growth, and the habits of wildlife. Rich with navigational anecdotes collected across ages, continents, and cultures, *The Natural Navigator* will help keep you on course and open your eyes to the wonders, large and small, of the natural world.

Think Game of Thrones meets Buffy the Vampire Slayer with a drizzle of E.L. James - Telegraph Perfect for fans of Jessica Jones and True Blood, this is a blockbuster modern fantasy set in a divided world where one woman must uncover the truth to seek her revenge. Half-Fae, half-human Bryce Quinlan loves her life. Every night is a party and Bryce is going to savour all the pleasures Lunathion – also known as Crescent City – has to offer. But then a brutal murder shakes the very foundations of the city, and brings Bryce's world crashing down. Two years later, Bryce still haunts the city's most notorious nightclubs – but seeking only oblivion now. Then the murderer attacks again. And when an infamous Fallen angel, Hunt Athalar, is assigned to watch her every footstep, Bryce knows she can't forget any longer. As Bryce and Hunt fight to unravel the mystery, and their own dark pasts, the threads they tug ripple through the underbelly of the city, across warring continents, and down to the deepest levels of Hel, where things that have been sleeping for millennia are beginning to stir ... With unforgettable characters and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the

heartache of loss, the price of freedom – and the power of love.

A tender addition to the #1 New York Times bestselling Court of Thorns and Roses series by Sarah J. Maas, bridging the events of A Court of Wings and Ruin and upcoming books. Feyre, Rhysand, and their friends are still busy rebuilding the Night Court and the vastly altered world beyond, recovering from the war that changed everything. But Winter Solstice is finally approaching, and with it, the joy of a hard-earned reprieve. Yet even the festive atmosphere can't keep the shadows of the past from looming. As Feyre navigates her first Winter Solstice as High Lady, her concern for those dearest to her deepens. They have more wounds than she anticipated—scars that will have a far-reaching impact on the future of their court. Bridging the events of A Court of Wings and Ruin with the later books in the series, A Court of Frost and Starlight explores the far-reaching effects of a devastating war and the fierce love between friends. The stakes are higher. The witches are deadlier. And the romance is red-hot. The eagerly anticipated sequel to the New York Times and Indiebound bestseller *Serpent & Dove* is perfect for fans of Sarah J. Maas and is an instant New York Times bestseller! Lou, Reid, Coco, and Ansel are on the run from coven, kingdom, and church—fugitives with nowhere to hide. To survive, they need allies. Strong ones. But as Lou becomes increasingly desperate to save those she

loves, she turns to a darker side of magic that may cost Reid the one thing he can't bear to lose. Bound to her always, his vows were clear: where Lou goes, he will go; and where she stays, he will stay. Until death do they part. Don't miss *Gods & Monsters*, the spellbinding conclusion of this epic trilogy, coming July 2021!

Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against

the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny

and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for From Blood and Ash: "Dreamy, twisty, steamy escapism. Sixteen-year-old Nate is a GEM—a Genetically Engineered Medi-tissue—created by Gathos City scientists as a cure for the elite from the fatal lung rot ravaging the population. As a child, Nate was smuggled out of the laboratory where he was held captive and taken into the Withers—a quarantined, lawless region. He manages to survive by becoming a Tinkerer, fixing broken tech in exchange for food or a safe place to sleep. When he meets Reed, a kind and fiercely protective boy who makes his heart race, and his misfit gang of scavengers, Nate finds the family he's always longed for—even if he can't risk telling them what he is. But Gathos created a genetic fail-safe in their GEMs—a flaw in their DNA that causes their health to rapidly deteriorate as they age unless they are regularly dosed with medication controlled by Gathos City. When violence erupts across the Withers, Nate's illegal supply of medicine is cut off, and a vicious attack on Reed threatens to expose his secret. With time running out, Nate is left with only two

options: work for a shadowy terrorist organization that has the means to keep him alive, or stay—and die—with the boy he loves.

In this latest installment of The New York Times bestselling series that began with *The Beautiful*, Pippa journeys to the treacherous and beguiling world of the fey in search of answers only to fall in love. Following the explosive events of *The Damned*, Odette faces a vampire's final death. The Court of the Lions have done everything they can to save her but have failed. A healer from the Sylvan Vale could help her, but only Arjun Desai, as a half fey, can cross the boundary between realms. The Sylvan Vale is a world Arjun despises, and in return, it despises him. But knowing it could save Odette, he returns to the Vale with all haste, leaving the mirrored tare between the two worlds open and unwittingly setting the stage for both love and war. It's mere days until Pippa Montrose is to wed Phoebus Devereux and become a member of his well-heeled family, offering salvation to her own. But Celine is missing. Pippa has no idea where her best friend has gone, but she's certain it's in the company of vampire Sébastien Saint Germain and that Arjun can lead her to them. Pippa enjoins the help of Eloise, the daughter of a powerful sorceress, to discover the gateway Arjun uses to travel between worlds. Pippa, tired of hesitating in life, marches right through in search of her friend. But what she discovers on the other side is a dangerous,

duplicitous world full of mischief and magic she doesn't understand, and most unexpectedly, she finds love. "In this intimate debut novel, a woman returns to her small Southern hometown in the wake of her mother's sudden death--only to find the past upended by stunning family secrets. Lila Bruce Breedlove never quite felt at home in Wesleyan, Georgia, especially after her father's untimely death when she was a child. Both she and her brother, Henry, fled north after high school, establishing fulfilling lives and relationships of their own, steeped in art and culture. In contrast, their younger sister, Abigail, opted to remain in Georgia to dote on their domineering, larger-than-life mother, Geneva. Yet, despite their years-long independence, Lila and Henry both know they've never quite reckoned with their upbringing. Now, when their elderly mother dies suddenly and strangely in the muscadine arbor behind the family estate, they must travel back to the town that raised them. But as Lila and Henry uncover more about Geneva's death, shocking truths are revealed that upend the Bruces' history as they know it, sending the pair on an extraordinary journey to chase a truth that will dramatically alter the course of their lives. With deep compassion and sharp wit, Pamela Terry brings to life the culture and expectations of a small Southern town that values appearance over authenticity--and where the struggle to live honestly can lead to devastating consequences"--

Brilliant scientist Rose Franklin has devoted her adult life to solving the mystery she accidentally stumbled upon as a child: a huge metal hand buried beneath the ground outside Deadwood, South Dakota. The discovery set in motion a cataclysmic chain of events with geopolitical ramifications. Rose and the Earth Defense Corps raced to master the enigmatic technology, as giant robots suddenly descended on Earth’s most populous cities, killing one hundred million people in the process. Though Rose and her team were able to fend off the attack, their victory was short-lived. The mysterious invaders retreated, disappearing from the shattered planet . . . but they took the scientist and her crew with them. Now, after nearly ten years on another world, Rose returns to find a devastating new war—this time between humans. America and Russia are locked in combat, fighting to fill the power vacuum left behind after the invasion. Families are torn apart, friends become bitter enemies, and countries collapse in the wake of the battling superpowers. It appears the aliens left behind their titanic death machines so humankind will obliterate itself. Rose is determined to find a solution, whatever it takes. But will she become a pawn in a doomsday game no one can win? Praise for *Only Human* “Packing a surprisingly powerful thematic punch, this novel is an addictive blend of science fiction, apocalyptic thriller, and chillingly timely cautionary tale. Two (giant, robotic) thumbs up!”—Kirkus Reviews “Boasting a winning combination of briskly

paced action and futuristic dystopia tempered by cautious optimism, Only Human brings a fitting, satisfying end to the Themis Files series.”—RT Book Reviews “This action-packed tale with apocalyptic stakes is a fitting finale to this wonderfully cinematic series.”—Publishers Weekly “Series fans will be eager for Neuvel’s ever-so-satisfying conclusion to his rip-roaring science-fiction adventure tale.”—Booklist Don’t miss any of The Themis Files by Sylvain Neuvel: SLEEPING GIANTS | WAKING GODS | ONLY HUMAN

“This fantasy quest delivers . . . Give to fans of Kristin Cashore’s Graceling trilogy and E.K. Johnston’s A Thousand Nights.”—School Library Journal The sequel to Ever the Hunted, which Sarah J. Maas, New York Times bestselling author of the Court of Thorns and Roses series called “absolutely marvelous.” After saving King Aodren with her newfound Channeler powers, Britta only wants to live a peaceful life in her childhood home. Unfortunately, saving the King has created a tether between them she cannot sever, no matter how much she’d like to, and now he’s insisting on making her a noble lady. And there are those who want to use Britta’s power for evil designs. If Britta cannot find a way to harness her new magical ability, her life—as well as her country—may be lost. The stakes are higher than ever in the sequel to Ever the Hunted, as Britta struggles to protect her kingdom and her heart. “This will appeal to audiences who enjoy fantasy, themes of good versus evil, and romantic conflicts.”—VOYA “Those thrilled by the simmering (yet fairly chaste) romance between Britta and Cohen will be immensely satisfied by the cliff hanger–free ending.”—Booklist

Zelie Adebola remembers when the soil of Or sha hummed with magic. Burners ignited flames, Tiders beckoned waves, and Zelie s Reaper mother summoned forth souls. But everything changed the night magic disappeared. Under the orders of a ruthless king, maji were killed,
