Michal's Destiny Roberta Kagan, 2024-09-26

A Family Shattered Roberta Kagan, 2017-03-16 A Family Shattered is book two in the Michal's Destiny series. Taavi Margolis is arrested on Kristallnacht when he races out of his apartment to protect his daughter's fiancée, Benny, who is being attacked and killed by a gang of Nazi thugs as they pillage and destroy the streets of a little Jewish neighborhood in Berlin. Taavi's wife, Michal and their two daughters stare in horror through the window as Benny is savagely murdered. Then, they watch helplessly as the gang turns their attention to Taavi. They beat him with clubs until he is on his knees and bleeding on the pavement. When the police arrive, instead of arresting the perpetrators, they force Taavi into the back of a black automobile and take him away. Michal pulls her daughters close to her. No one speaks but all three of them have the same unspoken questions. Will they ever see their beloved husband and Papa again? They realize, after tonight, the Anti-Semitism that is growing like a cancer all around them can no longer be ignored. Their future is uncertain. What will become of this family, what will become of the Jews? This is the story of the struggle of one Jewish family, to survive against the unfathomable threat of the Third Reich.

Shattered Jennifer Armstrong,2007-12-18 As bullets ring and bombs are dropped, children watch—mostly from the sidelines, but occasionally in the direct line of fire. Unaware of the political issues or power struggles behind the battle, all they know are the human, emotional consequences of this thing called war. This collection examines all of war's implications for young people—from those caught in the line of fire to the children of the veterans of wars long past. Critically acclaimed author Jennifer Armstrong brings together 12 powerful voices in young people's literature to explore the realities of war from a child's perspective. The settings vary widely—the Soviet invasion of Afghanistan, an attempted coup in Venezuela, the American Civil War, crisis in the Middle East—but the effects are largely the same. In war, no life is ever left untouched. In war, lives are shattered.

Now, at seventeen years old, she's clueless that her new adoptive family has known her for centuries, that they are perpetually reincarnated souls, and that they have supernatural abilities. Oh, and she's supposed to love (not despise) Nathan, the green-eyed daredevil who saved her life. Nathan is convinced his family's plan to spark Maryah's memory is hopeless, but his love for her is undying. After spending (and remembering) so many lifetimes together, being around an empty version of his soulmate is heart shattering. He hates acting like a stalker, but has no choice because the evil outcast who murdered Maryah in their last lifetime is still after her. While Maryah's hunter inches closer, she and Nathan make assumptions and hide secrets that rip them further apart.
