Travis Maurice Walker or otherwise known as Travis Grizzly is an American ex-Green Beret sniper who fought in the Afghanistan war. The six-foot-five, three-hundred-pound soldier was trained exceptionally well in hand-to-hand combat. In all his years he has never experienced defeat, even in the most extreme circumstances. In short, Travis Walker was born to be the perfect soldier-the perfect killing machine. On his final tour to Afghanistan, a week before coming home, Travis was struck in the head by an enemy's sniper bullet; it left him clinging to life. By miracle he survived, but would never be the same. Afterwards he moved to Lake City, Colorado along with his beautiful wife to not only continue the healing process, but to start a new life. With less than four hundred living souls in this historically rich city, it made for a perfect secluded area to keep a man that was programmed to kill safely within his isolated cage. No one knew they had a walking time bomb living next door until the day the cage was left open. A record-breaking winter storm takes the city hostage, isolating the residents from the rest of the world in a blizzard-like prison. A perfect mixture of adultery, mistrust, and murder will unleash a terrible evil upon the city, hell-bent on wiping out an entire family, along with anyone who dares get in the way. But another force, a seemingly darker one, will simply be hell-bent.

She was the antithesis of the type of woman he usually took to his bed but he found himself wanting her more than any woman before her. And, as his employee, she was the one woman he couldn't have. His company, friendships, and reputation were at stake. He couldn't cross that line again. He'd been reckless in the past and it had nearly cost him his company - and his life. But it's not so easy to walk away when, in the fires of his personal hell, he may have stumbled headlong into his salvation. ***Due to coarse language and graphic sexual situations, this book is not intended for individuals under the age of 18.***

I lived in a world of darkness, never to see the light again. It's been eleven years since my father cursed Crystal City, since he condemned me to a life of loneliness and misery. By taking away everything that my mother loved, he took everything that I knew and cared for. Everything, but the throne. Only what good was being a queen in a city of mindless killers? A city that would never see the sunlight until the day of my death. I truly had nothing to live for...
...Or so I thought. The night that Wolfe was dragged into my palace, I knew that my life would never be the same. We were childhood friends once, but we went our separate ways. He became captain of the pirates, and I ascended to the diamond throne. My once sworn protector had become my enemy, but we were both alone, and the connection we felt was almost

unbearable to ignore. My heart only cracked after my father abandoned me, but Wolfe would completely shatter it. For someone that hasn't felt anything for years, that wasn't such a bad thing.

Life is the Darkness is a book of short stories, and a few pieces of poetry. I break the fourth wall, and all but a few are macabre, some are humorous and all are pieces of realism/surrealism. Some content can be confronting. It ranges from the innocuous, through to the inevitability of a barren earth, should humans continue to abuse her. There are so many things available to us, other than the manufacturing materials we currently use, to save our planet, while we still maintain a continued enjoyment, doing the things, we have become accustomed to. I'd like to leave my grandchildren a better world than the one we're leaving for our children today.

Then, one fateful day, he found himself on the bitter end of a curse, and he offered me in exchange for his freedom. I thought my life was over, but I was wrong. While trapped within the curse creator's ancient castle, phantoms begin speaking to me. They caress me with invisible hands, and proclaim I'm theirs. One is cold and possessive, another curious and calculating, and the third... well, he might be damaged beyond repair-just like me. At night, however, when the phantoms leave, terrifying beasts emerge. Their snarls and roars awaken something dark within me, and their pull is impossible to resist. I'm changing, becoming something greater than I ever thought I could be. When the past comes back to haunt me, and my future is compromised, I find myself facing an old enemy. This time, though, I won't submit. a member of a despised race - Mujar. Truemen scorn the shape-shifting unmen for their odd, humble ways, and envy their power over the elements. Talsy does not believe the Mujar deserves such a fate, so she frees him and begs him to take her with him on his journey. He agrees, and they set off across Shamarese, continuing his quest to find an old hermit's lost son. Boring, but completely gorgeous. That was my first impression of him. My next two thoughts were 'pompous ass' and 'cocky jerk.' And, I had the glorious pleasure of sharing a table with him for the entire night. He didn't speak, didn't grunt....he just nodded and stared. If I weren't taking my bosses place at this dinner, I'd have found another place to sit and escape Rylan Daniels. 'Absolutely beautiful' was what I thought when I found her at my table at the Ad Execs quarterly dinner. She wore a black strapless dress and exuded confidence from every part of her. I nodded to her, but didn't speak. I really didn't have much to say anyway. I couldn't quit staring and had to excuse myself at one point to stand across the room and watch her. It was a

strange, unwelcome feeling I was having about this stunning woman. It had been five years....five years since Kristen.....and I still couldn't move on. That kind of hurt you just don't get over so easily and I wasn't even sure that I wanted to get over it. But, here I was, completely intrigued and unable to stop thinking about Jen Bailey.
