

A French Kiss With Death Feplus

Kiss by heated kiss in the City of Light and Love...When event planner Chloe Turner wakes up penniless and without a passport in the Hôtel Plaza Athénée in Paris, she only has a few fleeting memories of Claude, the suave French man who convinced her to have that extra glass of wine . . . before taking all of her possessions and slipping out the door. As the overly organized go-to gal for her drama-queen younger sisters, her anxiety-ridden father, and her needy clients, Chloe is normally prepared for every disaster that comes her way. But with her wedding to her strait-laced lawyer fiancé back in DC only days away and a French con man on the loose with her engagement ring, this is one catastrophe she never could have planned for. As Chloe tries to figure out a way home, she runs into an even bigger problem: the police are after her due to suspicious activity now tied to her bank account. Chloe's only hope of retrieving her passport and clearing her name lies in the hands of Julien, a rugged undercover agent who has secrets of his own. As Chloe follows this mysterious and — although she doesn't want to admit it — sexy French man on a wild chase through the sun-kissed countryside of France, she discovers a magical world she never knew existed. And she can't help but wonder if the perfectly ordered life she's built for herself back home is really what she wants after all...

In this debut mystery set in Santa Barbara, movie stars are in town for the film festival, powerful business interests are at stake, and detective Nola MacIntire and her partner, Tony Angelotti, must solve the complicated puzzle behind three seemingly unrelated deaths in this idyllic beach town. This mystery has got it all: snappy dialogue, memorable characters, and a captivating web of intrigue to untangle. Anne Flett-Giordano is a five-time Emmy-winning television writer and producer whose credits include *Frasier*, *Becker*, and *Desperate Housewives*. In addition to three Best Comedy and two Best Writing in a Comedy Series Emmys, Anne (with her screenwriting partner Chuck Ranberg) has won a Producer's Guild Award, a Golden Globe, and a Writer's Guild nomination for Best Writing in a Comedy Series. Currently a consultant on the half-hour comedy *Hot In Cleveland*, starring Betty White, Anne divides her time between Los Angeles and Santa Barbara, California.

Actress Zoe Lang attends a most unusual improvization workshop and finds herself auditioning to be the bait for a real-life serial killer whose grisly nom-de-plume is "The Surgeon." Taking on the role of a young runaway, Natasha Champion, Zoe meets the sinister and manipulative John Smith and is forced by him into following a creepy script of his own devising. Incorporating exciting video and sound techniques into a hard-hitting, tight structured storyline, *Kiss of Death* is a very modern thriller with plenty of dark, sardonic humour to punctuate its mood of prevailing menace. - 1 woman, 3 men

In her 53rd bestselling novel, Danielle Steel explores how a single shattering moment can change lives forever. *The Kiss* is at once a moving testament to the fragility of life and a breathtaking story about the power of love to heal, to free, to transform, and to make broken spirits whole. On a warm June evening, a red double-decker bus, full of passengers, speeds down a London street. A few blocks away, a man and a woman climb into a limousine, reveling in a magical evening of dancing and champagne. As their driver pulls into an intersection, the couple shares their first, searching kiss. For a moment, etched in time, all stands still—until, in a flash of metal and glass, their limousine is struck at full speed, crushed under the bus's tremendous weight. And a long journey begins—toward healing, toward hope, toward dreams of an infinite future... Isabelle Forrester is the exquisite wife of a prominent Parisian banker who has long since shut her out of his heart. For lonely years, Isabelle has lived a life of isolation, pouring her passions into caring for her desperately ill son, Teddy, and into making their Paris home as happy as possible for her teenage daughter, Sophie. Isabelle allows herself one secret pleasure: a long-distance friendship by telephone with an American man, a Washington power broker who travels in the highest circles of politics and who, like Isabelle, is trapped in an empty marriage. To Bill Robinson, Isabelle is a godsend, a woman of extraordinary beauty and intellectual curiosity—a kindred spirit who touches him across the miles with her warmth and gentle empathy. Their relationship is a gift, a lifeline that sustains them both through the heartache of marriages they cannot leave and will not betray. Agreeing to meet for a few precious, innocent days in London, Isabelle and Bill find their friendship changing. Then, amidst the sudden crash of steel against steel, they are thrust onto a new path, a path fraught with pain but also with possibility. Now, inside the cool, sterile wards of a London hospital, Isabelle and Bill cling to life, their bodies shattered almost beyond repair. In the days and weeks that follow, they slowly, painfully traverse a road to recovery littered with challenges of the body, spirit, and heart. Together, they must find the strength not only to embrace life again but to face what they have left behind. For Isabell, a loveless marriage turns into a brutal power struggle. For Bill, a time of healing exposes wounds that cut deeper than steel and realities that will test him to his core. For both, a tangle of changing relationships and the tragedy of another loss conspire to separate them once again. And this time they could lose each other forever. In a novel that is as compelling as it is compassionate, Danielle Steel weaves a story of courage in the face of unimaginable loss. With the grace of a master storyteller, she explores the strength it takes to conquer our greatest fears, showing us how the toughest choices can yield the most unexpected rewards...and how the longest, most winding journeys can begin with a single kiss.

Chantal Hébert's first book is both a post-mortem of the Canadian federation that died on January 23, 2006, the night of the last federal election, as well as a brilliant examination of our changing political future, one that involves living with Quebec rather than just wooing it. On that night, award-winning political writer and broadcaster Chantal Hébert stood in a Calgary convention hall with 2,000 Alberta Conservatives, who were raucously cheering the election of ten Tory MPs from Quebec. The Conservatives would not have gotten their man in office without Quebec, and now the future success of the Harper government hinges on turning this one-night stand into a long-term relationship. More than ten years ago, the Quebec-Alberta coalition cobbled together by Brian Mulroney dissolved, leading to the births of the Bloc Québécois and the Reform Party. As a result, Alberta and Quebec took their marbles out of federal play, and Ontario got to run Canada. Have we now come full circle? By the time this book is published, the Liberal Party of Canada may have morphed into the Liberal Party of Ontario (or Toronto). And the Canadian Left will have chosen a camp in preparation for a decisive federal election battle. Provocative and always worth listening to, Chantal Hébert is at her savvy and insightful best in *French Kiss*. No Canadian can be truly informed on the subject of Canadian politics without the benefit of her non-partisan commentary.

This chilling and intense novel tells the story of a solitary young woman drawn into an online world run by a charismatic web guru who entices her into impersonating a glamorous but desperate woman. Now a series on Netflix. A sheltered young woman raised by a single mother, Leila often struggled to connect with the girls at school. On an internet community for philosophical and ethical debate, she finally comes into her own, and is flattered when the website's brilliant, charismatic founder invites her to be part of Project Tess. Communicating only through online channels, Leila immerses herself in Tess's world. She must learn every detail about this other woman's life: her mother's birthday, her favorite songs, her best friends, her first kiss. Because soon, Leila will have to become her. And Tess will disappear. FINALIST The Guardian First Book Prize British National Book Award--New Writers Award

Seventeen-year-old Carter Lane has wanted to be a chef since she was old enough to ignore her mom's warnings to stay away from the hot stove. And now she has the chance of a lifetime: a prestigious scholarship competition in Savannah, where students compete all summer in *Chopped* style challenges for a full-ride to one of the best culinary schools in the country. The only impossible challenge ingredient in her basket: Reid Yamada. After Reid, her cute but unbearably cocky opponent, goes out of his way to screw her over on day one, Carter vows revenge, and soon they are involved in a full-fledged culinary war. Just as the tension between them reaches its boiling point, Carter and Reid are forced to work together if they want to win, and Carter begins to wonder if Reid's constant presence in her brain is about more than rivalry. And if maybe her desire to smack his mouth doesn't necessarily cancel out her desire to kiss it.

Explores all aspects of the kiss, including why people kiss, why kisses are given under mistletoe, and such subjects as kissing bugs, French kissing, and origins of phrases with "kiss" in them.

Do you have a real relationship with God, or do you just have a religion? Do you know God, or do you just know about God? In *How Big Is Your God?* Paul Coutinho, SJ, challenges us to grow stronger and deeper in our faith and in our relationship with God—a God whose love knows no bounds. To help us on our way, Coutinho introduces us to people in various world religions—from Hindu friends to Buddhist teachers to St. Ignatius of Loyola—who have shaped his spiritual life and made possible his deep, personal relationship with God.

One kiss lasts a moment. But a thousand kisses can last a lifetime. One boy. One girl. A bond that is forged in an instant and cherished for a decade. A bond that neither time nor distance can break. A bond that will last forever. Or so they believe. When seventeen-year-old Rune Kristiansen returns from his native Norway to the sleepy town of Blossom Grove, Georgia, where he befriended Poppy Litchfield as a child, he has just one thing on his mind. Why did the girl who was one half of his soul, who promised to wait faithfully for his return, cut him off without a word of explanation? Rune's heart was broken two years ago when Poppy fell silent. When he discovers the truth, he finds that the greatest heartache is yet to come. Standalone Young Adult Tearjerker Romance. For ages 14 and up.

The conception happened on March 1 2005. The moment he realized he was pregnant with knowledge he ran to a piece of paper and used a red ink pen to see the results. After fifteen minutes J.L. Kirkwood realized that not only was he about to be a parent, he was about to give birth to words. He had morning sickness trying to figure out a way to bring poetry into the communities. He wanted to marry spoken word and bring written word into your living room. He wanted to give life to a book that would be thought provoking and timeless. A book that would bring about change. A concept that would create a balance between love and hate, trust and pain. He struggles with growth but admits his flaws and battles with the forces of darkness to become a better man. And after months of labor pains he finally gives birth to a healthy newborn. French Kiss, The Art To Poetic Lovemaking. The Masterpiece The most controversial poet in Hip-Hop explains his side.....J.L. Kirkwood has more than raised my love for Spoken Word artistry, he has also raised the bar for the art itself... His ability to bring life, and passion through the art of poetry has made me to label him, The Quintessential Spoken Word Genius!!!! "French Kiss deserves praise."-Chicago's #1 radio station WGCI personality Chris Michaels-J.L. Kirkwood Proves that success is in the Journey, not the destination.-BET Comicview Darius Bradford-"French Kiss is true and indeed a Masterpiece for the literary world.....His fine craft and smooth delivery sort of wakes you up and leaves everlasting thoughts on your mind for the rest of the day."-Soul Purpose Reviews-"J.L. Kirkwood uses a pen as a paintbrush to draw his almost scary real world depicted images of his triumphs and regrets. French Kiss exposes the open wound in our communities that only our efforts can heal"-CEO, Executive Director of Peace Journey..Jeannette Kravitz

Now in paperback! Acclaimed motor sports photographer and author Michael Keyser's *A French Kiss With Death* is part celebrity biography, part motor sports history and part behind-the-scenes filmmaking account. This spine-tingling title and the "King of Cool's" intense headshot telegraph the excitement to be found under the book cover. Keyser's observant and engaging storytelling weaves together screen legend Steve McQueen's rugged, individualistic life, his love affairs with motorcycles, cars, racing, partying and women, along with a story of exceptional filmmaking, including the breakthrough, Oscar-winning cinematographic techniques used to capture the visceral essence of racing's most famous event for the silver screen. Throughout 464 highly charged pages, *A French Kiss With Death* dazzles the reader with the "King of Cool's" roller-coaster life of adventure and accomplishment. The book contains more than 800 photographs and illustrations, most seen for the first time and many shot during the actual "24 Hours of Le Mans." Providing an unforgettable ride, *A French Kiss With Death* pulls readers rapidly into the exotic, heady, cutthroat world of international sports car racing. Keyser's longtime friend and ex-racer Jonathan Williams also contributed to the book.

Named a Best Books of Summer by BuzzFeed and Newsweek "Lyrical, unflinching.... Hernández expertly skates the line between memoir and science tome, showing the personal effects of a disease perpetuated by a cascade of systemic failures." —The Washington Post "A necessary read for anyone concerned about health crises across the world." —The Boston Globe "Part memoir, part investigative thriller..... Her book shines a light on [a] neglected harm." —The San Francisco Chronicle Growing up in a New Jersey factory town in the 1980s, Daisy Hernández believed that her aunt had become deathly ill from eating an apple. No one in her family, in either the United States or Colombia, spoke of infectious diseases. Even into her thirties, she only knew that her aunt had died of Chagas, a rare and devastating illness that affects the heart and digestive system. But as Hernández dug deeper, she discovered that Chagas—or the kissing bug disease—is more prevalent in the United States than the Zika virus. After her aunt's death, Hernández began searching for answers. Crisscrossing the country, she interviewed patients, doctors, epidemiologists, and even veterinarians with the Department of Defense. She learned that in the United States more than three hundred thousand people in the Latinx community have Chagas, and that outside of Latin America, this is the only country with the native insects—the "kissing bugs"—that carry the Chagas parasite. Through unsparing, gripping, and humane portraits, Hernández chronicles a story vast in scope and urgent in its implications, exposing how poverty, racism, and public policies have conspired to keep this disease hidden. A riveting and nuanced investigation into racial politics and for-profit healthcare in the United States, *The Kissing Bug* reveals the intimate history of a marginalized disease and connects us to the lives at the center of it all.

A French Kiss with Death Steve McQueen and the Making of Le Mans Bentley Pub

A New York Times Bestseller A Wall Street Journal Bestseller A New York Times Notable Book of 2020 A New York Times Book Review Editors' Choice Shortlisted for the Financial Times and McKinsey Business Book of the Year A New Statesman Book to Read From economist Anne Case and Nobel Prize winner Angus Deaton, a groundbreaking account of how the flaws in capitalism are fatal for America's working class Deaths of despair from suicide, drug overdose, and alcoholism are rising dramatically in the United States, claiming hundreds of thousands of American lives. Anne Case and Angus Deaton explain the overwhelming surge in these deaths and shed light on the social and economic forces that are making life harder for the working class. As the college educated become healthier and wealthier, adults without a degree are literally dying from pain and despair. Case and Deaton tie the crisis to the weakening position of labor, the growing power of corporations, and a rapacious health-care sector that redistributes working-class wages into the pockets of the wealthy. This critically important book paints a troubling portrait of the American dream in decline, and provides solutions that can rein in capitalism's excesses and make it work for everyone.

The oldest daughter of revered composer Leonard Bernstein offers a rare look at her father on the centenary of his birth—illuminating a man, a city, and an era that defined modern culture—in a deeply intimate and broadly evocative memoir reminiscent of Alexandra Styron's *Reading My Father* and Richard Ford's *Between Them*. The composer of *On the Town* and *West Side Story*, chief conductor of the New York Philharmonic, television star, humanitarian, friend of the powerful and influential, and inveterate partygoer Leonard Bernstein was a massive celebrity during one of the headiest periods of American cultural life, and perhaps the most talented musician in American history. To his eldest daughter, Jamie, he was all that and more; he was the man in the scratchy brown bathrobe that smelled of cigarettes, who sat late at night at the piano when he couldn't sleep (he could never sleep). An incredible jokester, an incessant teacher, he taught her to love the world in all its beauty and complexity. In public and private, Lenny was larger than life. In *Famous Father Girl*, Bernstein mines the emotional depths of her childhood and invites us into her family's private world. A fantastic set of characters populate the Bernsteins' lives, including: the Kennedys, Mike Nichols, John Lennon, Richard Avedon, Stephen Sondheim, Jerome Robbins, and Betty (Lauren) Bacall. An intoxicating tale, *Famous Father Girl* is an intimate meditation on a deeply complex and sometimes troubled man and the beautiful music that was the soundtrack to his life. Deeply moving and often hilarious, Bernstein's beautifully written memoir is great American story about one of the greatest Americans of the modern age.

The search for a mysterious artifact leads to a trek across the globe in this thriller from the New York Times–bestselling author of the Bourne novels. In the French countryside, a man is brutally murdered. In a Connecticut church, a priest is sacrificed. All in pursuit of an artifact rumored to possess mystical powers . . . The three-bladed weapon known as the Prey Dauw will make its owner the most feared man in the world, powerful enough to control all of Asia and its drug trade. But there is still one piece left to find. New York lawyer Chris Haye and NYPD lieutenant Seve Guarda are drawn into the bloody search when they learn their brothers have been killed. Their quest for vengeance takes them from Manhattan to France to the depths of Southeast Asia. But the man behind their brothers' savage murders will stop at nothing to gain the ultimate prize. From the acclaimed author of the Nicholas Linneer series and many other bestsellers, as well as the novels that continue the story of Robert Ludlum's Jason Bourne character, *French Kiss* is packed with “suspense that is sustained to the final page” (Los Angeles Times).

In *A Free Man of Color* and *Sold Down the River*, Benjamin January guided readers through the seductive maze of New Orleans' darkest quarters. Now January joins the orchestra of the city's top opera house — only to become enmeshed in a web of hate and greed more murderous than any drama onstage. In 1835, the cold February streets glitter with masked revelers in Carnival costumes. An even more brilliant display is promised at the American Theater, where impresario Lorenzo Belaggio has brought the first Italian opera to town. But it's pitch-black in the muddy alley outside the stage door when Benjamin January, coming from rehearsal with the orchestra, hears a slurred whisper, sees the flash of a knife, and is himself wounded as he rescues Belaggio from a vicious attack. The bombastic impresario first accuses two of his tenors, then suspects his rival, the manager of New Orleans' other opera company. Could competition for audiences really provoke such violent skulduggery? Or has Belaggio taken too many chances in the catfight between two sopranos, one superseded by the other as his mistress and his prima donna? But burning in January's mind and heart is a darker possibility. The opera Belaggio plans to present — a magnificent version of *Othello* — strikes a shocking chord in this culture. Is the murderous tragedy of the noble Moor and his lady, the spectacle of a black man's passion for a white beauty, one that some Creole citizen — or American parvenu — would do anything to keep off the stage? Bloody threats and voodoo signs, poison and brutal murder seem to implicate many strange bedfellows. And Benjamin must discover who — in rage, retribution, or an insidious new commerce in this beautiful cutthroat city — will kill and kill ... and who will Die Upon a Kiss.

During an educational trip to London away from her friends and the boy she thinks she is fated to love, Massachusetts high school junior Julia Lichtenstein is paired with her nemesis, Jason, and begins seeing many things differently.

Zeroing in on the moments of comic confusion and tender transformation that make up one boy's wild ride through childhood and adolescence, this collection of stories follows Will, a boy with an overactive imagination who grapples with "what kind of man will I become?"

Even 30 years after his death, Steve McQueen remains an icon of cool. His image continues to appear in advertising and pop culture, and car, motorcycle, and racing fans embrace him as one of their own. Now comes this volume featuring rare photography and chronicling McQueen's fascination with and passion for all things internal-combustion powered. McQueen's movie characters always had a great motorcycle or car—from the 650cc “BMW” motorcycle (a disguised Triumph) in *The Great Escape* (1963) to the Gulf Porsche 917 race car he raced in Le Mans (1971). His need for speed propelled him from Hollywood into a number of top off-road motorcycle races, including the Baja 1000, Mint 400, and Elsinore Grand Prix. Determined to be ahead of the pack, McQueen trained vigorously, weight lifting, running, and studying martial arts. *Steve McQueen A Passion for Speed* reflects a life lived in the moment and with the pedal to the metal.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Immerse yourself in three seasons of fast-paced lesbian romance, set in the most romantic city in the world At over 800 pages with more than 100 5-star reviews, *French Kissing* is serialised fiction at its most dramatic, romantic and steamy. Perfect for binge reading! Paris... City of lights, City of love, City of drama! *French Kissing* follows a group of Parisian women as they navigate the stormy waters of love and life. Claire and Juliette have been best friends for twenty years. Together they own a successful PR agency, but

their journey to success has come at a price. Juliette and her partner Nadia have drifted apart after ten years together while Claire hasn't been on a real date for as long as she can remember. Meanwhile, their happily single employee Steph is getting a bit too close to a new, high-profile client. Warning: This title contains sensual language, ladies making love and possibly more feelings than you can process.

I always imagined Death's final kiss would be cold. It wasn't. Four years later, I can still remember the exact shade of his skin: a blue so pale it looked like moonlight. I dream of his touch. Mostly, I paint the man under the heavy cowl, including those perfect lips which ruined mine for anyone else. I'm obsessed with him. The doctors say he's nothing more than a hallucination caused by a mixture of head trauma and emergency pain medications. I think he's a really sexy figment of my imagination. I mean, who besides an artist would dream up the Grim Reaper for their hero? Now, something's changed and my drawings are taking on a life of their own. As if college wasn't hard enough, trying to keep this a secret is going to be impossible. Keeping my sanity might be worse. And that's not the worst of my problems. Death is back. He wants another kiss. And he's not alone. The Kiss of Death is a 156,000 word, full-length novel with NO cliffhanger ending. This is a Reverse Harem series which includes multiple love interests, some m/m themes, and graphic scenes of sex, violence, and language. Be warned: everything you thought you knew about the world, religion, and death will be pulled apart, twisted around, and put back together in ways you will not expect.

Marcy falls head over heels for the hottest guy she's ever met... then discovers he's her new French teacher. Mr Grayson is determined to stay professional but he's struggling to resist the attraction. When the two of them end up in the same theatre group, forbidden sparks start to fly...

Georgia Peach Book Award for Teen Readers, Honor, 2012-13.

In the wake of a failed attempt to defeat the vampire Richelieu, Susan and her friends are weakened and divided. Raphael must set aside his animosity and join with his enigmatic sire Gabriel to discover a powerful weapon before Richelieu claims it. Meanwhile, Susan and her cousin Wendy translate a 12th century diary belonging to their ancestor, Carissa, to learn the origin of their family's connection with the vampires. As Carissa's story of love and betrayal unfolds, they discover the secrets of the present will only be revealed by solving the mysteries of the past. The delightful follow-up to Kiss Me in New York. Serena Fuentes won't waste one moment of her whirlwind trip to Paris. She has it all mapped out, right down to the photos she will take, and the last thing she wants is a change in plans. Yet suddenly she's touring the city with Jean-Luc, a French friend of her sister's boyfriend. He has to take pictures of his own if he ever hopes to pass his photography class, and his project totally slows Serena down. One minute they're bickering, the next minute they're bonding ... and soon they're exploring corners of Paris together that Serena never imagined. Could they also be falling in love?

Cara, consumed by survivor's guilt after her best friend is killed in a car accident, is not convinced attending a boarding school in Switzerland will make any difference, but new friends Ren and Hector hope to break down her emotional walls.

Suite Française is both a brilliant novel of wartime and an extraordinary historical document. An unmatched evocation of the exodus from Paris after the German invasion of 1940, and of life under the Nazi occupation, it was written by the esteemed French novelist Irène Némirovsky as events unfolded around her. This haunting masterpiece has been hailed by European critics as a War and Peace for the Second World War. Though she conceived the book as a five-part work (based on the form of Beethoven's Fifth Symphony), Irène Némirovsky was able to write only the first two parts, Storm in June and Dolce, before she was arrested in July 1942. She died in Auschwitz the following month. The manuscript was saved by her young daughter Denise; it was only decades later that Denise learned that what she had imagined was her mother's journal was in fact an invaluable work of art. Storm in June takes place in the tumult of the evacuation from Paris in 1940, just before the arrival of the invading German army. It moves vividly between different levels of society—from the wealthy Péricand family, whose servants pack up their possessions for them, to a group of orphans from the 16th arrondissement escaping in a military truck. Némirovsky's immense canvas includes deserting soldiers and terrified secretaries, cynical bank directors and hapless priests, egotistical writers and hardscrabble prostitutes—all thrown together in a chaotic attempt to escape the capital. Moving between them chapter by chapter, this thrilling novel describes a journey hampered and in some cases abandoned because of confusion, shelling, rumour, lack of supplies, bad luck and ordinary human weakness. Cars break down or are stolen; relatives are forgotten; friends are divided; but there are also moments of love and charity. Throughout, whether depicting saintly forbearance or the basest selfishness, Storm in June neither sweetens nor demonizes its characters; unsentimentally, with stunning perceptiveness, Némirovsky shows the complexities that mean no-one is simply a hero or villain. The second volume, Dolce, is set in the German-occupied village of Bussy. Again, Némirovsky switches seamlessly between social strata, from tenant farmers to the local aristocracy. The focus, however, is on the delicate, secret love affair between a German soldier and the French woman in whose house he has been billeted; the passion, doubts and deceptions

of their burgeoning relationship echo the complex mixture of hostility and acceptance felt by the occupied community as a whole. Némirovsky is amazingly sensitive in her depiction of changing, often contradictory emotions, but her attention to the personal is matched by her sharp-eyed discussion of small-town life and the politics of occupation. In this myth-dissolving book, the French villagers see the Germans as oppressive warriors, but also as handsome young men, and occupation does nothing to remedy the condescension and envy that bedevil relations between rich and poor. Quite apart from the astonishing story of its survival, *Suite Française* is a novel of genius and lasting artistic value. Subtle, often fiercely ironic, and deeply compassionate, it is both a piercing record of its time and a humane, profoundly moving novel.

Sixteen-year-old Miro had instructions to kill the bus driver immediately. They would then take the busload of children to the bridge and begin the standoff. Artkin was Miro's mentor; the mastermind behind this act of terrorism that would get the world's attention. But Artkin had told Miro that the bus driver would be an old man. Sixteen-year old Kate sometimes substituted for her uncle and drove his bus when he was ill. She even got a special license to do so, and she'd always liked kids. She wondered what was going on when the van in front of her stopped, but when the man and the boy with guns forced their way onto the bus, she knew her worst nightmare was beginning.

-Documents the friendship between Steve McQueen and his Le Mans co-star Siegfried Rauch -Includes photos of Rauch's family album, as well as original photos of the film set and of rare documents -Features interviews with contemporary witnesses Steve McQueen: actor, filmmaker, racing driver - and friend. Siegfried Rauch, who plays McQueen's unyielding rival in the film classic *Le Mans*, was a close friend of the actor in real life. Rauch takes us through this book and, for the first time, tells us how it was: what McQueen was like, the time he ate sauerkraut at the Rauchs, or played with their children - and how he became their godfather. Rauch shows a different, private side to the 'king of cool'. The other stars of *Le Mans* have their say as well: the real racing drivers. Herbert Linge reminisces about the Porsche 908 - which belonged to McQueen - that Linge drove as a dolly during the race. Hans Herrmann and Richard Attwood tell about their victory in the Porsche 917 - the first Porsche overall victory at the Sarthe. Stuntman Dr. Erich Glavitz, who also prepared the cars, explains what happened in 1970 during the shooting in 'Solar Village', and David Piper, who lost a leg during the production. This unique book offers completely new insights into the filming of what has become a cult classic.

The extraordinary #1 New York Times bestseller about the ability of books to feed the soul even in the darkest of times. Nominated as one of America's best-loved novels by PBS's *The Great American Read*. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

I Know What You Did Last Summer meets the French countryside in this exhilarating psychological suspense novel about a woman trapped by the bonds of friendship--perfect for fans of *The Widow* and *The Woman in Cabin 10*. One of... RealSimple's and Cosmopolitan's Best Books of the Month Everyone has a secret... They were six university students from Oxford--friends and sometimes more than friends--spending an idyllic week together in a French farmhouse. It was supposed to be the perfect summer getaway...until they met Severine, the girl next door. But after a huge altercation on the last night of the holiday, Kate Channing knew nothing would ever be the same. There are some things you can't forgive. And there are some people you can't forget...like Severine, who was never seen again. A decade later, the case is reopened when Severine's body is found behind the farmhouse. Questioned along with her friends, Kate stands to lose everything she's worked so hard to achieve as suspicion mounts all around her. Desperate to resolve her unreliable memories and fearful she will be forever bound to the memory of the woman who still haunts her, Kate finds herself entangled within layers of deception with no one to set her free...

* Mark Twight's collected works, some never before published in North America * Includes dramatic black and white mountaineering photos * Features brand new epilogues to all of the stories They call him Dr. Doom. Raving and kicking against mediocrity, his anger and pain simmer close to the surface. He speaks and writes the language of the punk music that defined him. He is extreme alpinist Mark Twight, and he doesn't back down from the truth. He's a one-man literary punk band. If you have any doubt, here comes his knockout punch: the only collection of writing Twight swears he'll ever publish. *Kiss or Kill: Confessions of a Serial Climber* is raw, unfiltered Twight. These author's cut are the real deal, not the homogenized fluff offered up by magazine editors who are often unwilling to offend. Twight's words make it clear that climbing is only distantly about the summit. Several of these pieces are new to U.S. readers. Twight edited all of the selections and appended each with a current author's note; confessing his inspiration, events that followed, and lessons learned (or not learned, some might say). It adds up to a frightfully lucid look into Twight's personal life as both man and hardcore alpine climber. The dissection scares me sometimes... Whether railing against the spinelessness of American siege-style mountaineering, admitting addiction to pushing the bounds of the possible, or reveling in his ability to cut away anything in life that holds him back, Twight never blinks. Along the way, there is the drama of new and epic routes, unbreakable bonds between climbing partners, and Twight's evolution as a climber and a man. He tells every story in a unique, in-your-face style. *Kiss or Kill* is not an easy read. It may scare some readers-but that's the point. "I want this book to help you recognize your own anger, which will help you understand mine", says Twight. "Somewhere out there somebody understands these words and knows they matter. They were written in blood, learned by heart."

A debut entry in a new trilogy by the author of the Jenna Fox Chronicles introduces Princess Lia, who flees an unwanted marriage and expectations about her supernatural legacy only to be pursued by her jilted fiancé and a ruthless assassin.
