

A Fun Personality Test

In today's complex world, parenting is a tough job. Beyond the difficulties of the changing world we live in, there are also the daily frictions of imperfect people sharing a home together. However, Daniel P. Huerta, Focus on the Family's Vice President of Parenting, offers hope and help for you to become an effective parent. Based on exhaustive research, Huerta presents a collection of seven powerful character traits designed to help parents grow and thrive as they take on the task of raising children. Parents will be encouraged to navigate family life with grace and love so their children ultimately see God's transformative power, love, and influence.

Forty simple personality tests address issues of self, exploring social competency, romantic tendencies, job attitudes, and emotional well-being.

How comfortable are you with success? Do you possess above-average intelligence? Who do you believe controls your fate? How well do you really know yourself?

Psychologists have spent years trying to help people answer these questions. Now, you can benefit from this research -- and uncover your strengths and weaknesses -- with this collection of actual personality tests developed by psychologists for professional use. Twenty-five tests cover every aspect of your personality: intelligence, ambition, self-esteem, platonic and romantic relationships, and sexuality. And at the end of each test, expert advice is included that will help you change your life for the better. The personality profile that emerges will give you valuable insight into yourself -- and point you in the right direction on your quest for self-improvement.

"Originally published as *The Quiz Book about Me and You!* in 2015 in Canada by Scholastic Canada Ltd., an imprint of Scholastic Inc."--Title page verso.

Do you enjoy being the center of attention? Are you more interested in facts and figures than in theories? Do you make to-do lists? Would you rather be truthful or tactful? Do you have a few close friends rather than a wide range of acquaintances? Are you more empathetic and compassionate than logical and rational? These are just a few of the questions about yourself that you can answer with *What Type Am I?* Based on the classic personality test taken by millions annually, this book will help you to assess your individual preferences in four basic areas: how you relate to the world, take in information, make decisions, and manage your life. Now a family therapist explains this fascinating system in a way that is entertaining and easy to absorb. Renee Baron takes on the complexity of the sixteen personality types and makes them accessible, so you can comprehend them, find your own type, and use the knowledge to enrich your own life. Here is information about individual strengths and weaknesses along with suggestions for personal growth and awareness. Whether you are a duty seeker or an action seeker, a knowledge seeker or an ideal seeker, *What Type Am I* is insightful, helpful, encouraging, and an eminently useful step in helping you appreciate your strengths and apply them to work, love, and life.

Hilarious, entertaining, and irresistibly binge-worthy, this officially licensed ultimate collection of BuzzFeed quizzes -- from the most popular to the never-before-published -- includes hundreds of questions on everything you love all in one place! If you've been on the internet, chances are you've taken a BuzzFeed quiz or three in your lifetime. And if so, you probably know which Friends character you are or what your favorite fruit says about you. For years, BuzzFeed quizzes have made the rounds online and have

gone crazy viral for a good reason -- they're fun, interactive, and super shareable. For the first time ever, BuzzFeed brings you one jam-packed book overflowing with 200 quizzes covering love, food, friendship, TV, movies, personality, and everything under the pop-culture sun. So whether you want to know which Disney character is your soul mate, where you should go on your next vacation, or what age you really are, gather your closest friends, break out the gel pens, and crack this quiz book open to find out.

101 Fun Personality Quizzes Who Are You . . . Really?! Simon and Schuster Rule the Room is the product of Jason Teteak's twenty-year experience as a trainer and coach. Build better relationships! The Shapes Test(TM) answers the questions that so many are asking in a increasingly divided and polarized world... Why can't we all just get along? Why do people behave the way they do? Why don't people understand me? Simple to both remember and share, this book will help you understand yourself, understand others, and make yourself better understood. It also provides something that no other personality-driven teaching does... a common language. "My desire is that one day, every family, office, factory, and neighborhood would be aware of their Shape and use this collective tool to do relationships better. It aims to tap into the good in all of us in order to bring out the best in us." Paul Clayton Gibbs Discover your Shape and let's build something good together!

Who knew a trip to the therapist could be so much fun, even aesthetically rewarding? Beyond sharing feelings or complaining about your mother, Psychobook reveals the rich history of psychological testing in a fascinating sideways look at classic testing methods, from word-association games to inkblots to personality tests. Psychobook includes never-before-seen content

from long-hidden archives, as well as reimagined tests from contemporary artists and writers, to try out yourself, at home or at parties. A great ebook for the therapist in your life and the therapist in you, for anyone interested in the history of psychology and psychological paraphernalia, or for anyone who enjoys games and quizzes. Psychobook will brighten your day and outlook.

This fascinating collection of 100 fun-to-take and easy-to-score personality quizzes-devised by an expert psychologist-provides unparalleled insight into what makes us tick and why. Are You a Romantic? What's Your Emotional IQ? Body Language: Can You Read It? Who's the Boss, Your Work or You? Are You a Risk-Taker? How Honest Are You, Really? Dr. Salvatore V. Didato has spent his career helping people unravel the answers to these and similar questions. Now he's channeled his years of experience into an enlightening collection of simple tests designed to get to the real truth about ourselves. By asking all the right questions, Didato helps us arrive at the sometimes astounding answers to who we are, how we got that way, and what, if anything, we can or should do to change. Each quiz addresses a distinct aspect of the human persona, from ambition, self-esteem, and romance, to ingenuity, creativity, sexuality, and more. And Dr. Didato's insightful explanations help guide us down the path to self-awareness, and, ultimately, self-improvement. On top of everything else, the quizzes are fun!

Sally Hogshead believes the greatest value you can add is to become more of yourself. Hogshead rose to the top of the advertising profession in her early 20s, writing ads that fascinated millions of consumers. Over the course of her ad career, Sally won hundreds of awards for creativity, copywriting, and branding, and was one of the most awarded advertising copywriters right from start of career, including almost every major international advertising award. She frequently appears in national media including NBC's Today Show and the New York Times. Hogshead was recently inducted into the Speaker Hall of Fame, the industry's highest award for professional excellence. Her advertising work hangs in the Smithsonian Museum of American History. The science of fascination is based on Hogshead's decade of research with 250,000 participants, including dozens of Fortune 500 teams, hundreds of small businesses, and over a thousand C-level executives.

Personality tests are relatively quick and easy to read, and are thus great for improving your English vocabulary and knowledge of idiomatic expressions. These quizzes were designed primarily to enable you to: learn some useful English vocabulary (of the type that is often not taught in a language course) have fun doing something in English that you might equally well have done in your own language This book is NOT intended to be an amateur psychology book or self-help book. Neither the quizzes nor the explanations should be taken any more seriously than you would take a horoscope in a newspaper or magazine. In addition to the personality tests there are: glossaries of key words scores and interpretations vocabulary exercises Easy English! is a series of

books to help you learn and revise your English with minimal effort. You can improve your English by reading texts in English that you might well normally read in your own language e.g. jokes, personality tests, lateral thinking games, wordsearches. doing short exercises to improve specific areas grammar and vocabulary, i.e. the areas that tend to lead to the most mistakes - the aim is just to focus on what you really need rather than overwhelming yourself with a mass of rules, many of which may have no practical daily value Other books in the Easy English!series include: Wordsearches: Widen Your Vocabulary in English Test Your Personality: Have Fun and Learn Useful Phrases Word games, Riddles and Logic Tests: Tax Your Brain and Boost Your English Top 50 Grammar Mistakes: How to Avoid Them Top 50 Vocabulary Mistakes: How to Avoid Them

Contributors consider what it means to "fake" a personality assessment, why and how people try to obtain particular scores on personality tests, and what types of tests people can successfully manipulate. The authors present and discuss the usefulness of a range of traditional and cutting-edge methods for detecting and controlling the practice of faking. POP CULTURE-THEMED QUIZZES FOR A QUIRKY, FUN WAY TO BETTER UNDERSTAND YOUR PERSONALITY Open this book to any page and you'll find a personality quiz that's both fun to fill out and revealing in its results. Just grab a pen and get started. You already know the answer to every question, but do you dare discover what those answers say about who you are... really?! HOW SEXY ARE YOU? •Sweet •Playful •Red Hot WHICH FRIENDS CHARACTER ARE YOU? •Rachel •Monica •Phoebe ARE YOU DRAMATIC? •Zero •Sorta •Drama Queen YOU'RE THE LEADING LADY IN WHICH ROM-COM? •Bridget Jones's Diary •Legally Blonde •You've Got Mail WHICH BEYONCÉ ERA ARE YOU? •Destiny's Child •Single Ladies •Drunk in Love WHICH CELEBRITY SCANDAL WOULD YOU HAVE? •DUI •Caught Cheating •Leaked Sex Tape WHERE SHOULD YOU LIVE? •New York City •Austin •San Francisco WHAT ALCOHOLIC DRINK FITS YOUR PERSONALITY? •Beer •Martini •Champagne WHAT'S YOUR SPIRIT ANIMAL? •Coyote •Dolphin •Owl WHICH TV POLITICIAN MATCHES YOUR STYLE? •Frank Underwood •Selina Meyer •Leslie Knope HOW WEIRD ARE YOU? •Run-of-the-Mill •Quirky •Creepy WHICH LITERARY HEROINE ARE YOU? •Elizabeth Bennet •Hermione Granger •Jo March

Award-winning psychology writer Annie Paul delivers a scathing exposé on the history and effects of personality tests. Millions of people worldwide take personality tests each year to direct their education, to decide on a career, to determine if they'll be hired, to join the armed forces, and to settle legal disputes. Yet, according to award-winning psychology writer Annie Murphy Paul, the sheer number of tests administered obscures a simple fact: they don't work. Most personality tests are seriously flawed, and sometimes unequivocally wrong. They fail the field's own standards of validity and reliability. They ask intrusive questions. They produce descriptions of people that are nothing like human beings as they actually are: complicated, contradictory, changeable across time and place. The Cult Of Personality Testing documents, for the first time, the disturbing consequences of these tests. Children are being labeled in limiting ways. Businesses and the government are wasting hundreds of millions of dollars every year, only to make ill-informed decisions about hiring and firing. Job seekers are having their privacy invaded and their rights trampled, and our judicial system is being undermined by faulty evidence. Paul's eye-opening chronicle reveals the fascinating history behind a lucrative and largely unregulated business. Captivating, insightful, and sometimes shocking, The Cult Of Personality Testing offers an exhilarating trip into the human mind and heart.

The basis for the new HBO Max documentary, Persona *A New York Times Critics' Best Book

of 2018* *An Economist Best Book of 2018* *A Spectator Best Book of 2018* *A Mental Floss Best Book of 2018* An unprecedented history of the personality test conceived a century ago by a mother and her daughter--fiction writers with no formal training in psychology--and how it insinuated itself into our boardrooms, classrooms, and beyond The Myers-Briggs Type Indicator is the most popular personality test in the world. It is used regularly by Fortune 500 companies, universities, hospitals, churches, and the military. Its language of personality types--extraversion and introversion, sensing and intuiting, thinking and feeling, judging and perceiving--has inspired television shows, online dating platforms, and BuzzFeed quizzes. Yet despite the test's widespread adoption, experts in the field of psychometric testing, a \$2 billion industry, have struggled to validate its results--no less account for its success. How did Myers-Briggs, a homegrown multiple choice questionnaire, infiltrate our workplaces, our relationships, our Internet, our lives? First conceived in the 1920s by the mother-daughter team of Katherine Briggs and Isabel Briggs Myers, a pair of devoted homemakers, novelists, and amateur psychoanalysts, Myers-Briggs was designed to bring the gospel of Carl Jung to the masses. But it would take on a life entirely its own, reaching from the smoke-filled boardrooms of mid-century New York to Berkeley, California, where it was administered to some of the twentieth century's greatest creative minds. It would travel across the world to London, Zurich, Cape Town, Melbourne, and Tokyo, until it could be found just as easily in elementary schools, nunneries, and wellness retreats as in shadowy political consultancies and on social networks. Drawing from original reporting and never-before-published documents, The Personality Brokers takes a critical look at the personality indicator that became a cultural icon. Along the way it examines nothing less than the definition of the self--our attempts to grasp, categorize, and quantify our personalities. Surprising and absorbing, the book, like the test at its heart, considers the timeless question: What makes you, you?

In this groundbreaking analysis of personality type, bestselling author of *Better Than Before* and *The Happiness Project* Gretchen Rubin reveals the one simple question that will transform what you do at home, at work, and in life. During her multibook investigation into understanding human nature, Gretchen Rubin realized that by asking the seemingly dry question "How do I respond to expectations?" we gain explosive self-knowledge. She discovered that based on their answer, people fit into Four Tendencies: Upholders, Questioners, Obligers, and Rebels. Our Tendency shapes every aspect of our behavior, so using this framework allows us to make better decisions, meet deadlines, suffer less stress, and engage more effectively. More than 600,000 people have taken her online quiz, and managers, doctors, teachers, spouses, and parents already use the framework to help people make significant, lasting change. The Four Tendencies hold practical answers if you've ever thought: • People can rely on me, but I can't rely on myself. • How can I help someone to follow good advice? • People say I ask too many questions. • How do I work with someone who refuses to do what I ask—or who keeps telling me what to do? With sharp insight, compelling research, and hilarious examples, *The Four Tendencies* will help you get happier, healthier, more productive, and more creative. It's far easier to succeed when you know what works for you.

Find the balance between tough love and tender love. In *The Two Sides of Love*, best-selling authors John Trent and Gary Smalley explain how to find a healthy balance between the protective, consistent, "hard side" of love and the tender, understanding, "soft side" of love. This is the groundbreaking book that introduced the four "animal" personality types (Lion, Otter, Golden Retriever, and Beaver) and it will show you how to best demonstrate both sides of love in all your relationships—with your spouse, children, and friends. Included in this thoroughly updated edition is a free online assessment of your core personality type. This updated edition is a helpful tool for personal growth, small group studies, and couples' classes.

"Originally published in hardcover in the United States by Crown Business, New York, in

2017"--Title page verso.

An exploration of human behavior examines the innate aspects of love, sex, and marriage, discussing flirting behavior, courting postures, the brain chemistry of attraction, divorce and adultery in societies around the world, and more. Reprint.

A guide to putting cognitive diversity to work Ever wonder what it is that makes two people click or clash? Or why some groups excel while others fumble? Or how you, as a leader, can make or break team potential? Business Chemistry holds the answers. Based on extensive research and analytics, plus years of proven success in the field, the Business Chemistry framework provides a simple yet powerful way to identify meaningful differences between people's working styles. Who seeks possibilities and who seeks stability? Who values challenge and who values connection? Business Chemistry will help you grasp where others are coming from, appreciate the value they bring, and determine what they need in order to excel. It offers practical ways to be more effective as an individual and as a leader. Imagine you had a more in-depth understanding of yourself and why you thrive in some work environments and flounder in others. Suppose you had a clearer view on what to do about it so that you could always perform at your best. Imagine you had more insight into what makes people tick and what ticks them off, how some interactions unlock potential while others shut people down. Suppose you could gain people's trust, influence them, motivate them, and get the very most out of your work relationships. Imagine you knew how to create a work environment where all types of people excel, even if they have conflicting perspectives, preferences and needs. Suppose you could activate the potential benefits of diversity on your teams and in your organizations, improving collaboration to achieve the group's collective potential. Business Chemistry offers all of this--you don't have to leave it up to chance, and you shouldn't. Let this book guide you in creating great chemistry!

Contains numerous practice questions from personality and aptitude areas of assessment. Personality questions look at attitudes and values and the aptitude questions are organized into two IQ tests which assess verbal, numerical, logical and spatial reasoning skills.

Psychologist and bestselling author Benjamin Hardy, PhD, debunks the pervasive myths about personality that prevent us from learning—and provides bold strategies for personal transformation In *Personality Isn't Permanent*, Dr. Benjamin Hardy draws on psychological research to demolish the popular misconception that personality—a person's consistent attitudes and behaviors—is innate and unchanging. Hardy liberates us from the limiting belief that our "true selves" are to be discovered, and shows how we can intentionally create our desired selves and achieve amazing goals instead. He offers practical, science-based advice to for personal-reinvention, including:

- Why personality tests such as Myers-Briggs and Enneagram are not only psychologically destructive but are no more scientific than horoscopes
- Why you should never be the "former" anything--because defining yourself by your past successes is just as damaging to growth as being haunted by past failures
- How to design your current identity based on your desired future self and make decisions here-and-now through your new identity
- How to reframe traumatic and painful experiences into a fresh narrative supporting your future success
- How to become confident enough to define your own life's purpose
- How to create a network of "empathetic witnesses" who actively encourage you through the highs and lows of extreme growth
- How to enhance your subconscious to overcome addictions and limiting patterns
- How redesign your environment to pull you toward your future, rather than keep you stuck in the past
- How to tap into what psychologists call "pull motivation" by narrowing your focus on a single, definable, and compelling outcome

The book includes true stories of intentional self-transformation—such as Vanessa O'Brien, who quit her corporate job and set the Guinness World Record for a woman climbing the highest peak on every continent in the fastest time; Andre Norman, who became a Harvard fellow after serving a fourteen-year prison sentence; Ken Arlen, who instantly quit

smoking by changing his identity narrative; and Hardy himself, who transcended his childhood in a broken home, surrounded by issues of addiction and mental illness, to earn his PhD and build a happy family. Filled with strategies for reframing your past and designing your future, *Personality Isn't Permanent* is a guide to breaking free from the past and becoming the person you want to be.

If the viral BuzzFeed-style personality quizzes are any indication, we are collectively obsessed with the idea of defining and knowing ourselves and our unique place in the world. But what we're finding is this: knowing which Harry Potter character you are is easy, but actually knowing yourself isn't as simple as just checking a few boxes on an online quiz. For readers who long to dig deeper into what makes them uniquely them (and why that matters), popular blogger Anne Bogel has done the hard part--collecting, exploring, and explaining the most popular personality frameworks, such as Myers-Briggs, StrengthsFinder, Enneagram, and others. She explains to readers the life-changing insights that can be gained from each and shares specific, practical real-life applications across all facets of life, including love and marriage, productivity, parenting, the workplace, and spiritual life. In her friendly, relatable style, Bogel shares engaging personal stories that show firsthand how understanding personality can revolutionize the way we live, love, work, and pray.

In the bestselling tradition of *The Big Book of IQ Tests* and *The Big Book of Personality Tests*, this entertaining and enlightening collection of "write-in" quizzes is designed to help women of every age and interest assess their hidden potential in all areas of their busy lives. We all yearn for happiness and success, but how do we figure out exactly what we want and how to attain it? The 100 quizzes collected here, designed to help women explore their most basic attributes and desires, are divided into three categories: Inner Life, Relationships, and Career; and they are geared toward issues women really care about, such as *Are You in the Right Job?* and *Could You Marry for Money?* and *Can You Keep a Secret?* Each quiz takes only a few minutes to complete and can be scored easily. The author, an award-winning journalist, provides expert analyses of all possible outcomes, along with tips for making positive, long-lasting life changes. Included in the author's commentary are quotes from leading experts: psychologists, sociologists, MDs, authors, and even celebrities.

"Traditionally, scientists have emphasized what they call the first and second natures of personality--genes and culture, respectively. But today the field of personality science has moved well beyond the nature vs. nurture debate. In *Who Are You, Really?* Dr. Brian Little presents a distinctive view of how personality shapes our lives--and why this matters. Little makes the case for a third nature to the human condition--the pursuit of personal projects, idealistic dreams, and creative ventures that shape both people's lives and their personalities. Little uncovers what personality science has been discovering about the role of personal projects, revealing how this new concept can help people better understand themselves and shape their lives" -- provided by publisher.

From the complex, traditional personality tests that are built on Jung's original theories, such as Myers-Briggs Type Indicator, to the fun quizzes in glossy magazines telling us what type of sandwich we are, we have an endless fascination with uncovering who we are and what makes us tick. This comprehensive collection brings together 25 tests, both traditional and contemporary, with detailed results and interpretations at the back. The author provides her own version and wording for each established model and credits the original creator (Myers-Briggs, Enneagram, NASA, etc.) in the short introduction that accompanies each test. After a brief synopsis of the origin of each test as well as detailed analyses and interpretations of the results, this comprehensive collection provides a serious and lasting resource for individuals, couples, families, friends, and colleagues alike. Some of the most popular tests included are: Myers-Briggs Type Indicator (MBTI) The Enneagram 16 Personality Factor Questionnaire Insights Discovery The 12 Core Archetypes DISC (Dominance, Inducement, Submission, and

Compliance) Discover core traits about yourself, such as (1) leadership style, (2) management skills, (3) emotional intelligence, (4) money skills, (5) love language, among others. The Puzzlecraft series from Wellfleet Press tackles some of the greatest conundrums of our time. Learn how to navigate the world's trickiest mazes, solve the most complex crosswords, and finally get the answer to "Why is a raven like a writing desk?" Follow literature's most famous detective, Sherlock Holmes, as he guides you through hundreds of challenging cross-fitness brain exercises inspired by his most popular cases and adventures. You can also train your memory to perform better and learn the meanings behind your own personality traits or the traits of others. These handy and portable paperbacks are sized perfectly to travel, whether on vacation or just for your daily commute. The intricately designed covers and bold colors will capture your attention as much as the engaging content inside. Other titles in the series include: The Curious History of Mazes; The Curious History of the Crossword; The Curious History of the Riddle; Escape from Sherlock Holmes; Sherlock Holmes Puzzles: Code Breakers; Sherlock Holmes Puzzles: Math & Logic Games; Sherlock Holmes Puzzles: Visual Puzzles; Sherlock Holmes Puzzles: Lateral Brain Teasers; Solving Sherlock Homes; Solving Sherlock Holmes Volume II; and Maximize Your Memory.

Over 3 million copies sold. Over 800 positive reviews. Adapted from the New York Times bestseller *The 7 Habits of Highly Effective People*, *The 7 Habits of Highly Effective Teens* is the ultimate teenage success guide—now updated for the digital age. Imagine you had a roadmap—a step-by-step guide to help you get from where you are now, to where you want to be in the future. Your goals, your dreams, your plans...they're all within reach. You just need the tools to help you get there. That's what Sean Covey's landmark book, *The 7 Habits of Highly Effective Teens*, has been to millions of teens: a handbook to self-esteem and success. Now updated for the digital age, this classic book applies the timeless principles of 7 Habits to the tough issues and life-changing decisions teens face. Covey provides a simple approach to help teens improve self-image, build friendships, resist peer pressure, achieve their goals, and appreciate their parents, as well as tackle the new challenges of our time, like cyberbullying and social media. In addition, this book is stuffed with cartoons, clever ideas, great quotes, and incredible stories about real teens from all over the world. Endorsed by high-achievers such as former 49ers quarterback Steve Young and 28-time Olympic medalist Michael Phelps, *The 7 Habits of Highly Effective Teens* has become the last word on surviving and thriving as a teen. **Hack Your Personality Type to Overcome Obstacles and Achieve Success.** Delve into this interactive guidebook to hack your mind and uncover your core identity. Get past superficial markers of identity and discover the full makings of your personality type. Written by the hosts of the popular podcast *Personality Hacker*, this book shows how your mind is naturally wired. It provides the information and tools you need to harness the power of your personality type and realize your full potential, including:

- Detailed Personality Test
- Interactive Journal Prompts
- Myers-Briggs Explanation
- Personal Growth Techniques
- Cognitive Functions Breakdown
- Relationship and Career Assistance

The groundbreaking bestseller that redefines intelligence and success **Does IQ define our destiny?** Daniel Goleman argues that our view of human intelligence is far too narrow, and that our emotions play major role in thought, decision making and individual success. Self-awareness, impulse control, persistence, motivation, empathy and social deftness are all qualities that mark people who excel: whose relationships flourish, who are stars in the workplace. With new insights into the brain architecture underlying emotion and rationality, Goleman shows precisely how emotional

intelligence can be nurtured and strengthened in all of us.

Demonstrates how introverted people are misunderstood and undervalued in modern culture, charting the rise of extrovert ideology while sharing anecdotal examples of how to use introvert talents to adapt to various situations.

Personality Lingo is a guide for identifying personality styles and understanding why people behave as they do. Through anecdotes, cartoons and reference lists, Miscisin conveys complex personality concepts in layman's language. Go beyond simple identification of personality to discover methods for practical application of the concepts. Includes tips for appreciating and relating to each style along with ways to open up lines of communication, reduce stress and transform relationships.

This fascinating volume contains a comprehensive treatise on human emotion, with chapters on love, submission, dominance, consciousness, and more. Written in simple, accessible language and full of interesting explorations of theorems and original expositions, this volume will be of considerable value to those with a keen interest in psychology, and would make for a great addition to collections of allied literature. The chapters of this volume include: 'Normalcy and Emotion', 'Materialism', 'Vitalism and Psychology', 'The Psychonic Theory', 'Of Consciousness', 'Motor Consciousness as the basis of Feeling and Emotion', 'Integrative Principles of Primary Feelings', etcetera.

William Moulton Marston (1893 – 1947), also known by the pen name Charles Moulton, was an American psychologist, inventor and comic book writer who created the character Wonder Woman. We are republishing this antiquarian volume now complete with a new prefatory biography of the author.

FIND OUT HOW TO GET WHAT YOU WANT OUT OF LIFE . . . Do you long for happiness? Do you worry too much? Are you content in your romantic relationships? Do you wish you felt better about yourself? Now you can discover exactly what's stopping you from living the life you long to lead—and what you can do about it. Based on the latest research, this inspiring guide by renowned author and psychologist Dr. Louis Janda presents twenty-four psychological tests that will help you identify the barriers standing between you and a more fulfilling personal and professional life—and figure out how you can overcome them. Developed by behavioral researchers for professional use, these tests are divided into three sections—personal barriers, interpersonal barriers, and one's capacity for change—and cover every aspect of personality, from self-esteem, impulsiveness, and self-efficacy, to intimacy, anger, and romantic relationships. Best of all, at the end of each test, Dr. Janda provides expert advice that will help you use your results to make changes for yourself or help you decide whether you should seek professional help. Refreshingly candid and insightful, *The Psychologist's Book of Personality Tests* will not only help you achieve greater personal and professional success—it will show you how to get what you want out of life.

An entertaining and enlightening personality test, using that humblest of objects—a bent paperclip—to pick the lock of your psyche. What does your workspace say about you? The best clues aren't in your desk or on your computer. Rather, they're those paperclips in your wastebasket—the ones you've fiddled with, probably without even realizing it. When psychiatrist Mario Gmür started scrutinizing paperclips bent by his patients, he found that they actually reveal multitudes about the creator's character, quirks, and hidden desires. Are you an optimist? A pushover? A baby? A bully? After studying the links between paperclip shapes and distinct character types, Gmür has

created a delightful collection of quizzes and psychological profiles that allow readers to discover their innermost secrets using these miniature metallic sculptures. Part Rorschach test and part humorous horoscope, The Paperclip Test offers an amusing yet insightful personality gauge for anyone who has ever bent a paperclip without thinking about what secrets that tiny shape might hold.
