'One thing I've known about Bob from the very beginning is that he possesses a wisdom that is unusual, even in cats. In the decade since we met he's grown even wiser in my eyes. This book is a collection of the insights I've gained during my years with Bob.' In the spring of 2007, busker James Bowen came across an injured ginger tom cat in the hallway of his shelter in north London. What he didn't know was that this would be the start of a friendship that would turn both their lives around, and lead to *A Street Cat Named Bob*, the international bestseller that tells the story of their friendship. *The Little Book of Bob* is a collection of the wisdom James has learnt from Bob throughout the years, as they go through thick and thin together. For five decades, comedian, actor, singer, dancer, and entertainer Bob Hope (1903–2003) traveled the world performing before American and Allied troops and putting on morale-boosting USO shows. *Dear Bob . . . : Bob Hope's Wartime Correspondence with the G.I.s of World War II* tells the story of Hope's

remarkable service to the fighting men and women of World War II, collecting personal letters, postcards, packages, and more sent back and forth among Hope and the troops and their loved ones back home. Soldiers, nurses, wives, and parents shared their innermost thoughts, swapped jokes, and commiserated with the “G.I.s’ best friend” about war, sacrifice, lonely days, and worrisome, silent nights. The Entertainer of the Century performed for millions of soldiers in person, in films, and over the radio. He visited them in the hospitals and became not just a pal but their link to home. This unforgettable collection of letters and images, many of which remained in Hope’s personal files throughout his life and now reside at the Library of Congress, capture a personal side of both writer and recipient in a very special and often-emotional way. This volume heralds the voices of those servicemen and women whom Hope entertained and who, it is clear, delighted and inspired him.

In this hilarious, heartfelt memoir, the star of Mr. Show, Breaking Bad, and Better Call Saul opens up about the highs and lows of showbiz, his cult status as a comedy writer, and what it's like to reinvent himself as an action film ass-kicker at fifty. Bob Odenkirk's career is inexplicable. And yet he will try like hell to explicate it for you. Charting a "Homeric" decades-long "odyssey" from his origins in the seedy comedy clubs of Chicago to a dramatic career full of award nominations—with a side-trip into the action-man world that is baffling to all who know him—it's almost like there are many Bob Odenkirks! But there is just one and one is plenty. Bob embraced a life in comedy after a chance meeting with Second City's legendary Del Close. He somehow made his way to a job as a writer at Saturday Night Live. While surviving that legendary gauntlet by the skin of his gnashing teeth, he stashed away the secrets of comedy writing—eventually employing them in the immortal "Motivational Speaker" sketch for Chris Farley, honing them on The Ben Stiller Show, and perfecting them on Mr. Show with Bob and David. In Hollywood, Bob demonstrated a bullheadedness that would shame Sisyphus himself, and when all hope was lost for the umpteenth time, the phone rang with an offer to appear on Breaking Bad—a show about how boring it is to be a high school chemistry teacher. His embrace of this strange new world of dramatic acting led him to working with Steven Spielberg, Alexander Payne, and Greta Gerwig, and then, in a twist that will confound you, he re-re-invented himself as a bona fide action star. Why? Read this and do your own psychoanalysis—it's fun! Featuring humorous tangents, never-before-seen photos, wild characters, and Bob's trademark unflinching drive, Comedy Comedy Comedy Drama is a classic showbiz tale told by a determined idiot.

With their national bestseller *The Go-Giver*, Bob Burg and John David Mann took the business world by storm, showing that giving is the most fulfilling and effective path to success. That simple, profound story has inspired hundreds of thousands of readers around the world-but some have wondered how its lessons stand up to the tough challenges of everyday real-world business. Now Burg and Mann answer that question in *Go-Givers Sell More*, a practical guide that makes giving the cornerstone of a powerful and effective approach to selling. Most of us think of sales as convincing potential customers to do something they don't really want to. This mentality sets up an adversarial relationship and makes the sales process much harder than it has to be. As Burg and Mann demonstrate, it's far more productive (and satisfying) when salespeople think like Go-Givers. Cultivate a trusting relationship and focus exclusively on creating value for the other person, say the authors, and great results will follow automatically. Drawing on a wide range of examples of real-life salespeople who have prospered by giving more, Burg and Mann offer tips and strategies that anyone in sales can start applying right away. A colourful illustrated children's picture book prequel to the worldwide bestseller *A Street Cat Named Bob* and *The World According to Bob* – perfect for very young fans. A moving and uplifting tale about one cat in search of a friend that will melt your heart.
