

A Gift Of Hope Helping The Homeless

Michael Genhart

A Gift of Hope Danielle Steel, 2012 Presents a memoir of the author's long-time work with San Francisco's homeless while sharing a call for more effective action.

A Gift of Hope Danielle Steel, 2013 In her memoir 'His Bright Light', Danielle Steel opened her heart to share the story of the loss of her beloved son. In 'A Gift of Hope', she shows us how she transformed that pain into a campaign of service that enriched her life beyond what she could imagine.

A Cry for Help, 1996 A Cry for Help is a vivid and irrefutable picture of the homeless in America, told in their own words. Portraits by acclaimed photographer Mary Ellen Mark join an urgent introduction by Andrew Cuomo, Assistant Secretary for Community Planning and Development, H.U.D. and founder of H.E.L.P. (Housing Enterprise for the Less Privileged). Noted child psychiatrist and Pulitzer Prize-winning author Dr. Robert Coles offers a thoughtful preface about the painful effects of homelessness on a child's soul. In the tradition of classic works of advocacy like Let Us Now Praise Famous Men, this book speaks to our national moral conscience and offers an optimistic message that both personal and social change is possible.

Almost Home Kevin Ryan, Tina Kelley, 2012-09-11 Inside the lives of homeless teens—moving stories of pain and hope from Covenant House Almost Home tells the stories of six remarkable young people from across the United States and Canada as they confront life alone on the streets. Each eventually finds his or her way to Covenant House, the largest charity serving homeless and runaway youth in North America. From the son of a crack addict who fights his own descent into drug addiction to a teen mother reaching for a new life, their stories veer between devastating and inspiring as they each struggle to find a place called home. Includes a foreword by Newark Mayor Cory Booker Shares the personal stories of six homeless youths grappling with issues such as drug addiction, family violence, prostitution, rejection based on sexual orientation, teen parenthood, and aging out of foster care into a future with limited skills and no support system Gives voice to the estimated 1.6 million young people in the United States and Canada who run away or are kicked out of their homes each year Includes striking photographs, stories of firsthand experiences mentoring and working with homeless and troubled youth, and practical suggestions on how to get involved Discusses the root causes of homelessness among young people, and policy recommendations to address them Provides action steps readers can take to fight youth homelessness and assist individual homeless young people Written by Kevin Ryan, president of Covenant House, and Pulitzer Prize nominee and former New

York Times writer Tina Kelley Inviting us to get to know homeless teens as more than an accumulation of statistics and societal issues, this book gives a human face to a huge but largely invisible problem and offers practical insights into how to prevent homelessness and help homeless youth move to a hopeful future. For instance, one kid in the book goes on to become a college football player and counselor to at-risk adolescents and another becomes a state kickboxing champion. All the stories inspire us with victories of the human spirit, large and small. A portion of the proceeds from the sale of each book will help support kids who benefit from Covenant House's shelter and outreach services.

Trevor's Place Frank Ferrell,1990 A Trevor's Place recounts the story of how one boy's compassion became a campaign to help the homeless; the new edition also relates the painful story of Trevor's struggle with dyslexia and his family's agony at learning that Trevor's father had inoperable cancer.

Sacred Shelter Susan Celia Greenfield,2018-12-04 An inside look at an interfaith program for the homeless in New York City, including in-depth stories of those who have graduated and made new lives. In a metropolis like New York, homelessness can blend into the urban landscape. For Susan Greenfield, however, New York is the place where a community of resilient, remarkable individuals is yearning for a voice. Sacred Shelter follows the lives of thirteen formerly homeless people, all of whom have graduated from an interfaith life skills program for current and former homeless individuals in the city. Through interviews, these individuals share traumas from their youth, their experience with homelessness, and the healing they've discovered through community and faith. Edna Humphrey talks about losing her grandparents, father, and sister to illness, accident, and abuse. Lisa Sperber discusses her bipolar disorder and her whiteness. Dennis Barton speaks about his unconventional path to becoming a first-generation college student and his journey to reconnect with his family. The memoirists share stories about youth, family, jobs, and love. They describe their experiences with racism, mental illness, sexual assault, and domestic violence. Each of the thirteen storytellers honestly expresses his or her broken-heartedness and how finding community and faith gave them hope to carry on. Interspersed are reflections from program directors, clerics, mentors, and volunteers, including the cofounder of the program. While Sacred Shelter does not tackle the socioeconomic conditions and inequities that cause homelessness, it provides a voice for a demographic group that continues to suffer from systemic injustice and marginalization.

Beyond Homelessness Steven Bouma-Prediger,Brain J. Walsh,2008-06-03 This book is a brilliant use of metaphor that makes clear why the world leaves us feeling so uneasy!

Expect a Miracle Danielle Steel,2020-10-27 New York Times bestselling author Danielle Steel shares her favorite words of wisdom, sayings, and quotes that she has turned to time and time again for inspiration and comfort. When Danielle Steel was a young girl, her grandmother gave her a beautiful antique book with blank pages inside. She wasn't quite sure what to do with it. Draw? Write? Soon, she began to discover quotes she liked—words from other people that she wanted to keep and

hold on to. She started to write them down on those smooth ivory pages. That habit of gathering sayings has stayed with Danielle throughout the years. And now, after a lifetime of collecting, she shares the quotations that have meant the most to her—lines from books and magazines, pieces of poetry, short passages from the Bible, and quotes gathered from the world around her. These are the words that bring her wisdom and humor, inspiration and comfort, and, above all, joy. May Expect a Miracle bring the same to you, too.

Beyond Charity DeBorah Gilbert White,2021-09-03 A few days shy of her 55th birthday, DeBorah finds herself living in a homeless women's shelter. Her education and accomplishments to this point say that she should not be there, however, the reality of her lack of income and inability to maintain housing insists otherwise. Attitudes, myths, and perceptions about poverty provide the backdrop for advocacy towards a bill of rights for people experiencing homelessness and call for the right to counsel for people facing eviction. Justice and equity considerations, systematic and institutional dynamics, and the trauma of homelessness frame this personal journey of loss, enlightenment, and empowerment.

Who Is My Shelter? Neta Jackson,2011-02-28 Gabby knows God is the God of second chances. But can she give one to the man who betrayed her? When she was thrown out of the penthouse she shared with her husband and their sons, Gabby didn't know if she'd ever find a soft place to land. But after seeking refuge at the shelter where she works, extraordinary things happen as she is reintroduced to God. From the ashes of her marriage comes the House of Hope—a safe haven for homeless moms and their children. But now those ashes of her destroyed marriage are being stirred again. When her long-gone husband's life hits rock bottom, he reappears and asks for one more chance. And Gabby faces what feels like an impossible choice. Take him back. Or keep moving forward without him. Toward someone new who hasn't betrayed her. Is God redeeming what Gabby thought was gone forever? Or is He leading her down a different path and giving her something—and someone—new?

Invisible Child Andrea Elliott,2021-10-05 PULITZER PRIZE WINNER • A “vivid and devastating” (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott “From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths.”—Ayad Akhtar, author of *Homeland Elegies* ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review,

Time, NPR, Library Journal In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani's childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City's homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter "to protect those who I love." When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott's *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

A Gift of Hope Danielle Steel, 2012-10-30 In her powerful memoir *His Bright Light*, #1 New York Times bestselling author Danielle Steel opened her heart to share the devastating story of the loss of her beloved son. In *A Gift of Hope*, she shows us how she transformed that pain into a campaign of service that enriched her life beyond what she could imagine. For eleven years, Danielle Steel took to the streets with a small team to help the homeless of San Francisco. She worked anonymously, visiting the "cribs" of the city's most vulnerable citizens under cover of darkness, distributing food, clothing, bedding, tools, and toiletries. She sought no publicity for her efforts and remained anonymous throughout. Now she is speaking to bring attention to their plight. In this unflinchingly honest and deeply moving memoir, the famously private author speaks out publicly for the first time about her work among the most desperate members of our society. She offers achingly acute portraits of the people she met along the way—and issues a heartfelt call for more effective action to aid this vast, deprived population. Determined to supply the homeless with the basic necessities to keep them alive, she ends up giving them something far more powerful: a voice. By turns candid and inspirational, Danielle Steel's *A Gift of Hope* is a true act of advocacy and love.

Pure Joy Danielle Steel, 2013-10-29 NEW YORK TIMES BESTSELLER In this moving memoir, Danielle Steel tells the story of how she met a dog the size of a mouse with a personality that could light up an entire room. From Minnie's arrival at home in San Francisco to clothes-shopping jaunts in Paris, her adventures provide the perfect backdrop for a heartfelt look at the magic that dogs bring to our lives, and how they become part of the family, making indelible memories. We meet Steel's childhood pug, James; and Elmer, the basset hound who was steadfastly at her side in her struggling days as a young writer; Sweet Pea—unveiled in a Tiffany box for a dog-loving husband—and all those lucky dogs who shared a household of nine children, other canines, and one potbellied pig. As she reflects on the beloved pets who have brought joy, and sometimes

chaos, to her home through the years, Steel also shares her thoughts on the trials and tribulations of bringing a new dog into a household, the challenges of housebreaking and compatibility, the losses we feel forever. Filled with colorful characters (human and otherwise), delightful photographs, practical wisdom drawn from long experience, and brimming with warmth and insight on every page, *Pure Joy* is a love letter to this special relationship—and one of the most charming books yet from the incomparable Danielle Steel. Praise for *Pure Joy* “The mega-selling [Danielle Steel] shares happy memories of her numerous dogs. . . . Steel brings readers into her life, recounting delightful moments with her many dogs, the dogs her children have owned, and her newest friend, Minnie, her tiny Chihuahua. . . . Plainly told with honesty and affection, these stories are an affirmation of the timeless connection between humans and their canine companions.”—Kirkus Reviews “Steel doesn’t just love to write blockbusters; she loves dogs. Here’s her valentine to all the dogs she’s raised (looking to be mostly of the small sort), with lots of black-and-white photos throughout. A heady commercial combo.”—Library Journal

The Simple Gift Steven Herrick, 2004-05 Weary of life with his alcoholic, abusive father, sixteen-year-old Billy packs a few belongings and hits the road, hoping for something better than what he left behind.

The Gift Danielle Steel, 2009-02-25 On a June day, a young woman in a summer dress steps off a Chicago-bound bus into a small midwestern town. She doesn't intend to stay. She is just passing through. Yet her stopping here has a reason and it is part of a story that you will never forget. The time is the 1950s, when life was simpler, people still believed in dreams, and family was, very nearly, everything. The place is a small midwestern town with a high school and a downtown, a skating pond and a movie house. And on a tree-lined street in the heartland of America, an extraordinary set of events begins to unfold. And gradually what seems serendipitous is tinged with purpose. A happy home is shattered by a child's senseless death. A loving marriage starts to unravel. And a stranger arrives—a young woman who will touch many lives before she moves on. She and a young man will meet and fall in love. Their love, so innocent and full of hope, helps to restore a family's dreams. And all of their lives will be changed forever by the precious gift she leaves them. *The Gift*, Danielle Steel's thirty-third best-selling work, is a magical story told with stunning simplicity and power. It reveals a relationship so moving it will take your breath away. And it tells a haunting and beautiful truth about the unpredictability—and the wonder—of life.

Homelessness is a problem that is both very visible and, in many ways, invisible. **I See You** is a wordless picture book that depicts a homeless woman who is not seen by everyone around her — except for a little boy. Over the course of a year, the boy is witness to all that she endures. Ultimately, in a gesture of compassion, the boy acknowledges her in an exchange in which he sees her and she experiences being seen. In a Note for Parents, Educators, and Neighbors there are discussion questions and additional resources about helping the homeless. Open the door for kids and parents to begin a conversation about homelessness.
