Mistress in the Making - The Complete Series Larissa Lyons, 2021-10-26 For Jane Austen fans who always wished her fun and witty books had more heat. The *Mistress in the Making* historical Regency series features sizzling hot Regency romance; character-driven, feel-good interactions that bring smiles and laugh out loud moments; and a heart warming HEA. "I recommend all three of the *Mistress in the Making* books to anyone who enjoys electric passion, witty humor, and a beautiful love story!" Reading Rebel Reviews "I did so enjoy reading all three books about the growing love between Thea and Daniel. They were funny and well written and I can't wait to read more of this author's books. Highly recommended reads and definitely keepers!" Five-Star UK Reviewer Seductive Silence (Book 1) - Pestered by a persistent stammer, a regency lord with a keen interest in orreries and boxing—but not in talking—must find a way to woo his new mistress without words. Recently widowed and increasingly poor, Thea's been reduced to sharing her rented room with rodents and arguing over every morsel (the mice usually win). So when a friend suggests Thea consider a scandalous alliance, she cannot help but be intrigued... Lusty Letters (Book 2) - Thea's fascinating new protector has secrets—several. Hesitant to destroy her newfound circumstances, she stifles her longing to know everything about the powerfully built—and frustratingly quiet—Marquis. But then his naughty notes start to appear, full of humor and wit, and Thea realizes she's about to break the cardinal rule of mistressing—that of falling for her new protector. Egad. Lord Tremayne takes to writing letters to woo his new mistress, little realizing how their fun, flirty exchanges will quickly become the light of his day. Or how wretched he'll feel when the charming Thea suggests they banter in person, possibly pen poetry—together. Blazing ballocks! Is she insane? Daring Declarations (Book 3) - An evening at the opera could prove Lord Tremayne's undoing when he and his lovely new paramour cross paths with his sister and brother-in-law. Introducing one's socially unacceptable strumpet to his stunned family is never done. But Daniel does it anyway. And it might just be the best decision he's ever made, for Thea's quickly become much more than a mistress—and it's time he told her so. The sweet and spicy, 117,000 word *Mistress in the Making* historical romance bundle is a fun, "sexy Jane Austen styled", emotionally satisfying tale told in three parts: *Seductive Silence*, *Lusty Letters*, and *Daring Declarations*. From New York Times bestselling author Lauren Royal comes the first novel in her beloved series featuring the “outrageously funny, loyal, compassionate, and unconventional” Chase family. Descended from generations of jewelers, Amethyst Goldsmith loves her craft nearly as much as she loves her family. But she hates that her wedding is mere days away. Amy is promised to her father’s small-minded apprentice, the last man on earth she could ever love, honor, or especially obey. But the date is set, the dress is ordered, and there’s no way out—until the devastating Great Fire of 1666 sweeps through London, shattering her workaday world and recasting her fate... A Lord with Wicked Intentions Sasha Cottman, Lord Owen Morrison has long stopped counting the number of women he has seduced. As a member of the Noble Lords, a group of English lords who play music to woo the wicked women of the ton, Owen knows his skillful fingers with the violin and viola are appreciated both in and out of the bedroom. A year after his return from the battlefield of Waterloo, his parents have unexpectedly announced his engagement to Lady Amelia Perry, a

young woman he has never met. Lady Amelia comes with a substantial dowry which will help rescue the Morrison family estate, but Owen is too busy creating mischief to care. Strong-willed, Amy is not going quietly into the arms of an arranged marriage with Owen. She ventures to London and after assuming a false identity, she begins to lure her fiancé into her trap. She will do everything to unmask him as a rogue and force her father to call off the betrothal. The promise of a secret affair with a mysterious woman has Owen champing at the bit. But the relationship comes with strict rules, and London's lothario finds himself having to do the unheard of and be faithful to the one woman. During their secret liaisons in Hyde Park, Owen shows Amy just how much of a masterful lover he is and awakens her sexual needs and passion for him. For all her plans and schemes to unmask Owen as a wicked rake, Amy's heart rules her head, and she falls in love with her scoundrel fiancé. After Owen fights with a rival musician and is arrested, his father confronts him and demands he set aside his wanton ways and make a respectable marriage. But Amy has seen enough to know what sort of husband Owen will be, and despite her love for him, she calls off the betrothal. Owen is devastated. Facing the loss of the one woman he has ever loved; Owen finally gains a painful lesson in jealousy and is forced to face the repercussions of his life as a rake of the worst kind. Can a rake truly be reformed, and will it be enough for Amy to give Owen a second chance? *The Noble Lords*.
