adventure, intrigue, and great quotes, there's a lot to like in this book. Tim Lebbon dives into his very first Star Wars story with a great deal of success. He manages to spin a tale that feels like Star Wars, but also feels different from other stories that have been told before. While there is some threat of system wide destruction, the point is never pushed to being ridiculous. The characters feel believable and provoke interest. The attention to the characters never takes away from the plot. There's also a remarkable balance between world building, plot and character development, and action. When it comes down to it, Dawn of the Jedi: Into the Void is just great storytelling."—Roqoo Depot "A nice, compact Star Wars tale that both acts as an introduction to the Dawn of the Jedi period and a standalone story."—Club Jade "A solidly enjoyable read . . . a nice addition to the Expanded Universe."—Tosche Station "A good solid Star Wars adventure story with heart."—Knights' Archive
