First why a superhero can't be born to be superhero. Born with natural superhero abilities which evolve over a period of time. Born for a task to save the human race. Young Kabir born in Wadia family, loses his mother at birth. But little is he aware that he is going to evolve with superpowers as he crosses his teens and reaches early twenties. Grown with adventurous friends, all are always exploring different areas and one fine day end up in Himalayas, all attempting to spot the Yeti. The most shocking is when they see him, but then in the process Kabir goes missing. Friends have to return on constraints. Further little did Kabir know that he was to be initiated and trained and guided on his purpose of life. He also meets the council of 7, the ones who have lived timelessly and are never aging. The powerful council initiate Kabir. Kabir's friends after departure though sad, don't lose hope and continue with their explorations only to go deeper into some ancient secrets. Strange things happen to them as well, though they aren't superheroes but are talented differently in their own way. In all this will they be able to save the Town from the villains as a master plan is drawn to blow the entire town of Dehradun. Will Kabir gain senses and understand his role and do the right thing instead of seeking for revenge on personal front. The Mighty, the one who could change size and shape at will, is always around to help and guide. But happens when the real danger is faced.

You met them in the McKenzie Ridge Series, get to know them in Brother's Keeper... This broody bunch of Irish Alpha's with heart are the brother's you want on your side when things go wrong... This edge of your seat series will make you laugh just before it takes you through twists and turns you won't see coming and will give you all the feels along the way... The O'Reilly Brothers are your next binge read series - they're unputdownable... Brother's Keeper I: Declan (part 1) - The only thing that can taint money, privilege, and endless access to the finer things in life is murder. Lydia exchanges her life of luxury for a life on the run when she discovers her real estate tycoon husband is nothing more than a cold-blooded killer with endless resources. The only person who can keep her alive is the last person she wants to trust. Declan O'Reilly was on his way to retiring from a life undercover when his final case took a potentially fatal turn. Blowing his cover to protect the only reason he stayed on the case to begin with becomes a challenge when money and power corrupt the very agency he was sworn to trust. Going off the grid, where nobody can find them, Dec learns his desire to protect Lydia is more than just a job... He risks it all to protect the one thing he thought he could never have... She fights to discover what she's really made of only to find its what he saw in her all along... Not once, but twice, fate offers a maniacal twist that can tear them apart, as much as it can drive them together while trying to outrun the extensive reach of a diabolical criminal. Sometimes you have to break rules to protect what you love. Can Brother's Keeper Security help them find their way, or does it just put more lives on the line?

Described by Pope Pius XII as the most important theologian since Thomas Aquinas, the Swiss pastor and theologian, Karl Barth, continues to be a major influence on students, scholars and preachers today. Barth's theology found its expression mainly through his closely reasoned fourteen-part magnum opus, Die Kirchliche Dogmatik. Having taken over 30 years to write, the Church Dogmatics is regarded as one of the most important theological works of all time, and represents the pinnacle of Barth's achievement as a theologian. T&T Clark International is now proud to be publishing the only complete English translation of the Church Dogmatics in paperback.

The new edition will provide the sole comprehensive resource available for non-linear optics, including detailed descriptions of the advances over the last decade from world-renowned experts.

After an invisible force field seals off Chester's Mill, Maine, from the rest of the world, it is up to Dale Barbara, an Iraq veteran, and a select group of citizens to save the town, if they can get past Big Jim Rennie, a murderous politician, and his son, who hides a horrible secret in his dark pantry.

This groundbreaking study offers an innovative critical analysis of poetry as a resource for reflective practice in the context of continuing professional development. In the contemporary drive in all professions for greater rigour in education, training, and development, little attention is paid to the inner shape of learning and meaning-making for individuals and groups, especially ways in which individuals are formed for the task of their work. Building on empirical research into the author's professional practice, the book takes the use of poetry in clergy continuing ministerial development as a case-study to examine the value of poetry in professional learning. Setting out the advantages and limitations of poetry as a stimulant for imaginative, critical reflexivity, and formation within professional reflective practice, the study develops a practical model for group reflection around poetry, distilling pedagogical approaches for working effectively with poetry in continuing professional development. Drawing together a number of strands of thinking about poetry, Practical Theology, and reflective practice into a tightly argued study, the book is an important methodological resource. It makes available a range of primary and secondary sources, offering researchers into professional practice a model of ethnographic research in Practical Theology which embraces innovative methods for reflexivity and theological

reflection, including the value of auto-ethnographic poetry.

Six years, 2,194 days, in which the world lived through a terrible war which completely changed the system of alliances of the different countries and the way of life of millions of their inhabitants. In this book, the most important events of those fateful 2,194 days are narrated day by day. Part I includes from September 1939 to December 1942.

Chouannerie had its origins in the rifts which opened in Breton society during the French Revolution. Mounting resistance to the Republicans led to a civil war whose bitterness was exacerbated by the involvement of outsiders; for Chouannerie offered a chance of bringing down the Republic. That was the aim of count Joseph de Puisaye; of the British government, yet again at war with the French; and of the Bourbon Princes in exile, who nevertheless feared that the insurgents in Brittany might prove too independent, and that their perfidious allies in Britain be more dangerous than useful. This carefully documented study sifts the legends and unravels the misrepresentations which have been transmitted by royalist Whites and republican Blues. This has entailed the extensive use of a mass of archival material, much of which is being systematically used for the first time.

When orphan Sakura Tanaka sneaks into a famous Japanese designer's fashion show in order to meet her biological mother, she doesn't anticipate a complication that will turn her world upside down. Ambiguity has marked the use of national flags in Australia since Federation. The gaps in the documented history of the transition from Union Jack to Australian national flag has left Australians dependent on the views of groups arguing for and against flag change. Flag and Nation explains Australians' changing relationship to their national flags since 1901 and the perceptions of national identity they represent.

Authors writing for the horror genre succeed in creating an eerie and frightening atmosphere for the reader. While the featured horror is often supernatural, it may spring from a very real origin. Several classic horror stories have become icons of the horror genre. They inspire modern

retellings throughout print, on stage, and on film. This collection gathers the best of the supernatural and frightening stories spun by expert storytellers who can weave true thrillers haunted by spirits and visited by vampires; stories where even the buildings contribute to the black humor and apocalyptic natures of the plots. In the Jenith Empire, Citadel is home to the Security Service. Beneath it is the Homeland of the Kqeg, despised psychics who serve in the Military Order of Joakqim. Jaik heads the Jenith Security Service and his daughter Alisha is a student with a hidden interest in the Kqeg. Zakq and Ikqe serve in the Military Order. A Kqeg prophecy promises freedom from captivity, but the clues are not yet in place and belief has waned. Zakq is an unbeliever while Ikqe's faith sets in motion the events that will shape the future by unleashing new power games. Meanwhile Jaik has no reason to suspect that a mundane legal case will give Citadel's governor an excuse to persecute the Kqeg. Entangled by his own judgment, he sets about bringing the freshly created criminal to justice. At the same time his daughter starts making secret visits to the Homeland. Blinded by her fascination she ignores the danger of consorting with psychics, particularly clever psychics with anger in their hearts and vengeance on their minds.

This edition covers the history of the suffragist movement from its beginnings to 1885. It was written and edited by Elizabeth Cady Stanton, Susan B. Anthony and Matilda Joslyn Gage. Anthony had for years saved letters, newspapers clippings, and similar materials of historical value to the women's suffrage movement. Therefore, in addition to chronicling the movement's activities, this 3 volumes include reminiscences of movement leaders and analyses of the historical causes of the condition of women. They also contain a variety of primary materials, including letters, newspaper clippings, speeches, court transcripts and decisions, and conference reports. Volume 3 includes essays by local women's rights activists who provided details about the history of the movement at the state level. Elizabeth Cady Stanton (1815–1902) was an American suffragist, social activist, abolitionist and leading figure of the early women's rights movement. Susan B. Anthony (1820–1906) was an American suffragist, social reformer and women's rights activist. Born into a Quaker family she became the New York state agent for the American Anti-Slavery Society. Anthony was also a close friend and confidant of Elizabeth Stanton. Harriot Stanton Blatch (1856-1940) was a suffragist and daughter of Stanton who contributed a chapter on the brief history of AWSA (American Woman Suffrage Association) Matilda Gage (1826–1898) was a suffragist, a Native American rights activist, an abolitionist and a freethinker. The Woman in White Part 1 By Wilkie Collins 'In one moment, every drop of blood in my body was brought to a stop... There, as if it had that moment sprung out of the earth, stood the figure of a solitary Woman, dressed from head to foot in white' The Woman in White Part 1 By Wilkie Collins The Woman in White famously opens with Walter Hartright's eerie encounter on a moonlit London road. Engaged as a drawing master to the beautiful Laura Fairlie, Walter becomes embroiled in the sinister intrigues of Sir Percival Glyde and his 'charming' friend Count Fosco, who has a taste for white mice, vanilla bonbons, and poison. Pursuing questions of identity and insanity along the paths and corridors of English country houses and the madhouse, The Woman in White is the first and most influential of the Victorian genre that combined Gothic horror with psychological realism. The Woman in White Part 1 By Wilkie Collins Matthew Sweet's introduction explores the phenomenon of Victorian 'sensation' fiction, and discusses Wilkie Collins's biographical and societal influences. Included in this edition are appendices on theatrical adaptations of the novel and its serialisation history "There, in the middle of the broad, bright high-road—there, as if it had that moment sprung out of the earth or dropped from the heaven—stood the figure of a solitary Woman, dressed from head to foot in white garments." The Woman in White Part 1 By Wilkie Collins Thus young Walter Hartright first meets the mysterious woman in white in what soon became one of the most popular novels of the nineteenth century. Secrets, mistaken identities, surprise revelations, amnesia, locked rooms and locked asylums, and an unorthodox villain made this mystery thriller an instant success when it first appeared in 1860, and it has continued to enthrall readers ever since. From the hero's foreboding before his arrival at Limmeridge House to the nefarious plot concerning the beautiful Laura, the breathtaking tension of Collins's narrative created a new literary genre of suspense fiction, which profoundly shaped the course of English popular writing. The Woman in White Part 1 By Wilkie Collins Collins's other great mystery, The Moonstone, has been called the finest detective story ever written, but it was this work that so gripped the imagination of the world that Wilkie Collins had his own tombstone inscribed: "Author of The Woman in White."
