The 6th book in the bestselling "A Shade Of Vampire" series has arrived! Welcome back to The Shade... Derek and Sofia are finally enjoying a well-deserved break. Staying at a resort with good food, sun and sea, Sofia is thrilled to witness Derek's re-introduction to the human world. They would almost be mistaken for a normal young couple, if it were not for the red-eyed monster lurking in the shadows and watching their every move, waiting for his signal to pounce...

On the evening of Sofia Claremont's seventeenth birthday she is sucked into a nightmare from which she cannot wake. Will she succeed or is she destined to the same fate that all other girls have met at the hands of the Novaks?

Tick tock. Tick tock. Time is slipping through the Novaks' fingers like sand. The only witch with the power to save them is already within their reach. But how does one fix what one doesn't know exists?

That hot guy tied to Lissianna Argeneau's bed? He's not dessert—he's the main course! Lissianna has been spending her centuries pining for Mr. Right, not just a quick snack, and this sexy guy she finds in her bed looks like he might be a candidate. But there's another, more pressing issue: her tendency to faint at the sight of blood...an especially annoying quirk for a vampire. Of course it doesn't hurt that this man has a delicious-looking neck. What kind of cold-blooded vampire woman could resist a bite of that? Dr. Gregory Hewitt recovers from the shock of waking up in a stranger's bedroom pretty quickly—once he sees a gorgeous woman about to treat him to a wild night of passion. But is it possible for the good doctor to find true love with a vampire vixen, or will he be just a good meal? That's a question Dr. Greg might be willing to

"I celebrated when vampires were declared extinct. Those monsters had preyed on humanity for millennia, committing senseless, brutal murders. Like the rest of my colleagues at the Occult Bureau, I looked forward to a world where we could all sleep at night--where constant cover-up jobs were no longer required to keep the public calm and unaware. But the end of vampires wasn't the end of our problems. It was only the beginning"--Publisher marketing.
