What if—whoosh, right now, with no explanation—a number of us simply vanished? Would some of us collapse? Would others of us go on, one foot in front of the other, as we did before the world turned upside down? That's what the bewildered citizens of Mapleton, who lost many of their neighbors, friends and lovers in the event known as the Sudden Departure, have to figure out. Because nothing has been the same since it happened—not marriages, not friendships, not even the relationships between parents and children. Kevin Garvey, Mapleton's new mayor, wants to speed up the healing process, to

bring a sense of renewed hope and purpose to his traumatized community. Kevin's own family has fallen apart in the wake of the disaster: his wife, Laurie, has left to join the Guilty Remnant, a homegrown cult whose members take a vow of silence; his son, Tom, is gone, too, dropping out of college to follow a sketchy prophet named Holy Wayne. Only Kevin's teenaged daughter, Jill, remains, and she's definitely not the sweet "A" student she used to be. Kevin wants to help her, but he's distracted by his growing relationship with Nora Durst, a woman who lost her entire family on October 14th and is still reeling from the tragedy, even as she struggles to move beyond it and make a new start. With heart, intelligence and a rare ability to illuminate the struggles inherent in ordinary lives, Tom Perrotta's *The Leftovers* is a startling, thought-provoking novel about love, connection and loss.

A QUIET CALM Despite their tense pasts, Shoya begins to embrace the friend group that used to terrorize Shoko because she couldn't hear. Now that summer vacation is in full swing, the crew can work together to film Tomohiro's eccentric movie. Each fun-filled day lazily passes by, but doubt tugs at Shoya's heavy heart and he is desperate to cling on to meaningful moments before they are gone... On rainy mornings, Takao can never bring him-self to go to school-instead, he spends that time at the beautiful Shinjuku Gyoen gardens and finds a brief

reprieve from everything else in his life among the trees and flowers. And on one of those mornings, he discovers a mysterious woman named Yukino in his haven, skipping work, and an unlikely friendship blooms between them. But though these two are the center of this story, they are far from the only ones trying to find their way in life. From director Makoto Shinkai comes a deeper look at his award-winning 2013 film, *The Garden of Words*, full of additional scenes and perspectives to show a whole new side of the many characters who brought the film to life.

The Hunchback of Notre Dame (French: *Notre-Dame de Paris*) is an 1831 French novel written by Victor Hugo. It is set in 1482 in Paris, in and around the cathedral of Notre Dame de Paris. The book tells the story of a poor barefoot Gypsy girl (La Esmeralda) and a misshapen bell-ringer (Quasimodo) who was raised by the Archdeacon (Claude Frollo). The book was written as a statement to preserve the Notre Dame cathedral and not to 'modernize' it, as Hugo was thoroughly against this. The story begins during the Renaissance in 1482, the day of the Festival of Fools in Paris. Quasimodo, the deformed bell ringer, is introduced by his crowning as Pope of Fools. Esméralda, a beautiful 16-year-old gypsy with a kind and generous heart, captures the hearts of many men but especially Quasimodo's adopted father, Claude Frollo. Frollo is torn between his lust and the rules of

The true story of what took place in Donald Trump’s White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency’s inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members— Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation

sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump’s supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

Jonathan Safran Foer emerged as one of the most original writers of his generation with his best-selling debut novel, *Everything Is Illuminated*. Now, with humor, tenderness, and awe, he confronts the traumas of our recent history. What he discovers is solace in that most human quality, imagination. Meet Oskar Schell, an inventor, Francophile, tambourine player, Shakespearean actor, jeweler, pacifist, correspondent with Stephen Hawking and Ringo Starr. He is nine years old. And he is on an urgent, secret search through the five boroughs of New York. His mission is to find the lock that fits a mysterious key belonging to his father, who died in the World Trade Center on 9/11. An inspired innocent, Oskar is alternately endearing,

exasperating, and hilarious as he careens from Central Park to Coney Island to Harlem on his search. Along the way he is always dreaming up inventions to keep those he loves safe from harm. What about a birdseed shirt to let you fly away? What if you could actually hear everyone's heartbeat? His goal is hopeful, but the past speaks a loud warning in stories of those who've lost loved ones before. As Oskar roams New York, he encounters a motley assortment of humanity who are all survivors in their own way. He befriends a 103-year-old war reporter, a tour guide who never leaves the Empire State Building, and lovers enraptured or scorned. Ultimately, Oskar ends his journey where it began, at his father's grave. But now he is accompanied by the silent stranger who has been renting the spare room of his grandmother's apartment. They are there to dig up his father's empty coffin.

A thought-provoking, original appraisal of the meaning of religion by the host of public radio's *On Being* Krista Tippett, widely becoming known as the Bill Moyers of radio, is one of the country's most intelligent and insightful commentators on religion, ethics, and the human spirit. With this book, she draws on her own life story and her intimate conversations with both ordinary and famous figures, including Elie Wiesel, Karen Armstrong, and Thich Nhat Hanh, to explore complex subjects like science, love, virtue, and violence within the context of spirituality and everyday life. Her way of speaking about the mysteries of life-and of listening with care to those who endeavor to understand those mysteries--is nothing short of revolutionary.
