

A Smart Girls Guide To Starting Middle School Everything You Need Know About Juggling More Homework Teachers And Friends Julie Williams

Offers practical advice for babysitters, covering such basic topics as feeding, crying, keeping children amused, first aid, bedtime, and more.

Have you ever thought about how awesome cooking really is? It's actually pretty cool to take ingredients and combine them in a special way to make something totally different - and delicious! Plus, sharing your tasty creations with family and friends makes it even more fun. Think of this book as your first step toward developing your culinary skills. You'll learn the basics like chopping, mixing, and blending; then you'll practice those skills with some classic recipes. Your family and friends will be amazed when you delight their taste buds! But that's not all. Cooking is also about presentation and making things look appetizing. You'll get tips and suggestions for pretty presentations, and learn how to plan a complete meal, too. So grab an apron, plop on a chef's hat, and get cooking!

Do you feel like you're not heard but you don't want to have to scream? Personal development coach Mary Hartley explains the secrets of assertiveness – of how to communicate with other people in ways that are confident, effective – but also considerate. Mary reveals the simple steps you can take to help you relate to other people honestly and openly in every area of your life – at work, with your friends and family and in your love life. You will discover that you can be true to yourself and your needs without hurting or diminishing other people. • What assertiveness is and why it matters • How to avoid aggression, passivity and manipulation • Tips for handling tricky situations including put-downs and dealing with bullies • Mastering assertive body language and communication Packed with practical strategies and exercises, this book will show you how to be confident, assured and proactive – with style.

Filled with advice, this book teaches girls how having high self-confidence can turn a good day into a great day. Readers are given tips on how to trust themselves, boost their self-esteem, and how to feel their best in all kinds of situations. Full color.

Are you in an abusive or unhappy relationship? Do you try too hard to please your friends at the expense of your own needs and wants? Are you subservient to others and do you find yourself unable to become independent? Do you suffer from negative self-talk? These are all signs that your self-care regimen is deficient in some way. The Smart Girl's Guide to Self-Care tackles the common problems of effective self-care with practical suggestions for practices that will create a sustainable, lifelong self-care routine. For those who are beginners to concepts like mindfulness, meditation, opposite action, positive rebellion, positive affirmations and radical acceptance, this book will provide a useful and comprehensive introduction. For those struggling from the trauma of emotionally abusive relationships, this book will guide you in recognizing the signs of abuse, creating a reverse discourse that challenges ruminations over the abuse, moving forward successfully after a break-up using no contact, and techniques on coping with trauma in constructive and meaningful ways. Each chapter of this book also provides a list of supplemental resources as well as a recommended reading list to guide you on this journey to greater self-love and self-care. Although this book is intended for everyone, its target audience is young women who are socialized to believe that their needs and wants don't matter and that their relationships with others are much more important than the relationship they have with themselves. In order to have healthy, happy relationships with others, we must first cultivate healthy, happy relationships with ourselves and eradicate the toxic habits that deplete us of the self-love and self-acceptance necessary for a fulfilling life. You may be wondering: How is it possible to banish the browbeating bully inside your own head, influenced by all the bullies you've encountered in real life? How do you learn how to be more present in the moment rather than ruminating over the pitfalls of your past? How do you learn to love yourself, despite all of the experiences that tell you you aren't even worthy of your own respect and appreciation? Using a patchwork of diverse techniques and practices, The Smart Girl's Guide to Self-Care answers these questions through a holistic program of tending to the mind, body and spirit in healthier and more productive ways, serving as the portal to immense healing and enabling you to stage your own recovery and victory in ways you never thought possible.

Does public speaking paralyze you and tie your stomach into knots? Want to get a standing ovation every time? What goes into a dazzling opening and closing? Does the prospect of facing embarrassing judgment make your palms sweat? Or do you want to learn how to absolutely own the stage and become a magnetic speaker? Public speaking and presenting is one of the most common phobias -- and it's completely understandable. When else in our lives are we so open and vulnerable? But it's a necessary evil in all aspects of our lives, whether professionally and personally. From making a presentation in the boardroom to being more confident with the opposite sex, your speaking skills will take you to the next level and get what exactly what you want in your life. Fearless Public Speaking is the rare book that will (1) help you destroy your anxiety so you can confidently take any stage, and (2) once you're up there, be unforgettable and captivating as a speaker. The tenets in this book come from studying the experiences of the best presenters in the world, from CEOs, standup comics, to actors, and more. Jason Bax, noted actor, speaker, and entrepreneur, lends his thoughts in a guest chapter. And me? I'm a social skills and charisma coach, speaker, and semi-professional musician who thrives in front of the crowd... but I wasn't always like this - I know your struggles and I can help you from point A to point B! How will you learn to captivate audiences? •Why knowing where your audience gets their news is key to your memorability. •How to construct a bulletproof opening and closing. •How to make sure you reach any audience emotionally. •Overcoming stage fright and jitters with mental rehearsal techniques. As well as... •What rehearsed spontaneity is and how it makes your audience connect. •Stage presence techniques of the masters of performance like Freddie Mercury. •How standup comics own the stage and win over hostile crowds. •What a memory palace is and how it will help you memorize your speech. Put the audience in the palm of your hand, starting now! •Feel confident and empowered in taking the stage anywhere, anytime. •Speak your way to better jobs and relationships with each mini-presentation. •Build a reputation as an effective and engaging speaker. •Learn to overcome judgment and build self-confidence. •Own the room, audience, and applause.

This book--now with updated content and illustrations--offers girls straight talk on what to do when it seems like everyone's wondering "who likes who?" It includes sensitive, insightful, honest advice from girls and boys on being friends, going out, breaking up, and just being themselves. Plus, it includes tips and quizzes that lend valuable perspective on the beginning and ending of relationships.

"Good for you! You've taken the first step in a lifelong journey to learn what you can do to help end racism. Maybe you've seen someone treated unfairly just because of the color of their skin. Maybe you were treated unfairly because of the color of yours.

Maybe you've seen protests in the news and wondered what they're really all about. Whatever reason you picked up this book, you're here because you want to make a difference and change things for the better, and that's awesome! There's a lot to learn about race and racism. But don't be overwhelmed—we'll take it step by step. First learn the language and concepts of race and racism. Then we can start to think about what changes we can make in ourselves, in our communities, and in the world that can help stop racism. There are lots of ideas in this book for thinking bigger and learning new skills as we work to end racism all around us. Imagine a world where everyone is treated fairly and no one is hurt or looked down on because of the color of their skin. Think about all the good that will come when everyone feels valued, respected, and cared for—no matter who they are. That's a world that's worth fighting for, so let's go!"--

From asking for a bigger allowance to apologizing for ruining a friend's favorite book, this guide offers the exact words needed in these more than 200 other situations. Readers will find the tools, tips, techniques (and actual words!) to help them untangle their tongue and speak out with confidence and grace. Full color.

The Smart Girl's Guide to Privacy Practical Tips for Staying Safe Online No Starch Press

Girls have the power to make a difference, whether that's in their own lives, their community, or even the world! But it can be confusing to know where to start. From protecting our planet to helping animals to saying hello to someone who seems lonely, this book offers young readers lots of ideas -- big and small -- on how to spark change. The quizzes, tips, and inspiration from other girls will help her identify her talents, skills, and the causes she cares about most. Then she can find ways to take action and become a change-maker!

No one likes a know-it-all, but everyone loves a girl with brains and heart. The Smart Girl's Guide to Polyamory is an intelligent and comprehensive guide to polyamory, open relationships, and other forms of alternative love, offering relationship advice radically different from anything you'll find on the magazine rack. This practical guidebook will help women break free of the mold of traditional monogamy, without the constraints of jealousy, possessiveness, insecurity, and competition. The Smart Girl's Guide to Polyamory incorporates interviews and real-world advice from women of all ages in nontraditional relationships, as well as exercises for building self-awareness, confidence in communication, and strategies for managing and eliminating jealousy. If you're curious about exploring group sex, opening up your current monogamous relationship, or ready to "come out" as polyamorous, this book covers it all! Whether you're a seasoned graduate, a timid freshman, or somewhere in between, you'll learn how to discover and craft unique relationships that are healthy, happy, sexy, and tailor-made for you. Because when it comes to your love life, being a know-it-all is actually a great thing to be.

Sometimes when we worry about something, it feels like we're the only ones - and that makes us even more worried! But really, everyone worries about something from time to time. Sometimes the worries are about big things, like an argument with a friend, taking an important test, or having to perform in front of a crowd; and sometimes the worry is about smaller things like having a bad hair day or saying something embarrassing. But regardless of what the worry is about, it never feels fun to worry! This book will help you put a stop to worrying as soon as it starts. Take interesting quizzes to discover more about yourself and the things that concern you, and get great tips and tricks for creating a sense of calm. Plus, read some really helpful advice from girls just like you who found a way to relax their worries. The whole book is packed with techniques for handling worry, creating confidence, and inspiring you to be the girl you're meant to be.
