

A Touch Of Romance A Christian Romance Callaghans Mcfaddens Book 6

Hunted by a murderer who has terrorized her since childhood, Juliana Thorne is forced to seek protection from a powerful enemy. But Damien Villa is a far cry from an ideal savior. The mysterious billionaire harbors his own sinister plans for revenge, and if Juliana isn't careful, she may just find herself playing right into his hands.

They say I died... they are wrong Once more a malevolent presence threatens wolven society. They say my love story with my fated mate, Darby, ended with my death, but they were wrong. They say my eldest son, Jean-Edouard, is nothing at all like me, they are wrong about that as well. They say a lot of things, but I will prove them wrong. Touch of Fate bridges the gap between Jean-Michel and Darby's love story chronicled in the Wayward Mates and Tangled Vines series and the new Fated Legacy series. Part One is set in 2028 on the tenth anniversary of Jean-Michel and Darby's bonding. Part Two is set in 2038, on their twentieth anniversary. And Part three is set in 2048 on Jean-Michel's 50th Birthday. Throughout the novella, readers will get to catch up with a lot of their favorite couples and be introduced to the next generation who will populate the novels of the Fated Legacy series. Touch of Fate is a supernatural romance with steamy heat in and out of the bedroom. Books in series Touch of Fate Touch of Darkness Touch of Light Touch of Fire Touch of Ice Touch of Destiny

The second in the captivating Hades and Persephone series from fan-favorite bestselling author Scarlett St. Clair. "Are you saying you wouldn't fight for me?" Hades sighed and brushed his finger along her cheek. "Darling, I would burn this world for you." Persephone's relationship with Hades has gone public and the resulting media storm disrupts her normal life and threatens to expose her as the Goddess of Spring. To add to her troubles, everyone seems eager to warn Persephone away from the God of the Dead by exposing his hellish past. Things only get worse when a horrible tragedy leaves Persephone's heart in ruin and Hades refusing to help. Desperate, she takes matters into her own hands, striking bargains that lead to severe consequences. Faced with a side of Hades she never knew, and crushing loss, Persephone wonders if she can truly become Hades's queen.

CRITTER WRANGLER RULE 2: WHEN SCARY THINGS RUN AWAY, SOMETHING SCARIER IS COMING. Kyra Greene is used to the scary things that run in the shadows. As a pest controller with a soft heart, she has an apartment full of rescues. And in a city overrun with fae creatures, those rescues range from a basilisk to a banshee and even a pygmy kraken. When she finds an abandoned baby dragon, she doesn't want to bring him home. But until she can hunt down the brute who is trying to kill all the dragons and start a civil war among the fae, she's on babysitting duty. Book 1 of the thrilling new Valkyrie Bestiary series, Dragons Don't Eat Meat is a true menagerie of quirky characters, adorably evil critters and dark magics.

The next installment in the Hades and Persephone story from bestselling author Scarlett St. Clair. Discover the world of New Athens and the Greek gods in a series that readers are calling "hopelessly addictive." "I am not sure who you think I am," she said. "But let me be clear—I am Persephone, future Queen of the Underworld, Lady of Your Fate—may you come to dread my presence." Persephone and Hades are engaged. In retaliation, Demeter summons a snowstorm that cripples New Greece, and refuses to lift the blizzard unless her daughter calls off her engagement. When the Olympians intervene, Persephone finds her future in the hands of ancient gods, and they are divided. Do they allow Persephone to marry Hades and go to war with Demeter, or prohibit their union and take up arms against the God of the Dead? Nothing is certain but the promise of war.

Sometimes you just need to hug your dervish. Like when he protects you from brownies. Or goes down into the scary basement with you because he's proud to be your apprentice. Or when he saves the world. Kyra Greene, pest controller to the extraordinary is back with a new adventure! A Guardian is dead. Fae are missing. And someone has let a golem loose in town. Ride along with Kyra Greene, the only pest controller qualified to deal with the strange and wonderful creatures that come out the shadows when magic flares. Dervishes Don't Dance is the second book in the Valkyrie Bestiary series.

He tempts death on his quest for adventure. Since he was young, Gabe Callaghan has chased the rush of an adrenalin high. Whether it was jumping off the roof of his family home onto the trampoline below as a boy or BASE jumping off the Kjerag Massif in Norway as an adult, Gabe craves the rush that dangerous activities give him. No person, place or thing has ever held his attention long enough to divert him from that chase. That is until the day he walked into his family's business and laid eyes on Maya St. James. Even though she's in her mid-twenties, Maya has an innocence about her and a curiosity about life that draws him in. Gabe longs to show her his world! She has fought hard to live. A two-time cancer survivor, Maya St. James has only just recently begun to spread her wings, eager to escape beyond the walls her wealthy, over-protective parents had put in place to keep her safe. She longs to experience a world that, for the most part, she has only seen virtually through videos and television. When she meets Gabe Callaghan for the first time, Maya is drawn to his zest for life. She's never met anyone like him before and finds herself saying yes to his invitations to be part of his world. But even as she finds herself falling for Gabe, Maya comes to the realization that his ideas of excitement and adventure vary greatly from hers. Add to that is the knowledge that Gabe's time in Winnipeg is short, and Maya is left to wonder if it's possible for their lifestyles to mesh. Will their blossoming love be enough to overcome their differences? Or will their opposite perspectives on life drive them apart?

Gold is wealth. Wealth is power. Power is a curse. This captivating fantasy adventure—the untold story of the daughter King Midas turned to gold—will dazzle you with the kind of action, adventure, twists, turns, and a bit of romance to make any fan of magic and mythology greedy for more. After King Midas's gift—or curse—almost killed his daughter, he relinquished The Touch forever. Ten years later, Princess Kora still bears the consequences of her father's wish: her skin shines golden, rumors follow her everywhere she goes, and she harbors secret powers that are getting harder to hide. Kora spends her days concealed behind gloves and veils. It isn't until a charming duke arrives that Kora believes she could indeed be loved. But their courtship is disrupted when a thief steals treasures her father needs to survive. Thanks to Kora's unique ability to sense gold, she sails off on her quest to find the missing items. Magic, mythology, fantasy, and pirate adventures charge through every page as Kora learns that not everything is what it seems—not her companions, not the thieves, and not even Kora herself. A Touch of Gold: Is told from the perspective of Kora, King Midas's daughter and a strong female protagonist Is a clean fantasy adventure, perfect for fans of the #1 New York Times bestselling books, The Wrath & the Dawn and Cinder Is an enchanting and captivating fantasy adventure/fairy tale retelling Features a beautifully decorated cover Will have strong appeal to readers ages 13 & up

Everly Gray's fingers are a magnet for trouble... When she touches photographer Mitchell Hunt and sees the image of a dead body, she dives into the murder fingertips first. Life takes a turn for the dangerous when she discovers the body is related to a small-time crime family that accidentally stepped on the toes of notorious criminal, Delano West. Caught in a web of intrigue where nothing is as it seems, El discovers an aptitude for breaking and entering, the pain of an up close and personal meeting with a bullet, and the terror of facing a cold blooded killer. What she doesn't learn--to keep her fingers to herself.

"Beth Blake used to have a perfectly normal life in London until a secret from the past thrusts her into notoriety and she finds herself in Argentina under the watchful eye of a bodyguard.

Controlling, insufferable, and sinfully sexy to boot, Raphael Cordoba is a thorn in her independent side!"--P. [4] of cover.

Four friends. Four college grads. Four people figuring out that life doesn't always turn out the way you expected. Brielle Reyes may not have post-college life planned out like some of her friends do, but she figures she'll work for her mother's home cleaning service while job hunting for something that makes use of her history and philosophy degrees. It'll work out as long as she doesn't fall in love. Her last relationship was a disaster and she has no idea where she'll be in a few weeks, let alone the rest of her life. Since the only guy in her age range she sees now on a regular basis is cantankerous if handsome client Archer Ward, she probably won't have a hard time sticking to that vow. Probably. Archer Ward likes very few things: illustrating as a somewhat-celebrated comic artist and his privacy. When his meddling mother hires him a cleaning service on an almost daily basis because she doesn't fully trust her son to live on his own with his disability, he's at first annoyed—even if his house cleaner is the most beautiful woman he's ever spent more than a few minutes with. When he realizes her dreams may take her far outside of his restricted orbit, he has to decide whether to stifle his interest in her or risk messing up her plans to explore if there's something more between them. Neither can deny they're growing a little fond of each other, even if falling in love just now makes no sense whatsoever. But how often does love ever make perfect sense? Readers of slightly racy sweet romance will enjoy this geeky contemporary coming of age romance series about recent college graduates navigating career paths and love. An ideal read for fans of Cassie Mae, Jennifer L. Armentrout, Cora Carmack, Lindy Zart, and Tammara Weber.

A modern classic first published in 1978 that is as much a sophisticated romantic comedy about the love between two partners as it is a novel about the powerful bonds shared by family members, friends, colleagues and confidants. "A comedy of manners that reminds us that manners are comic and should be enjoyed as such." —The New York Times Guido and Vincent, best friends (and third cousins), aren't expecting to fall head-over-heels in love, but that is exactly what happens. Guido is smitten with Holly, a dazzling young woman who chafes at the idea of complacency, while Vincent falls for Misty, a work colleague with an acerbic sense of humor who seems as uninterested in romance as she is in Vincent (at first). In the months that follow, both couples will experience the rituals of courtship, jealousy, estrangement, family entanglements, and other perils of the heart as they try to find love in spite of themselves. Colwin is a master of portraying the messiness of life: here, in hilarious and endearing prose, she follows these two improbable pairs, and their families, as they navigate and ultimately find happiness together—not all the time, but for most of it. With a foreword by Katherine Heiny.

A Touch of Love is Jonathan Coe's delightfully comic and moving novel about not fitting in Robin, a postgraduate student in Coventry, has spent four and a half years not writing his thesis. He and his academic colleagues, united by pallor, social ineptitude and sexual inexperience, once spent hours discussing their theories, but they somehow never made it into print. Now his unfinished thesis languishes in a drawer, and Robin hides in his room, increasingly frightened by a world he doesn't understand. His friends have failed him and romance eludes him. His only outlet is his short stories, scribbled in notebooks and expressing his secret obsessions and frustrations. Then, when an unfortunate and embarrassing incident in a public park lands him in serious trouble, Robin's life finally spirals out of control. . . A Touch of Love is a brilliant, bittersweet book that will be enjoyed by readers of David Nicholls, Nick Hornby and lovers of comic fiction. 'A magnetic, moving tale' Observer 'Very funny' The Times Literary Supplement 'Witty and astringently intelligent' Guardian Jonathan Coe's novels are filled with biting social commentary, moving and astute observations of life and hilarious set pieces that have made him one of the most popular writers of his generation. His other titles, The Accidental Woman, The Rotters' Club (winner of the Everyman Wodehouse prize), The Terrible Privacy of Maxwell Sim, The House of Sleep (winner of the 1998 Prix Médicis Étranger), What a Carve Up! (winner of the 1995 John Llewellyn Rhys Prize) and The Rain Before it Falls, are all available as Penguin paperback.

Happy All the TimeVintage

When Bennett McFadden fell in love with Grace Moore as a nineteen-year-old, he'd thought they had a future together. Unfortunately, everything changed when Grace's grandmother died and Grace pulled away from him and the future he had dreamed they'd have together. Several years later, Grace's husband passes away unexpectedly, and it reinforces her belief that anyone she allows to get too close to her dies. To prevent further heartache, Grace is once again determined to keep those she cares about at arm's length, but sometimes circumstances force a closeness that can't be avoided. Bennett hadn't like Grace's husband, Franklin, when they'd first met--for many reasons--but as the man had changed in recent months so had Bennett's level of respect for him. Franklin's death shocks them all, but once again the Callaghan-McFadden family rallies around Grace just as they had during the past losses she'd endured. As Bennett spends time helping Grace in the months following Franklin's death, he finds the feelings he'd once had for her coming to the surface again. Unfortunately, the fear that bound Grace's heart before has an even tighter grip on her now. Though she supports Makayla and Ethan as they prepare to say their vows, she knows that never again will she allow herself to be that vulnerable. Love can overcome fear, but only if Grace is willing to take a chance even while knowing that loss might follow.

Critter wrangler rule 7: Some monsters just have to die. Someone is plotting to put all gargoyles in jail...or six feet in the ground. For decades gargoyles have patrolled the night in Montreal Ward. They are dubbed Guardians by the humans and fae who live on the fringes of society, those who survive in neighborhoods the police don't care about. But when a Guardian is accused of murder, their reputation blackens. Mason promised to return from France with the one weapon capable of killing the formidable witch who was reborn from the bloodstone, but no one has heard from him in months. Now Polina gathers forces. Without Mason or the Guardians, Kyra has no backup as she tries to solve a murder and face off against new and terrifying monsters...all while caring for her growing menagerie of extraordinary critters. A new adventure in the Inbetween, where magic is the only rule of law. Hell Hounds Don't Heel is the third book in the Valkyrie Bestiary Series.

Two murders. A distressed teenager and her dauntless mother. A French Police Captain whose own private life is changed forever by his investigation. ?When Alice moved to Garches, a posh suburb in the Paris metropolitan area, she hoped to find a safe environment for her daughter, Melody. But two people are murdered in quick succession in the elite private school she enrolled her daughter in. There's a long list of suspects determined to keep their secrets, and a senior member of government who doesn't trust a suburban cop's ability to handle the investigation. With his tenacity and his keen sense of observation as his only advantages, Thomas Sturm races against time to solve the murders and to come to terms with the way the investigation is affecting his private life. Set within the beauty of Paris and of one of its exclusive suburbs, Far away from here is a gripping story and a compelling crime novel which will keep you guessing until the very end.

A thousand years in the future, the last of humanity live inside the walls of the totalitarian Kingdom of Cutta. The rich live in Anais, the capital city of Cutta, sheltered from the famine and disease which ravage the rest of the Kingdom. Yet riches and power only go so far, and even Anaitians can be executed. It is only by the will of the King that Nate Anteros, son of the King's favourite, is spared from the gallows after openly dissenting. But when he's released from prison, Nate disappears. A stark contrast, Catherine Taenia has spent her entire life comfortable and content. The daughter of the King's Hangman and in love with Thom, Nate's younger brother, her life has always been easy, ordered and comfortable. That is, where it doesn't concern Nate. His actions sullied not only his future, but theirs. And unlike Thom, Catherine has never forgiven him. Two years pass without a word, and then one night Nate returns. But things with Nate are never simple, and when one wrong move turns their lives upside down, the only thing left to do is run where the King's guards cannot find them - the Outlands. Those wild, untamed lands which stretch around the great walls of the Kingdom, filled with mutants and rabids.

Angel Adrian Mitchell tries to convince Lindsay Gibson that she is actually Shadoe, the woman he loves and keeps losing, in a new body, while dealing with a pack of rogue vampires and a lycan revolt.

Romantic Comedy about Greek Gods Selfish and gorgeous Greek God Triton is cast out of Olympus after seducing Zeus' mistress and can only gain reentry if he finds a woman who loves him for his kindness and selflessness, not his beauty. When the mortal Sophia - recovering from an eye operation and virtually blind - needs a home healthcare worker, he takes on the role, hoping she will be his ticket home. While defending Sophia from an unknown adversary, Triton's protective instinct emerges. At the same time rival Gods do everything to doom him to failure. And even if Triton can win Sophia's love, will he throw it away to return home, or will he lose his own heart to the only woman who truly sees him? After her young nephew and two nieces' parents are drowned in a tragic sailing accident off the coast of Cornwall, the beautiful red-headed Tamara is devastated by their loss and realises almost at once that she is the only person who can look after the three children as she loves them so much. She speaks to the local Solicitor, who tells her that there is no money left in her brother-in-law's estate and so she has no choice but to take the three children to their uncle, the Duke of Granchester, who lives in splendid isolation in a vast sprawling but intimidating Castle in Gloucestershire. The prospect at once appals Tamara. Firstly because she despises the Duke for the way he had cut off all contact with her sister and brother-in-law as he disapproved of their marriage, thinking that she was an actress when in fact she was a renowned opera singer. Worse still, Tamara has written a somewhat scurrilous novel portraying the Duke as the vile character she believes him to be! And the novel is just about to be published in London! Arriving at Granchester Castle in the guise of the children's Governess, she finds the Duke to be as arrogant, high-handed and annoyingly handsome as her fictional portrayal of him and she hates him even more bitterly. Until a touch of love intervenes and changes everything forever.

What do you do when you can't cast spells? You make your own magic. Jackson Pryde was never great at wielding magic. Instead, he works as an artificer, crafting enchanted devices in the Black Market, a shadowy bazaar of wonders. But Xander Wright, the mouthy, pretentious mage next door, hates all the hammering in Jackson's workshop. When a chance assignment forces them to team up, they discover a terrifying predicament. Something is driving members of the magical community into murderous rages. Jackson and Xander must combine might and magic to find the source of the Fever and stop it. Can they put aside their differences long enough to end the Fever, or will they succumb to its bloodthirsty curse? A Touch of Fever is a 70,000-word M/M urban fantasy romance with a HFN ending. Join a fast-talking artificer and a snarky sorcerer, best friends turned bitter enemies, as they navigate an adventure filled with strange flora, mythical fauna, and magical murders. If you like your urban fantasy with humor, horror, and a whole lot of heart,

A young couple's toxic Instagram crush spins out of control and unleashes a sinister creature in this twisted, viciously funny, "bananas good" debut. (Carmen Maria Machado) "Um, holy shit...This novel will be the most fun you'll have this summer." —Emily Temple, Literary Hub Remy and Alicia, a couple of insecure service workers, are not particularly happy together. But they are bound by a shared obsession with Jen, a beautiful former co-worker of Remy's who now seems to be following her bliss as a globe-trotting jewelry designer. In and outside the bedroom, Remy and Alicia's entire relationship revolves around fantasies of Jen, whose every Instagram caption, outfit, and new age mantra they know by heart. Imagine their confused excitement when they run into Jen, in the flesh, and she invites them on a surfing trip to the Hamptons with her wealthy boyfriend and their group. Once there, Remy and Alicia try (a little too hard) to fit into Jen's exalted social circle, but violent desire and class resentment bubble beneath the surface of this beachside paradise, threatening to erupt. As small disturbances escalate into outright horror, we find ourselves tumbling with Remy and Alicia into an uncanny alternate reality, one shaped by their most unspeakable, deviant, and intoxicating fantasies. Is this what "self-actualization" looks like? Part millennial social comedy, part psychedelic horror, and all wildly entertaining, A Touch of Jen is a sly, unflinching examination of the hidden drives that lurk just outside the frame of our carefully curated selves.

When Nate signs up with a matchmaking app, the sparkly, colorful, always-fashionable florist is hoping to find the guy who will finally see him as more than just a one-night stand. In fact, he's hoping he'll find "the one" who wants the same things he does - white picket fence, kids, minivan, dog - and doesn't mind having them with a man others might think shines just a little too bright sometimes. Enter Harrison Garrison. The uptight lawyer is all wrong for Nate. He's rigid, distant, controlling, emotionally closed off, and content to live his life in black and white...with maybe a little gray thrown in here and there. But when a misunderstanding leads to an encounter that is all kinds of white-hot, Nate starts to think maybe the matchmaking app got it right after all. Until he finds out the real reason Harrison signed up for the app... Will Nate be the one to finally add a touch of color to the staid Harrison's life, or did the app completely miss the mark?

Dive into the compelling mystical world of the Healer series by New York Times bestselling author Maria V. Snyder. Laying hands upon the injured and dying, Avry of Kazan absorbs their wounds and diseases into herself. But rather than being honored for her skills, she is hunted. Healers like Avry are accused of spreading the plague that has decimated the Fifteen Realms, leaving the survivors in a state of chaos. Stressed and tired from hiding, Avry is abducted by a band of rogues who, shockingly, value her gift above the golden bounty offered for her capture. Their leader, an enigmatic captor-protector with powers of his own, is unequivocal in his demands: Avry must heal a plague-stricken prince—leader of a campaign against her people. As they traverse the daunting Nine Mountains, beset by mercenaries and magical dangers, Avry must decide who is worth healing and what is worth dying for. Because the price of peace may well be her life... Originally published in 2010

Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They're polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will spend the summer writing something happy, and January will pen the next Great American Novel. She'll take him on field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). Everyone will finish a book and no one will fall in love. Really.

"Julie Crawford left Fort Wayne, Indiana, with dreams of being a Hollywood screenwriter. Unfortunately, her new life is off to a rocky start. When she is fired by the notoriously demanding director of *Gone with the Wind*, she's lucky to be rescued by Carole Lombard, whose scandalous affair with the still-married Clark Gable is just heating up. As Carole's assistant, Julie suddenly has a front-row seat to two of the world's greatest love affairs. And while Rhett and Scarlett -- and Lombard and Gable -- make movie history, Julie is caught up in a whirlwind of outsized personalities and overheated behind-the-scenes drama ... not to mention a budding romance of her own." -- Back cover.

"Little River, New York, 1994: April Sawicki is living in a run-down motorhome, flunking out of school, and picking up shifts at the local diner. But when April realizes she's finally had enough--enough of her selfish, absent father and barely surviving in an unfeeling town--she decides to make a break for it. Stealing a car and with only her music to keep her company, April hits the road, determined to live life on her own terms. She manages to scrape together a meaningful existence as she travels, encountering people and places she's never dreamed of, and could never imagine deserving. From lifelong friendships to tragic heartbreaks, April chronicles her journey in the beautiful music she creates as she discovers that home is with the people you choose to keep"--Publisher's description.

Danger lurks in the western realms. Though an evil king has been defeated, a sorcerer warlord has risen and nobody is safe. This demon-possessed warlord creates magical terrors, attacking nations with the ultimate goal to weaken and demolish them before the Destroyer's imminent return. When Lizzan leads the Kothan army against these terrors, only to see her soldiers massacred and to emerge as the only survivor, she is called a coward. A disgrace. A failure. Shunned from her home, Lizzan now wanders in solitude through the lands as a mercenary for hire, until she encounters a group of warriors seeking new alliances with the northern kingdoms--a group that includes Aerax, the bastard prince of Koth, and the man who sent her into exile. Though they were former childhood friends, Aerax cannot trust the woman whose failure led to the fall of a kingdom. But when a goddess's demand binds them together, Lizzan and Aerax

must find a way to overcome their painful pasts. Or there will be no future for the western realms...

A spicy hot Van Helsing sister adventure, featuring Mariah Van Helsing. I don't mingle with the monsters. Sorry, creatures and beasts. They're not "monsters" unless they prey on humanity. Except, it's just a matter of time for most of them, right? Then a frustratingly helpful and sinfully handsome werewolf walks in my door, and I can't help thinking that maybe I'm wrong to paint all the magical creatures with the same brush. Maybe I'm into a man with more than a touch of wild inside him. Warning from the author: This book contains steamy, sexy "monster"-human shenanigans, enough naughty words to make someone (not me) blush, and a monster hunter who needs to open her eyes enough to see the man in front of her who's more than the beastly bite that infected him. A Touch of Wild is an approximately 5,500-word (22-page) short story with a happy-for-now ending.

From bestselling author Scarlett St. Clair comes a dark and enthralling reimagining of the Hades and Persephone Greek myth. "Let me worship you," he said. She remembered the words she had whispered to him in the back of the limo after La Rose. "You will worship me, and I won't even have to order you." His request felt sinful and devious, and she reveled in it. She answered, "Yes." Persephone is the Goddess of Spring in title only. Since she was a little girl, flowers have only shriveled at her touch. After moving to New Athens, she hoped to lead an unassuming life disguised as a mortal journalist. All of that changes when she sits down in a forbidden nightclub to play a hand of cards with a hypnotic and mysterious stranger. Hades, God of the Dead, has built a gambling empire in the mortal world and his favorite bets are rumored to be impossible. But nothing has ever intrigued him as much as the goddess offering him a bargain he can't resist. After her encounter with Hades, Persephone finds herself in a contract with the God of the Dead, and his terms are impossible: Persephone must create life in the Underworld or lose her freedom forever. The bet does more than expose Persephone's failure as a goddess, however. As she struggles to sow the seeds of her freedom, love for the God of the Dead grows—a love that is both captivating and forbidden.

When young Victoria vanishes without a trace, her heartbroken parents turn to the last prospect they can find for hope. Autumn Rain receives impressions--feelings, or imprints--left behind on certain objects that were treasured by their owners. Victoria's parents view Autumn's unusual talent as a special gift, and hope she can shed light on their daughter's last thoughts. Private detective Keefe McConnell, whose widowed sister disappeared under similar circumstances, urges Autumn to help, but her involvement sets in motion a series of events that risk not only her own life, but the lives of those she cares about most.
