Magic Forged K. M. Shea, 2020-02-28 I'm one scrappy wizard. As someone with barely a flicker of magic, I've spent my life being mocked and surviving fights with bullies. But when my parents die in an accident, and I find myself responsible for our whole wizard house and family, I know my usual tactics aren't going to cut it. The situation veers from bad to catastrophic when my backstabbing cousin stages a coup and takes my family hostage. I barely manage to flee, but the only supernatural willing to help me is Killian Drake--the most feared vampire in the region, and a far more deadly villain than the jerk threatening my family. Is Killian sexy and charismatic? Heck yeah. He's also so powerful that my flight or fight instincts kick in every time our eyes meet. And he's definitely using me as his personal magic detector in his feud against the local fae. But Killian is also the first person to believe I might have more than just a scrap of magic. And if I can convince him to train me, I might get strong enough to free my family and get my house back. I'm not sure what happens when a scrappy wizard is taught how to fight by a hall of deadly vampires, but I'm about to find out.

The Origin of Consciousness in the Breakdown of the Bicameral Mind Julian Jaynes, 2000-08-15 National Book Award Finalist: “This man’s ideas may be the most influential, not to say controversial, of the second half of the twentieth century.”—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three

thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. “Don’t be put off by the academic title of Julian Jaynes’s *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor.”—The New York Times “When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis.”—John Updike, *The New Yorker* “He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior.”—American Journal of Psychiatry

So good.”—Zakiya Dalila Harris, author of *The Other Black Girl* Steel Magnolias meets *Dracula* in this New York Times best-selling horror novel about a women's book club that must do battle with a mysterious newcomer to their small Southern town. Bonus features: • Reading group guide for book clubs • Hand-drawn map of Mt. Pleasant • Annotated true-crime reading list by Grady Hendrix • And more! Patricia Campbell’s life has never felt smaller. Her husband is a workaholic, her teenage kids have their own lives, her senile mother-in-law needs constant care, and she’s always a step behind on her endless to-do list. The only thing keeping her sane is her book club, a close-knit group of Charleston women united by their love of true crime. At these meetings they’re as likely to talk about the Manson family as they are about their own families. One evening after book club, Patricia is viciously attacked by an elderly neighbor, bringing the neighbor's handsome nephew, James Harris, into her life. James is well traveled and well read, and he makes Patricia feel things she hasn’t felt in years. But when children on the other side of town go missing, their deaths written off by local police, Patricia has reason to believe James Harris is more of a Bundy than a Brad Pitt. The real problem? James is a monster of a different kind—and Patricia has already invited him in. Little by little, James will insinuate himself into Patricia’s life and try to take everything she took for granted—including the book club—but she won’t surrender without a fight in this blood-soaked tale of neighborly kindness gone wrong.
