This is the United Nations definitive report on the state of the world economy, providing global and regional economic outlook for 2020 and 2021. Produced by the Department of Economic and Social Affairs, the five United Nations regional commissions, the United Nations Conference on Trade and Development, with contributions from the UN World Tourism Organization and other intergovernmental agencies.

A history of The Bahamas as told through maps and images.

Biodiversity observation systems are almost everywhere inadequate to meet local, national and international (treaty) obligations. As a result of alarmingly rapid declines in biodiversity in the modern era, there is a strong, worldwide desire to upgrade our monitoring systems, but little clarity on what is actually needed and how it can be assembled from the elements which are already present. This book intends to provide practical guidance to broadly-defined biodiversity observation networks at all scales, but predominantly the national scale and higher. This is a practical how-to book with substantial policy relevance. It will mostly be used by technical specialists with a responsibility for biodiversity monitoring to establish and refine their systems. It is

written at a technical level, but one that is not discipline-bound: it should be intelligible to anyone in the broad field with a tertiary education.

Style icon India Hicks's charming take on entertaining, featuring dreamy tablescapes, found centerpieces, and enjoyable family anecdotes. Daughter of the late David Hicks and goddaughter to Prince Charles, India Hicks is known for her irreverent take on style. In her previous books, she invited readers into her homes on Harbour Island and in England. For her third book, India presents her own slightly madcap spin on entertaining. Organized by meal, the book begins marvelously with the most important meal of the day--cocktail hour--and ends with breakfast. In between, there are family suppers and big dinners, birthday cakes and Christmas crackers, great British breakfasts, quick teas and long lunches, mustard pots as vases, and bedcovers for tablecloths. Like India, these stories are full of personality, from the Panic Dinner (or what to do when you suddenly have a crowd descending) to the Naked Cake (cake decorating for the harried or untalented) to a White Christmas in the Bahamas. Each celebration includes clever advice and inspiration for place settings, homemade flower arrangements, table design, and more. These are parties that make use of what is on hand, whether it's beach towels thrown down a long table, children's candy piled in cups on a tray, or massing palm fronds collected from the lawn. Beautifully photographed and embellished here and there with a bit of Hicks family lore, the book is rounded out with a sprinkling of recipes from India's beloved cook, Claire Williams, fondly known as Top Banana, and other family members, from traditional English fare such as Victoria Sponge to tropical treats such as the Marquess's Banana Daiquiri.
