On the occasion of the 90th anniversary of Pininfarina, a marque synonymous with style and elegance applied to car design, Pininfarina is a book that surveys, for the first time, the entire output of the Turin coachbuilder, model by model. Produced in close collaboration with the company, it draws on invaluable photographic material accompanying brief contextualising texts. Tracing the history of Pininfarina from its origins to the present day entails reviewing some of the most iconic models in automotive history: from the numerous Ferraris bodied by the historic partner of the Maranello firm to cars such as the Cisitalia 202, the Lancia Aurelia, the Alfa Romeo Duetto and 164, the Maserati GranTurismo through to the current models born under the aegis of the Indian firm Mahindra. The book also covers the numerous Pininfarina concept cars that have written glorious pages in the history of design, raising the bar every time in terms of the excellence of the car product. Ferraris are dreams come true for lovers of four-wheeled vehicles, and veritable cult objects for appassionati and collectors from around the world. This book takes an all encompassing look at these symbols of Italian excellence.

Katie's Cabbage is the inspirational true story of how Katie Stagliano, a third grader from Summerville, South Carolina, grew a forty-pound cabbage in her backyard and donated it to help feed 275 people at a local soup kitchen. In her own words, Katie shares the story of the little cabbage seedling and the big ideas of generosity and service that motivated her to turn this experience into Katie's Krops, a national youth movement aimed at ending hunger one vegetable garden at a time. Katie's Cabbage reminds us of how small things can grow and thrive when nurtured with tender loving and care and of how one person, with the support of family, friends, and community, can help make a

powerful difference in the lives of so many. Katie's Cabbage was illustrated by Karen Heid, associate professor of art education at the University of South Carolina School of Visual Art and Design. Editorial assistance was provided by Michelle H. Martin, a dedicated gardener and the Augusta Baker Chair in Childhood Literacy at the University of South Carolina School of Library and Information Science. Patricia Moore-Pastides, First Lady of the University of South Carolina and author of *Greek Revival from the Garden: Growing and Cooking for Life*, offers a foreword about her friendship with Katie and her admiration of Katie's dream to end hunger one garden at a time.

In the early sixties, a triumvirate of young working-class photographers burst onto the scene and turned the fashion world on its head - David Bailey, Brian Duffy and Terence Donovan ushered in the era of the photographer as cultural hero and, as the son of an East-End truck driver, Donovan in particular personified what the popular imagination believed to be the essence of the 'swinging sixties' in London. Although often pigeon-holed as a fashion photographer, his magazine work actually formed just a fraction of his prolific output. When he died in 1996, after a career spanning forty years, he left an archive of nearly a million exposures which included his portraits, advertising commissions and documentary work. This new, stunning retrospective of his best-known images (and some previously unpublished) has been compiled with the support of Terence's wife and promises to be an important contribution to photographic and social history publishing.

Six victories, two pole positions, eight fastest laps and 13 podium places - statistics that are anything but striking. In Formula 1 today, there are drivers who have won a great deal more, but Gilles Villeneuve cannot be evaluated by numbers alone- simply because there is no way of measuring the level of excitement that he brought to racing. Even though he has been dead for over 30 years, the legend of the Canadian, who was killed on 8 May 1982, is still imbued with strong emotion - Gilles the "Aviator" as Enzo Ferrari nick-named him, the driver for whom the expression "Villeneuve Fever" was coined. From his "crazy flight" at Fuji in 1977, his first GP win at home in Canada in 1978, the unforgettable 1979 season followed by a year of purgatory, his epic success at Monaco in 1981 and the in-house duel with Didier Pironi at Imola in 1982, to that last "crazy flight" at Zolder. GILLES VILLENEUVE: Immagini di una vita/A life in pictures relives the legend, with previously unpublished pictures and authoritative text by Mario Donnini.

In Margaret Ogilvy, author J. M. Barrie (today best remembered for his enduring children's classic *Peter Pan*) presents a loving, detailed portrait of his mother. As a child, Margaret had been forced to become the "woman of the house" when she was only eight years old, filling in as the household manager after her own mother's death. Her difficult early life seems to have inspired Barrie's works about children who seek desperately to cling to the carefree days of youth.

One former Miss Bolivia. Two missing Colombian drug dealers. Three wealthy tourists taken hostage. A passenger liner runs aground on the muddy banks of the Rio del Plata. One by one, its passengers are abducted by the city's criminal classes. As the kidnapping of three wealthy European couples sends stock markets yo-yoing, the job of solving the chaos falls on the weary shoulders of the last honest men in town--Deputy Inspector Walter Carroza of the serious-crime squad. But the one thing on his mind is former Miss Bolivia, Ana Torrente, "a cherub with tropical lips and tits." Why is it that the

bodies of the men who try to take her to bed are always found minus a head? Devilishly ironic and shirt-soakingly atmospheric, Holy City confirms Orsi as the master chronicler of Buenos Aires' murderous underworld.

It's been over twenty years since his death. Now, this beloved and unforgettable champion's final hours. On May 1, 1994, at Bologna's Ospedale Maggiore, Ayrton Senna, three-time Formula 1 world champ, lay dying after a tragic accident at the Grand Prix of San Marino. The idea for this monograph (and the exhibition at the Museo della velocità dell'Autodromo Nazionale in Monza) stems from the book Suite 200: L'ultima notte di Ayrton Senna (published by 66th and 2nd, 2014) written by the journalist Giorgio Terruzzi. An enthralling story with details on the final moments of Senna's life and thoughts as the fateful hour approached. Through a selection of approximately one hundred photographs by Ercole Colombo—the famous Formula 1 photographer—this monograph aims to narrate the career as well as the most intimate aspects of the Brazilian car racer's life. A fanciful story, enriched by the writings of Giorgio Terruzzi, who covers the most important moments in Ayrton Senna's life: his legendary wins, his defeats, the loss of his friends, the great rivalry with other drivers, his emotions and family relationships, and finally the terrible accident where he lost his life.

Unbekannte Preziosen Wenn Autofirmen Studien und Prototypen zeigen, erlauben sie damit einen Blick hinter den Vorhang, eine Vision von dem, was kommt oder kommen könnte. Neben dem, was bei offiziellen Terminen und auf Messen gezeigt wird, gibt es aber eine überwältigende Menge von Entwürfen und Modellen, die der Öffentlichkeit aus verschiedensten Gründen verborgen bleiben. Das alles hat Stefan Bogner im Modell oder sogar fahrfertig vor der Linse gehabt. Die erhellenden Hintergründe hat Jan Baedeker im persönlichen Gespräch mit Designchef Michael Mauer notiert. Folgen Sie uns auf eine unvergleichliche Entdeckungsreise durch die Welt des Porsche Designs! Zweisprachig: Deutsch/Englisch

Mendoza the Jew combines a graphic history with primary documentation and contextual information to explore issues of nationalism, identity, culture, and historical methodology through the life story of Daniel Mendoza. Mendoza was a poor Sephardic Jew from East London who became the boxing champion of Britain in 1789. As a Jew with limited means and a foreign-sounding name, Mendoza was an unlikely symbol of what many Britons considered to be their very own "national" sport.

From the foreword: "One of the High Line's powers is its ability to evoke time, to remind us of the changes we've experienced during our own lives, to bring forth echoes of the past, and to make us guess what life might be like years from now. I love the photos on these pages, because they have that power, too." --Joshua David, Co-Founder of the Friends of the High Line. Ten Avenues Press, in association with Friends of the High Line, announce the publication of High Line Nudes. In 2006, photographer Kevin McDermott took three of his friends up on the abandoned railroad tracks that would become New York City's High Line park to shoot a series of nudes. As McDermott states in his introduction, "at the time I took these photos, what I sought from its beauty was its sense of isolation, being alone, surrounded by nature in the middle of this metropolis." A decade later, this location is now one of the most visited tourist destinations in NYC and one of the largest real estate developments in the world. High Line Nudes captures a seemingly impossible, but

beautiful moment in the history of the West Side Rail Yards, Chelsea and an ever changing New York City. The cloth hardcover book is beautifully printed in color and rich black and white duotone images.

Ancient Sanskrit text with English translation on trees and plants.

For more than 120 years (1714–1837) Great Britain was linked to the German Electorate, later Kingdom, of Hanover through Personal Union. This made Britain a continental European state in many respects, and diluted her sense of insular apartness. The geopolitical focus of Britain was now as much on Germany, on the Elbe and the Weser as it was on the Channel or overseas. At the same time, the Hanoverian connection was a major and highly controversial factor in British high politics and popular political debate. This volume was the first systematically to explore the subject by a team of experts drawn from the UK, US and Germany. They integrate the burgeoning specialist literature on aspects of the Personal Union into the broader history of eighteenth- and early nineteenth-century Britain. Never before had the impact of the Hanoverian connection on British politics, monarchy and the public sphere, been so thoroughly investigated.
