The SAGE Course Companion on Management Accounting is an accessible introduction to the subject that will help readers extend their understanding of key concepts and enhance their thinking skills in line with course requirements. It provides support on how to revise for exams, how to present calculations and how to prepare for and write assessed pieces. Readers are encouraged not only to think like a management accountant but also to think about the subject critically. Designed to compliment existing textbooks for the course, the companion provides:

- Easy access to the key themes in Management Accounting and an over view of its business context -
- Helpful summaries of the approach taken by the main textbooks on the course -
- Guidance on the essential study skills required to pass the course -
- Sample exam questions and answers, with common pitfalls to avoid -
- A tutor?s-eye view of what

help keep accountants on top of current international economic affairs. The questions are multiple-choice and ensure understanding of a topic before moving onto the exercises and problems. The exercises can be used to develop proficiency in a topic where students are expected to reach the standard of the problems, and the problems are longer and more complex in nature, requiring an in-depth understanding of the topic. Combined, this complete approach provides a full view of the up-to-date requirements of the International Financial Reporting Standards.

DT These highly successful revision guides have been brought right up-to-date for the new A Level specifications introduced in September 2000. DT Oxford Revision Guides are highly effective for both individual revision and classroom summary work. The unique visual format makes the key concepts and processes, and the links between them, easier to memorize. DT Students will save valuable revision time by using these notes instead of condensing their own. DT In fact, many students are choosing to buy their own copies so that they can colour code or highlight them as they might do with their own revision notes. The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. The P1 Professional Accountant exam is based on the themes of professionalism, responsibility and accountability. The syllabus emphasises what is important for a well-run organisation and illustrates the factors underpinning professional behaviour by accountants:

- * Corporate governance arrangements should ensure that the organisation functions smoothly and directors and managers are accountable
- * Corporate governance requires sound systems of internal control and risk management
- * Accountants should think carefully about what their ethical positions are and what views of society their professional opinions support
- * Accountants and businesses should be aware of the social and environmental impacts their activities have.

The examiner-reviewed Study Text provides

Read Online Accounting Exam Papers Questions And Answers

everything you need to know for P1. It explains the theories behind the key areas of corporate governance and ethics, and demonstrates how the theories translate into practice. The Text gives lots of examples of the risks organisations face. It also shows how businesses are coping with their wider social responsibilities, which the examiner has highlighted as very important. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.
