This book is a manifesto for church life and Christian living. It is a book that will challenge what we believe and how we live. The book wrestles with key passages in the Bible and offers principles for a just spirituality. The book comes out of practice and reflection. Arno has been training leaders, pastors and missionaries for many years combined with his experience as a church leader, a local pastor and being the overseer of an international network of churches. The book offers an alternative to a superficial faith that leads to bog standard answers. Instead, Arno encourages us all to have a good look at the context of each passage and to evaluate it in the light of the life and ministry of Jesus. Church life as well as Christian living becomes life transforming when what we believe and what we do look and sound like Jesus. The world is in desperate need of the authentic voice of God. If the church is to be a force to be reckoned with in the world. If Christians are to become agents of change and a transformative voice to the next generation. We need to be tuned in to what God wants to tell us. The body of Christ desperately needs prophets to awaken and go forth. Some things will not happen until you open your mouth. Your voice has the power to bring heaven to earth. God has given believers the ability to speak as He spoke, causing things that were not to be. The believer's voice pulls, roots out, throws down, destroys, and builds up and plants (Jeremiah 1:10). When we speak according to the Spirit of God, our voices bring heaven to earth. When we open our mouths, heaven is speaking. When we prophesy, heaven is speaking. When we speak by the Spirit of God, heaven is speaking. No matter how much it seems like hell is raging, when we open our mouths and speak God's Word, heaven comes. In Activate Heaven, John Eckhardt shows you how to use your voice to advance God's agenda in the earth and equips you to stand against everything the enemy uses to silence your voice, from depression and confusion to sickness, pain, and rejection. The enemy would like nothing more than to silence the

church. But when we open our mouths, the sick get healed, demons flee, miracles and finances are released, resulting in situations turned around. Speaking the will of God--speaking forth that which is in heaven--is the essence of the prophetic. Therefore, it's time to stop complaining and start prophesying. It's time to stop talking about how bad things are and begin to open our mouths and declare that as we speak heaven comes. This book will teach you how to use the most powerful tool you possess: Your voice. You will be empowered to rip off the muzzle placed upon you by man, and you will exercise the supernatural power of your voice.

Prophetic Visions helps to make spiritual and practical sense of your Godly visions and reveals how messages from God cover a wide spectrum of supernatural occurrences ranging from a mere sighting to a grand cinematographic happening --from purely auditory to purely aromatic. For many people, the ability to recall dreams diminishes with age--but with visions, the capacity to receive by visions not only increases with age but actually gets better. The scope of visions therefore becomes limitless. Visions can involve the totality of the human being--body, soul, and spirit--such that a vision can sometimes be perceived through the natural senses if the vision has penetrated the natural realm. This means that depending on the nature by the visionary occurrence, the vision can be seen, heard, touched, or smelled! Exciting and

All God's people have been given the ability not only to hear his voice, but to speak his words. Yet some still believe that the gift of prophecy ceased with the death of the New Testament apostles. Others believe that gifts are reserved only for those specially anointed and appointed. Grounded in Scripture, international speaker and author Kim Maas will help you understand · the history of the modern prophetic movement · key misunderstandings and misconceptions about prophecy · where prophetic community fits into God's kingdom plan When the body of Christ recognizes that we are called to be a prophetic community, the voice of God will be released with fresh power in the church and the family, in the halls of justice and of education, in places of business and of leisure, and in the streets of every neighborhood, city, and nation. Lives will be changed. Communities will be transformed. Culture will be influenced. And history will be made.

Non Commercial-No Derivative 4.0 license. Experiences of hearing the voice of God (or angels, demons, or other spiritual beings) have generally been understood either as religious experiences or else as a feature of mental illness. Some critics of traditional religious faith have dismissed the visions and voices attributed to biblical characters and saints as evidence of mental disorder. However, it is now known that many ordinary people, with no other evidence of mental disorder, also hear voices and that these voices not infrequently include spiritual or religious content. Psychological and interdisciplinary research has shed a revealing light on these experiences in recent years, so that we now know much more about the phenomenon of "hearing voices" than ever before. The present work considers biblical, historical, and scientific accounts of spiritual and mystical experiences of voice hearing in the Christian tradition in order to explore how some voices may be understood theologically as revelatory. It is proposed that in the incarnation, Christian faith finds both an understanding of what it is to be fully human (a theological anthropology), and God's perfect self-disclosure (revelation). Within such an understanding, revelatory voices represent a key point of interpersonal encounter between human beings and God.

Foundational Teaching from a Charismatic Healing Minister and a Catholic Scholar International healing minister Randy Clark teams up with Mary Healy, a respected Catholic scholar, to show not only that the gifts of the Spirit still exist today, but that they are not optional; they are the necessary tools God has given for both building his Church and spreading the Gospel. With wisdom and practical insight, Clark and Healy walk you through biblical texts, dispel misconceptions, and show that there is an endless variety of gifts. They also show how the gifts are not just for a select few, but distributed freely by the Holy Spirit among believers. After laying this foundation, the authors reveal how you can activate the gifts in your own life and use them to benefit others. In this hurting world, you can give people more than just a message--you can help usher them into an encounter with God.
