Less able pupils will find Basics easily accessible and will develop their literacy skill as a result of a carefully monitored language level. Teachers will benefit from clear references to the current National Curriculum requirements. Basics is a cost-effective resource, equally useful in both smaller groups and the mixed-ability classroom. Teachers will find Basics fits easily into established schemes of work through strong links with existing Key Geography books. Pupils will improve skills and knowledge through spiral progression, revisiting and reinforcing topics and skills.

The Caminos Spanish course places emphasis on cultural awareness of Spain and Spanish-speaking countries, providing pupils with an informed insight into the lives and concerns of their peers overseas. The communicative approach of the series means that pupils are encouraged from the start to express themselves, their feelings and opinions in the target language, acquiring all the language skills they need for effective communication.

This workbook, based on Acceptance and Commitment Therapy (ACT) and Exposure Response Prevention (ERP), teaches teens with OCD new skills to handle the stream of pesky obsessions that show up in their mind. It presents the Choice Point - a tool to help teens choose how to handle those tricky moments when dealing with unwanted thoughts. Chapter by chapter, teens learn powerful skills to unhook from their obsessions, including exposure exercises and strategies for accepting their emotions, and complete activities to help them overcome their compulsions, avoidant behaviors, and requests for accommodations. With real-life examples and tons of fun activities, this workbook shows that fears, worry and nervousness are a part of life and gives teens the skills to choose how to respond to their obsessions and move towards the stuff they really care about. Making applying ACT and ERP skills fun, it encourages them to face their fears and live life to the full.

Resources and activities to develop literacy skills and improve learning. Revised and updated materials and examples in the existing chapters.

Recognising one of the most-honoured performers of all time, A Celebration of Dolly Parton: The Activity Book is 2021's follow-up to A Celebration of David Attenborough: The Activity Book and The Unofficial Michelle Obama Activity Book. Spanning Dolly's long and illustrious career, TheActivity Book includes: Illustrations and graphics to colour-in dedicated to Dolly's Greatest Hits Anagrams of our favourite Dolly songs A solution for when the daily 9 to 5 grind is transported to the working-from-home environment A tour of Dollywood: try to spot Dolly among the throngs of visitors and maze your way around to reunite her with her missing guitar Inspirational word clouds, quizzes, puzzles, games, drawings, facts, emotional rollercoaster graphs and much, much more Not just a musician, Dolly has used her vast fame and fortune for good: setting up The Dollywood Foundation, the My People Fund and, perhaps most famously, The Imagination Library which provides free books to children throughout their childhood. Dolly the Philanthropist sections are interspersed throughout the activities – providing information on her charitable endeavours, such as her recent contribution to the funding for research into the Moderna COVID-19 vaccine. But what do we really know about the woman behind the chart-toppers, successful enterprises and charitable foundations? Dolly's Wit & Wisdom

punctuates the book, offering an insight into 'the living legend' – what makes her so likeable, why she is considered a queer icon, as well as valuable life advice on love, fashion and femininity to ensure you're as successful as 'Saint Dolly' herself.
