You cannot make it without God's mercy. Do we just need God's grace in dark and shameful moments? Are prayers for mercy only for those times when we really mess up? Jonathan Parnell says we need God's mercy all the time. In fact, contrary to many church cultures, Parnell shows that asking God for mercy should be as regular as asking God for our daily bread. There's no doubt that David was in a terrible predicament when he first prayed the words of Psalm 51. It was a dark and shameful moment in the Bible, and one so dark and shameful it seldom feels relevant to us today. But David's most desperate prayer is really a prayer for all of us—and not just for our worst moments, but for our every moment. In these pages, you'll discover: how to pray a daily, memorable prayer derived from Psalm 51 how to practice daily repentance and soul care how to pursue God and experience his joy in the Christian life This is God's mercy, and it's Mercy for Today.

1 Thessalonians provides a fascinating glimpse into the origins and social life of the Christ group in the ancient Roman city of Thessalonike, while 2 Thessalonians reveals how the community developed at a somewhat later time. This guide narrates the story of the founding of the group by considering the social and cultural contexts, the literary form, the rhetorical strategies, the theologies, and the reception of the two canonical letters. While centering on the texts of 1 and 2 Thessalonians themselves, Ascough draws widely on literary and archaeological data, giving particular attention to typical group behaviours among small, unofficial associations in the Greek and Roman period. The first four chapters focus on 1 Thessalonians, from the initial formation of the Christ group out of a small association of artisans through to how members negotiated various sorts of relationships: with

Paul and his companions, with outsiders in Thessalonike and beyond, and especially with fellow believers within the group itself. The final two chapters turn attention to the shifting circumstances that required a second letter to be written, with its focus on disorder and disruption of social practices and theological beliefs. The epilogue briefly surveys Christianity at Thessalonike beyond the 1st century. This guide presents an overview of the historical development of the Christ group at Thessalonike. Moving beyond treating the canonical letters as simple repositories of theological opinions, Ascough demonstrates how 1 and 2 Thessalonians reveal ordinary life in ancient Roman cities. In so doing, he invites readers to enter the world of one of the many fascinating communities of Christ believers in the 1st century of the Common Era.

"Scripture is far from silent on the subject of baptism, yet history is strewn with such a variety of perspectives that it becomes difficult to gain a clear view of what the Bible itself actually has to say: How would the original readers of Acts, Romans, or Colossians have understood the texts concerning baptism when they read them for the very first time? How do readers of today understand the baptismal references of the New Testament if they have no particular commitment to a certain theological point of view? In thirteen chapters, Dr. Cottrell discusses the twelve major texts in the New Testament and does so by examining the meaning of the original words, the historical background, and the comparative references. The texts covered: Matthew 28:18-20, Mark 16:15-16, John 3:3-5, Acts 2:38-39, Acts 22:16, Romans 6:3-4, 1 Corinthians 12:13, Galatians 3:26-27, Ephesians 5:25-27, Colossians 2:11-13, Titus 3:5, 1 Peter 3:21"--P. [4] of cover. Greg Carey's guide equips readers to develop their own informed assessments of Luke's Gospel. The book begins with an inductive exposition of Luke's singular approach to composing a story about Jesus, examining its use of Mark, clues

to its social setting, and its distinctive literary strategies. Recognizing that many readers approach Luke for theological and religious reasons, while many others do not, a chapter on 'Spirit' addresses Luke's presentation of the God of Israel, how the Gospel ties salvation to the person of Jesus, and how the problems of sin and evil find their resolution in the kingdom of God and in community of those who follow Jesus. A chapter on 'Practice' examines the Gospel's vision for human community. While many readers find a revolutionary message in which women, the poor, Gentiles and sinners find themselves included and blessed in Luke's Gospel, this volume calls attention to inconsistencies and tensions within the narrative. Luke does speak toward inclusion, Carey argues, but not in a revolutionary way. Could it be that the Gospel promises more than it delivers? Carey suggests that Luke speaks to people of relative privilege, challenging them toward mercy and inclusion rather than toward fundamental social change. An Epilogue reflects upon contemporary readers of Luke, most of whom enjoy privilege in their own right, and how they may respond to Luke's story.

THE SECOND COMING OF CHRIST - REV. 19:1-21 A. GENERAL - 1. Chapter 19 - brings to a close the Great Tribulation period (Daniel's 70th Week – Dan. 9:27) and ushers in the 2nd coming of Jesus Christ. 2. Christ promised he would come again (John 14:3). 40 days after his resurrection (Acts 1:3), Christ ascended into heaven from the Mount of Olives; just East of Jerusalem (Acts 1:9). Two angels told the apostles Jesus would return in like manner (Acts 1:11). In Rev. 19:11-16, Christ returns with armies of saints and angels. 3. The prophecies of Zechariah will be fulfilled: "Thus says the Lord: I am returned to Zion and will dwell in the midst of Jerusalem..." (Zech. 8:3); "And his feet shall stand in that day upon the Mount of Olives, which is before Jerusalem on the East..." (Zech. 14:4). 4. In Chapter 19 - there are actually 2 scenes: 1 in heaven which is one of great joy and 1 on earth which is one of great judgment. **B. JOY IN HEAVEN (REV. 19:1-10) – 1. SONGS OF THE SAINTS - REV. 19:1-6) – a. TIME SEQUENCE - (1)** After this, I (John) heard - what sounded like the roar of a great multitude in heaven shouting: "Hallelujah - salvation - glory – power – belong to our God for true and just are his judgments – he has condemned the great prostitute (whore, KJV) - who corrupted the earth by her adulteries - he has avenged on her the blood of his servants!" (Rev. 19:1-2). NOTE: "After this" refers to the destruction of the apostate religious system in Rev. 17 and the corrupt commercial system in Rev. 18. In Rev. 18:20 the call to rejoice was issued; now we have the response to that call.

The book of Acts opens with the dramatic story of tongues of flame descending upon believers at Pentecost and the prophecy of an egalitarian dispensation of the Spirit being fulfilled. Yet, as the narrative unfolds, we become aware of a tension between the socially egalitarian promise of the Pentecost story and the author's underlying concern to provide reassurance for his elite patron Theophilus that Jesus followers do not disturb the existing social order. In this guide, Acts is read as a struggle to tame the tongues of fire. Acts mutes the egalitarian promise of the Spirit through presenting an 'orderly account' (as its author calls it) of the Jesus movement that appeals to elite sensibilities. And, at the same time, the narrative contains contradictions, gaps and fissures that suggest the outlines of a more complex, and even subversive, religious movement.
