

## Add Your Legacy To Our Own Alumni Community

It is 1966 and 12 year old Mary Foster's narrow, prescribed world is abruptly disturbed by a sudden, unexplained move from suburban London to a neglected Victorian house on the south coast of England.

A proud, empowering introduction to African American history that celebrates and honors enslaved ancestors Your story begins in Africa. Your African ancestors defied the odds and survived 400 years of slavery in America and passed down an extraordinary legacy to you. Beginning in Africa before 1619, Your Legacy presents an unprecedentedly accessible, empowering, and proud introduction to African American history for children. While your ancestors' freedom was taken from them, their spirit was not; this book celebrates their accomplishments, acknowledges their sacrifices, and defines how they are remembered—and how their stories should be taught.

"My Legacy: A Book about You" is a just that, a book about YOU. This is a guided memoir that was created for people who aren't going to live forever. It's a 50-page book with blanks you fill in, questions you answer and information you leave for your loved ones. This book is a way for your legacy to live on long after you are gone. When a loved one passes away, family members often search for closure. They want to hear from their loved one ONE LAST TIME. They want to know what their thoughts and feelings were, what their last wishes were and they want answers to questions they never got a chance to ask. Give the gift of your legacy, your words and your wishes to your family. Give yourself peace of mind and provide your family with closure. Leave something behind more important than just your material things. This book was designed for anyone, of just about any age, to fill out. It allows grieving family members, who are left behind after your passing, to stay close to and connected to you based on the words of your legacy. It also provides them with answers to questions they might have and maybe most importantly, your hand-written words to cherish. Sometimes it is difficult to have a discussion with loved ones about death and dying, about the past and the future. My hope is that this book will help.

Imagine that murdered primatologist Dr. Dian Fossey of Gorillas in the Mist fame were alive today and able to reflect upon her death as well as her legacy. This is the impetus behind author Georgianne Nienaber's compelling work, *Gorilla Dreams: The Legacy of Dian Fossey*. At the beginning of *Gorilla Dreams*, Fossey attends her own funeral and watches her murdered gorillas interacting with the graveside bystanders. She establishes a new relationship with the slain gorilla Digit, who acts as her guide after death as she carefully reviews her life, its challenges, successes, hardships, and the ultimate closure of her murder. Although Fossey's death is officially unsolved, recently released documents obtained through the Freedom of Information Act, as well as testimony from the International War Crimes Tribunal proceedings, offer new suspects, motives, and opportunities. Every fact about Fossey's life is meticulously annotated. However, the setting of her conversations with the murdered gorillas is obviously fictional, yet steeped in African tradition. *Gorilla Dreams: The Legacy of Dian Fossey* is a biographical interpretation of the famed primatologist's life that honors the African belief that the dead live on in spiritual form.

What if your entire race were created by the ancient Celtic God, Dagda, to please his beloved daughter, Brigid, who gifted your maternal bloodline with a spark of her soul? Now you're given the task of living in the mortal realm to bring the gift of the Arts to the mortals she loves; while being relentlessly hunted by the Goddess of the Killing Rage to satisfy a deadly desire for Otherworldly vengeance. Just before Eléan's seventeenth birthday, the Goddess of Lust & Rage, along with the Immortal she created, destroyed her sheltered life. Now, an object of possession by mortals and immortals alike; Eléan must learn to control her legacy and, with the two warriors that love her, save the Goddess

Brigid by protecting the small flame of Immortal soul that lives within her. Liam and James have been friends...brothers...since they were children. Now the Otherworld has been released into the Mortal Realm leaving a bloody path of terror in its desire for vengeance. It's coming for Eléan, a woman they both love and would die to protect. Will the Otherworld destroy their bond...or will their love for Eléan give them the strength to fight what's coming? Forced into the service of the Goddess Morrigan and made immortal, Greagoir must be the vessel for the Goddess' uncontrollable lust and killing rage. Eléan is the key. After all these centuries, all that stands in his way are two mortal warriors gifted by a goddess and a young woman's desire to survive.

Like most people, Irina Gorski has a past. A past that she wants to keep secret. She had fought in the war against Emperor Lalani where she was a member of a secret military organization called the Arcanum Mortis. Her job was to do the impossible tasks which usually required a flexible set of moral standards. A job in which she excelled. It has been 15 years since the end of the war, and she is now a Maintenance Chief on an out of the way research station. The job was fine with Irina because all she wanted to do was raise her daughter, Pearl. Her biggest fear was her daughter finding out about her past. Things are fine for her until one day a terrorist group called the Brotherhood decide that they are going to make her remote out of the way planet their new home world. Now she has to use her training from the past to try to stop the Brotherhood and save her daughter as well as the researchers and their families. Irina wondered which was harder, keeping secrets or raising a teenage daughter.

With wit & clarity, Robb Lucy shows how to build legacies that connect you to others and make you happier. A master story-finder and teller, Lucy shows how to use your values and signature strengths to build legacies large and small; from grandma's story to an international charity. Lucy says "Don't leave your legacies. LIVE your legacies!"

For over 30 years Alan Weiss has consulted, coached, and advised everyone from Fortune 500 executives, state governors, non-profit directors, and entrepreneurs to athletes, entertainers, and beauty pageant contestants. That's quite an assortment of people, and they run into the thousands. Most of them have had what we euphemistically call "means," and some of them have had a lot more than that. Others have been aspiring and with more ends in sight than means on hand. Alan Weiss states: I've dealt with esteem (low), narcissism (high), family problems, leadership dysfunctions, insecurities, addictions, and ethical quandaries. And I've talked with them through the coronavirus crisis. But don't get the wrong idea. About 95% of these people have been well-meaning, honest (to the best of their knowledge), and interested in becoming a better person and better professional. Otherwise, they wouldn't be talking to me. I found the equivalent of the "runner's wall" in their journeys, where they must break through the pain and the obstacles and then can keep going with renewed energy and spirit. But runners know how far they must go after the breakthrough, be it another half lap or another five miles. There is a finish line. I've found that people in all positions, even after the "breakthrough," don't know where they are in the race, let alone where the finish line is. They do not know what meaning is for them. They may have money in the bank, good relationships, the admiration of others, and the love of their dogs. But they have no metrics for "What now?" They believe that at the end of life there is a tallying, some metaphysical

accountant who totals up their contributions, deducts their bad acts, and creates the (hopefully positive) difference. That difference, they believe, is their "legacy." But the thought that legacy arrives at the end of life is as ridiculous as someone who decides to sell a business and tries to increase its valuation the day prior. Legacy is now. Legacy is daily. Every day we create the next page in our lives, but the question becomes who is writing it and what's being written. Is someone else creating our legacy? Or are we, ourselves, simply writing the same page repeatedly? Or do we leave it blank? Our organic, living legacy is marred and squeezed by huge normative pressures. There is a "threshold" point, at which one's beliefs and values are overridden by immense peer pressure. Our metrics are forced to change. In an age of social media, biased press, and bullying, we've come to a point where our legacy, ironically, is almost out of our hands. Yet our "meaning" — our creation of meaning and not a search for some illusive alchemy — creates worth and impact for us and all those with whom we interact.

Pastors and other church leaders often feel ill-equipped in the critical area of stewardship and giving. Propel: Good Stewardship, Greater Generosity fills that need by offering a comprehensive course in church stewardship for the pastor, stewardship leader, or seminarian. Author Clayton Smith gives clear instructions for the organization and implementation of annual campaigns, planned giving programs, memorial gifts, and much more. He offers an extraordinary depth and breadth of practical information along with the wisdom that comes with decades of real church leadership experience. "Every pastor should have a copy of Propel readily at hand all year long. It is as complete a guide to all phases of Christian financial stewardship as exists today. I highly recommend it because of the excellent content but also because of the author. Clayton Smith has been a student of financial stewardship all his life. I am thrilled that now others may learn from him. I wish I had this book forty years ago when I started out. Propel will make a difference in your ministry!" —J. Clif Christopher, President and CEO, Horizons Stewardship Company "As leaders, we often know we must do something differently, but we are not sure what or how. Clayton Smith propels us forward. This amazing resource identifies the many ways we can lead our congregations into a bright future. Smith's strategies and methods for generosity apply to every church leader, any size church, and all denominations. This is more than a stewardship or finance book. It helps build a culture in which Christians can become the generous people they are intended to be." —Donald W. Joiner, Director of Operations and Stewardship, General Board of Discipleship "Propel demystifies the practices of generosity and stewardship in local congregations. It is both a scholarly guide for pastors and a detailed handbook for lay leaders. Smith covers giving of all varieties and offers proven techniques that work in churches of all sizes and contexts. Propel is a valuable guide for every leader, clergy or lay, who sees generosity as an inescapable element of Christian discipleship." —Byrd L. Bonner, AIF, President, United Methodist Church Foundation "Clayton Smith

in his wonderful book *Propel: Good Stewardship, Greater Generosity*, describes six different ways to help people grow in their giving." —Margaret Marcuson, Marcuson Leadership Circle

Map Detailing Ancient Olmec and Maya States that Rimmed the Gulf of Mexico It seems that the human race has an abiding tendency to know what surrounds our often routine, mundane lives. There is an even greater tendency to involve ourselves in perceived mystery, particularly when it involves prophecy and doomsday scenarios. The astronomical Alignment on December 21, 2012 is just such an event that encompasses all the elements of a great mystery, including doomsday prophecy and more. The book chronicles what a group of noted scientists say we can expect to happen, as the sun and earth align with the center of our own galaxy. The reader is cautioned to hold on tight, and be mentally prepared for mind-bending surprises, as a cabal of our best scientific minds slug it out over the portent of the Alignment during a symposium at the Institute for Advanced Study, Princeton, NJ.

Written in a straightforward, easy to read style, Rob Beales provides the knowledge and techniques needed to build, troubleshoot, and maintain personal computer systems. Divided into three parts, Part 1 forms an introduction to digital computers, leading the reader through the various parts of a modern PC system, including popular peripherals and networking concepts. Part 2 contains a step-by-step guide on the assembly and configuration of a complete state-of-the-art PC system, including a section on the use of important Windows 98 / ME / 2000 / XP applications and components. Part 3 covers preventative, predictive and corrective maintenance, based in typical current work practice – a major part of the IT practitioner's work schedule. Case Studies and practical worked examples are included throughout the text, with additional Case Studies, specifically aimed to meet the requirements of e-Equals courses on an accompanying website. Further web resources include key figures from the text available to download in full-colour, with a wealth of extra material covering Binary / Hex and basic logic functions; ASCII tables; Connector types and pinouts; Bus slots; RAM slots and further useful website links. Updated throughout in line with current technologies, the second edition is also designed to cover the latest specifications of BTEC National and City and Guilds e-Equals (400 and 500) courses, and the A+ certification, in addition to meeting the needs of the general PC user.

Masculinity in America has never been under attack the way it is today. We have reached the point where the term itself is considered toxic or offensive to many. American men are conflicted as to what their role is in society. The consistent message that has proliferated in our nation is that masculinity, by nature, is bad and is the root cause of many of the problems plaguing our society. Everything from racism to pedophilia has been blamed on "toxic masculinity." Some colleges and universities are now offering classes on how to overcome or be delivered from this very "threatening" phenomenon called "masculinity." If men take up biblical mandates ordained by their Creator—no matter their color,

nationality, station, upbringing, or education—a new vision can be cast and executed that will restore a civil and prosperous America for all.

Both computer rookies and pros can thoroughly master Microsoft Word 2016 applications quickly and efficiently with ILLUSTRATED MICROSOFT OFFICE 365 & WORD 2016: COMPREHENSIVE. Skills are accessible and easy to follow with a hallmark two-page layout that allows readers to see an entire task without turning the page. Using a concise, focused approach and user-friendly format, this book incorporates Learning Outcomes that outline the Microsoft Word 2016 skills addressed in each lesson. Larger full-color images reflect exactly what readers should see on their own computer screens. Each module begins with a brief overview of the principles of the lesson and introduces an updated case study for further application to ensure readers gain a full understanding of Microsoft Word 2016. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

With 80 million grandparents in the United States, you are one of many seniors searching for help in being a Godly grandparent. *Pass the Legacy: 7 Keys for Grandparents Making a Difference* is a book to encourage, inform and equip you in your important role while living in a culture that tells you your purpose is minimal. Many seniors desire to be Godly grandparents of their families. They simply do not know how. As you read this book, you will be empowered to live into the utmost calling God has on your life: to pass a legacy of faith in Jesus Christ to your grandchildren. What an awesome calling for someone living in a generation that struggles to find purpose in life. As you grab “The Seven Keys”, prepare to run an amazing race with the Lord. You will be living into His calling for you. Are you worried about your lovely granddaughter as she navigates this tumultuous world? Maybe you are concerned about your grown son. He seems to be moving farther and farther from the Lord. Then check out these “Seven Keys”. They are basic steps that can propel you towards leaving the most precious legacy of all: a legacy of faith in the Lord. **FIRST KEY: Surrender Your Heart to Jesus Christ** In order to pass a legacy of faith you must BE a person of faith! People are in one of three categories: those living in Egypt, those wandering around the desert or those abiding in the Promised Land. Discern which category describes you and learn the next step towards a life surrendered to the Lord. **SECOND KEY: Read the Bible Daily** Since we live in a noisy world, we must choose to set aside Quiet Time. By daily resting in God’s Word, we strengthen our spirits. Learn effective ways to delve into the Bible so that you can implement these Godly truths into your life. Then you will be powerfully prepared to encourage faith in your loved ones. **THIRD KEY: Pray Fervently “Babushka Time”!** Be like the Russian grandmothers in World War II who fell to their knees praying fervently for their loved ones. Discover powerful ways to prayerfully protect and guide the children and grandchildren the Lord has placed in your life and under your care. **FOURTH KEY: Pursue Healthy Relationships with Loved Ones** In a culture crowded with smart phones, computers and

heavy schedules; relationships are diminished. This key encourages and equips grandparents and parents with grown children to run hard after healthy relationships with their children so that they can pass faith in Christ to the next generation. **FIFTH KEY: Heal Broken Relationships** We live in a tumultuous world. Many of us have strained, or broken, relationships with our children and grandchildren. Learn three steps towards resolving issues and mending broken relationships with loved ones. **SIXTH KEY: Leave a Well-Written Legacy of Love** With the world becoming heavily infiltrated by technology, the written word is decreasing. Study ways to write letters, create journals and scribe blessings to family members such that you communicate God's love to your children and grandchildren. **SEVENTH KEY: Pass Your Faith** Every person has a God-story to tell. Maybe your story is how you accepted the Lord when you were eight years old, or forty eight years old. Maybe your God-story is that you have always struggled with faith in Christ. Regardless, you have a story that is worthy to be told to your children and grandchildren. God's highest vision for grandparents is to pass a legacy of faith in His Son, Jesus Christ, to your loved ones. In this world where most seniors retire, God is calling YOU to become a life-changer in the lives of your children and grandchildren. You can make a difference by impacting their hearts for the Lord. Grab these keys and run the race marked divinely for you by God. Never has there been a more important job to do. Never has the need been more urgent.

From the Foreword by Marshall Fisher, The Wharton School, University of Pennsylvania: As generation of academics and practitioners follows generation, it is worthwhile to compile long views of the research and practice in the past to shed light on research and practice going forward. This collection of peer-reviewed articles is intended to provide such a long view. This book contains a collection of chapters written by leading scholars/practitioners who have continued their efforts in developing and/or implementing innovative OR/MS tools for solving real world problems. In this book, the contributors share their perspectives about the past, present and future of OR/MS theoretical development, solution tools, modeling approaches, and applications. Specifically, this book collects chapters that offer insights about the following topics: • Survey articles taking a long view over the past two or more decades to arrive at the present state of the art while outlining ideas for future research. Surveys focus on use of a particular OR/MS approach, e.g., mathematical programming (LP, MILP, etc.) and solution methods for particular family of application, e.g., distribution system design, distribution planning system, health care. • Autobiographical or biographical accounts of how particular inventions (e.g., Structured Modeling) were made. These could include personal experiences in early development of OR/MS and an overview of what has happened since. • Development of OR/MS mathematical tools (e.g., stochastic programming, optimization theory). • Development of OR/MS in a particular industry sector such as global supply chain management. • Modeling systems for OR/MS and their development over time as well as speculation on future development (e.g., LINDO, LINGO, and What'sBest!) • New applications of OR/MS models (e.g., happiness) The target audience of this book is young researchers, graduate/advanced undergraduate students from OR/MS and related fields like computer science,

engineering, and management as well as practitioners who want to understand how OR/MS modeling came about over the past few decades and what research topics or modeling approaches they could pursue in research or application.

Each of us has but one life to live on this earth. What we do with it is our choice. Are we drifting through it as spectators, reacting to our circumstances when necessary and wondering just how we got to this point anyway? Or are we directing it, maximizing the joy and potential of every day, living with a purpose or mission in mind? Too many of us are doing the former--and our lives are slipping away one day at a time. But what if we treated life like the gift that it is? What if we lived each day as though it were part of a bigger picture, a plan? That's what New York Times bestselling author Michael Hyatt and executive coach Daniel Harkavy show us how to do: to design a life with the end in mind, determining in advance the outcomes we desire and path to get there. In this step-by-step guide, they share proven principles that help readers create a simple but effective life plan so that they can get from where they are now to where they really want to be--in every area of life.

Developed from years of research and shaped by a biblical world view, *They Call Me Dad* is a powerful exposé of the spiritual insights of effective fathering. Dr. Canfield encourages fathers to activate their faith through modeling and teaching children to out-think, out-live, and out-love the world. *They Call Me Dad* contains interactive and profiling tools which enhance a dad's skill and understanding of his role as a father.

America's favorite baking sisters--The Brass Sisters--are back with another treasure trove of treats

Have you ever had a really good day? One where everything went your way and it seemed like life was easy? *The Ultimate Goal* is a step-by-step guideline on how you can make every day full of love, hope, appreciation, fulfillment, and self-satisfaction by focusing on the thoughts you allow into your daily life. You have an option in life to choose to be happy or not. So many of us fail to recognize that we're making this choice based on information from people we've g

Hyder Zahed, PhD, had a good life until it was turned upside down. Following a divorce, a job loss, and a heart attack, he was determined to redesign his life by creating an ongoing legacy. *Create Your Legacy* offers a simple formula -- LGGC (pronounced Legacy, a formula for creating and leaving a lasting legacy). Topics include shifting life, accepting oneself and others, having unconditional love, being honest, balancing work and relationships, being truly present, being generous, and cultivating gratitude. *Create Your Legacy* seeks to help the reader visualize and make conscious life decisions. It allows you to apply a very simple formula in order to improve your life and leave behind an enduring legacy. This is within everyone's reach, and living the legacy costs nothing. Without a doubt, the rewards from living a good life and creating a legacy are immeasurable.

**SUSIE BRISCOE'S NEW BESTSELLER SHARES HOW TO CREATE THE PERFECT LEGACY!** Your legacy is important because it defines your impact, long after you have left the world. By creating a solid legacy, you can do something good for future generations and also for humanity. This book is an in-depth guide on how one can start early and be proactive about creating a legacy. Susie shares the importance of legacy and details how simple changes in your current life can

help you kick-start your own legacy. This comprehensive, easy to understand guide will help you plan your legacy and overcome limiting beliefs. It will also assist you to elevate self-esteem, health, healing and quality of life. Susie's formula for adding colour to every aspect of your life helps you create your perfect rainbow legacy, one that is filled with all the accomplishments, joy, values and the beliefs of your life.

Why are you here? What are you meant to do in this short span of human years on this planet? In *Living in the Flow*, author Jeanine Sciacca offers a guide to discovering your purpose and value in the world. She discusses how possessing a true sense of purpose is the centre of our existence. Until you discover and live your purpose, you meander through life searching for satisfaction and happiness. Happiness comes and goes, but purpose gives our lives meaning and direction. Jeanine Sciacca presents ideas and techniques to help you find yours. Filled with a mix of spiritual wisdom and her personal observations, Jeanine Sciacca shares how your life can have greater purpose by serving others. If your purpose doesn't relate to others and is only about serving your self-indulgent ambition, it is not your life purpose. Living your life purpose is adding value to others to make this world a better place.

WASHINGTON POST Bestseller List 3/30/14 Solid solutions and step-by-step instructions for planning the next stage of your life Life after 50 isn't what it used to be. The rules have changed. No more guaranteed pensions, retiree health plans, or extensive leisure and travel. It's time to forge new paths and create innovative models. That's where the AARP Roadmap for the Rest of Your Life comes in. Bart Astor, author of more than a dozen books, offers a comprehensive guide for making lifestyle decisions, growing your nest egg, and realizing your goals. This AARP book— Provides guidance on the key areas you'll need to consider: finances and work, health and fitness, Medicare and Social Security, estate planning, insurance, housing, and more Offers expert tips on creating age- and health-specific goals through a personal "Level of Activity" scale based on how active you can and want to be Includes tips for finding fun and fulfilling activities and even completing your bucket list Supplies ready-to-use worksheets to help you set and meet financial planning goals, get your legal affairs in order, and maintain adequate health insurance Contains a comprehensive list of valuable resources

Speak up, you can become a Beyonder! In many organisations and countries people are desperately searching for leaders that can provide solutions to transcend the many financial, political and environmental problems that the world is facing. Sadly, such leaders are few and far between. But fortunately there is hope: Beyondership. Leaders who aspire to Beyondership possess and radiate a deep-seated vision, anchored in a clear set of values. What others see as obstacles, they welcome as challenging opportunities. They create environments that inspire passion, and persevere until their goals are reached. Even when not supported by powerful parties, they have the courage to be a minority of one and

steadfastly fight for what they genuinely believe. For a Beyonder, it is not about being the best in the world, but being the best for the world.

Through the practice of personal pilgrimage she developed, the author offers readers a tool to explore, contemplate, and reflect upon key midlife issues -- careers, relationships, sexuality, finances, spirituality, body image, mortality, and more. It encourages readers to take the time-out needed when midlife challenges crowd their busy calendars and psyches. Drawing on the insights of people from Plato to Pierre Elliot Trudeau, Hurst introduces each of these concerns with a mini-essay, then asks 10 questions for reflection. Part 2 outlines 12 pilgrimages users can take to work on these issues, for example Abundance point (finances), Artists Cove (relationships), and Career Paths (Career).

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “enough”? There’s a lot of bad information in our culture today about wealth and the wealthy. Worse, there’s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God’s put in their care. They were able to build wealth using God’s ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

Learn to live a truly exceptional life with the help of author, speaker, and performance coach Ben Newman. In *Leave YOUR Legacy*, you will see firsthand how to drive impact by changing your perspective and connecting to your life’s purpose. Newman shows you how to be your best self with this touching story that clearly illuminates the steps needed to create major change in your life by following the ups and downs of the protagonist, Pierce. Join Pierce on his journey to greatness—from the humble beginnings of enacting change and resisting old behaviors to the reframing of his thoughts and actions and eventually understanding his legacy. Experience for yourself the ripple effect of leaving YOUR legacy. Pierce’s story will inspire you to go do great things. And, as you strive for excellence, you will inspire excellence in others. Are you ready to unleash your full potential? It’s time to uncover your drive, your passion, and your purpose—leave YOUR legacy.

For her one hundredth birthday, Makaria the daughter of Hades, also known as the Goddess of Blessed Death, expresses a desire to leave her home in the Underworld in an effort to research mortal life on the surface. Upon enrolling at the prestigious Princeton University, she befriends the grandson to the Duke of Wellington, Alexander Beckham III and his cousin Nicolette, her college roommate. Alex has an instant attraction to Makaria, but she has her eyes set on a bad boy rocker named Mike. Through a series of unfortunate events, Alex, Nicolette and Makaria find it nearly impossible to

maintain their family secrets. What will Makarias parents think of her new found mortal love? What will happen when Alex, Nicolette, Makaria and Mike learn the truth of each others LEGACY?

In a world of uncertainty, tomorrow is never promised. Inspired by the birth of my children, I wanted them to have a set of principles by which to live. I wanted them to always know what our family stands for. With all the increase in communication and technology, fewer and fewer people have their own moral compass. Each day there is a bombardment of media designed to gain our attention and fill minds with fear. This book is by no means just for those with children. This is for all families or individuals who wish to build their own legacy. You can begin by writing down your rules for life and how you live, creating the intention, and taking the necessary steps to make the idea become a reality. This is how you go about building a lasting legacy. The goal of this book is for each person who reads it to be inspired to build their own legacy.

How do communities survive catastrophe? Using classical Athens as its case study, this book argues that if a democratic community is to survive over time, its people must choose to go on together. That choice often entails hardship and hard bargains. In good times, going on together presents few difficulties. But in the face of loss, disruption, and civil war, it requires tragic sacrifices and agonizing compromises. Athenian Legacies demonstrates with flair and verve how the people of one influential political community rebuilt their democratic government, reweave their social fabric, and, through thick and thin, went on together. The book's essays address amnesty, civic education, and institutional innovation in early Athens, a city that built and lost an empire while experiencing plague, war, economic trauma, and civil conflict. As Ober vividly demonstrates, Athenians became adept at collective survival. They conjoined a cultural commitment to government by the people with new institutions that captured the social and technical knowledge of a diverse population to recover from revolution, foreign occupation, and the ravages of war. Ober provides insight into notorious instances of Athenian injustice, explaining why slaves, women, and foreign residents willingly risked their lives to support a regime in which they were systematically mistreated. He answers the question of why Socrates never left a city he said was badly governed. At a time when social scientists debate the cultural grounding necessary to foster democracy, Athenian Legacies advances new arguments about the role of diversity and the relevance of shared understanding of the past in creating democracies that flourish when the going gets rough.

A sobering statistic: For centuries 70 percent of family wealth has dissipated by the second generation, and 90 percent is lost by the third generation. It has nothing to do with taxes, economies, or cultures. It is the failure of families to transfer leadership and values to succeeding generations. The most important inheritance your children receive from you comes while you are still alive. It is embedded in your everyday life. It is made up of the values you prize and the priorities you

practice. This is an inheritance you live and model to your family, friends, and the people who make up your world. If your priorities during life are your faith, your relationships, and your values, you should maintain those priorities as you develop your legacy. That means making sure the financial inheritance you leave will be regarded as a tool and a resource to support the real inheritance of values your children have already received. This book will help you put family and faith before fortune as you plan for the future. Doing that increases the chances that your family can thrive in its relationships and still prosper materially for generations. Families who follow the process described in this book will come to a better understanding of their relationship to each other, their community, and to money. Families will learn to communicate more clearly and more honestly about the joys of hard work, shared goals, philanthropy, and finances. They will learn how to communicate, listen to the opinions of others, set family goals, develop family unity, reward individual achievement, and how to make money a tool for achieving family goals for themselves and the kingdom of God.

A critical resource for families managing significant wealth *Wealth of Wisdom* offers essential guidance and tools to help high-net-worth families successfully manage significant wealth. By compiling the 50 most common questions surrounding protection and growth, this book provides a compendium of knowledge from experts around the globe and across disciplines. Deep insight and thoughtful answers put an end to uncertainty, and help lay to rest the issues you have been wrestling with for years; by divulging central lessons and explaining practical actions you can take today, this book gives you the critical information you need to make more informed decisions about your financial legacy. Vital charts, graphics, questionnaires, worksheets and other tools help you get organised, develop a strategy and take real control of your family's wealth, while case studies show how other families have handled the very dilemmas you may be facing today. Managing significant wealth is a complex affair, and navigating the financial world at that level involves making decisions that can have major ramifications — these are not decisions to make lightly. This book equips you to take positive action, be proactive and make the tough decisions to protect and grow your family's wealth. Ensure your personal and financial success and legacy Access insight and data from leading experts Adopt the most useful tools and strategies for wealth management Learn how other families have successfully navigated common dilemmas When your family's wealth is at stake, knowledge is critical — and uncertainty can be dangerous. Drawn from interactions with hundreds of wealthy individuals and families, *Wealth of Wisdom* provides a definitive resource of practical solutions from the world's best financial minds.

We live in a culture that seeks to destroy the embryonic faith of our children and usher them into politically correct ideology, godless systems of belief, and gross immorality that would have shocked previous generations. This is what

confronts today's Christian parents and many of them are terrified of it. We live in truly perilous times. But the good news is there is a way you can be victorious in this battle for the hearts, minds, and souls of your precious children. Whatever stage you are in as a parent or grandparent, you can leave a spiritual legacy that will equip your children and grandchildren with an unshakable heritage of faith. YOUR LEGACY tells you how by presenting: Dr. Dobson's personal story of his own spiritual legacy Strategies for the spiritual training of children Help for parents of prodigals Hope for reaching unsaved parents Principles for building a love relationship with your children Testimonies from parents who got it right Stories you can read to your children for leaving your legacy Steps you can take to lead your child to Christ How can you teach your children what matters most? It is by being intentional about their spiritual training. YOUR LEGACY will help you make that the central priority of your family.
