She fears the dark.He rules it.Her dresses are too tight, her heels too tall. She laughs too loudly, eats without decorum, and mixes up most sayings in the book. Little do most know it's just a sparkly disguise, there to hide one panic attack at a time.Nobody can crack Gianna's facade . . . no one anyway, until he comes along.Most see a paragon of morality; a special agent upholding the law. In the New York underworld, others know him as a hustler, a killer, his nature as cold as the heart of ice in his chest. Christian Allister has always followed the life plan he'd envisioned in his youth, beneath the harsh lights of a frigid, damp cell. With a proclivity for order and the number three, he's never been tempted to veer off course. But perhaps one should never say never . . .One winter night and their lives intertwine. She hates him--his stone-cold demeanor, his arrogance and too-perceptive eye--but over the years, even as their games consist of insulting each other's looks and intelligence, she begins to live to play with him.Nowhere in Christian's plans had he ever prepared for Gianna. She's chaos embodied, not his type, and married, but none of that can stop his eyes from following her wherever she goes.All along, she doesn't even know that she's his--his frustration, his fascination.His maddest obsession.\*Can be read as a standalone

He's back, and the dirt I've seen isn't content to stay in my head anymore...Michael. Her name is Erika Fane, but everyone calls her Rika. My brother's girlfriend grew up hanging around my house and is always at our dinner table. She looks down when I enter a room and stills when I am close. I can always feel the fear rolling off of her, and while I haven't had her body, I know that I have her mind. That's all I really want anyway. Until my brother leaves for the military, and I find Rika alone at college. In my city. The opportunity is too good to be true as well as the timing. Because you see, three years ago she put a few of my high school friends in prison, and now they're out.

It might be the most insane story I've ever written with equally insane characters. Who knew? You know, when I started this book, it was supposed to be YA. I wanted to write a book that my sisters could read. A book that won't have people look at my mum like "damn... what sort of messed up shit happened to your kid?." The world of Addicted is continued in the New York Times bestseller Nervous, and Zane's highly-anticipated upcoming novel Vengeance, available May 24, 2016.
