In the tradition of Shel Silverstein's *The Giving Tree*, a generous giraffe gives away all of his apples to his hungry friends in this winning picture book that begs to be read aloud. Poor starry giraffe: every time he reaches for a yummy red apple from a tall tree, one of his hungry friends comes along and the generous giraffe shares the treat. Just when you think he has nothing left to eat for himself, a turn of the page shows otherwise: the starry giraffe is at an apple orchard and there are apples and trees galore! A disarmingly delightful debut picture book from Andrew Bergmann, an accomplished New York based artist and storyteller, *The Starry Giraffe* puts a surprising twist on a classic story.
