Eighteen-year-old Hilda, known as "the girl in the gold bikini" when she swam at her country club in Belo Horizonte, Brazil, abruptly leaves the gilded life to take up residence in room 304 of the Hotel Marvelous—as a prostitute. There she becomes Hilda Hurricane, an erotic force of nature no man can resist. The exception is reporter-narrator Roberto Drummond, who attempts to unravel the mystery of why the girl in the gold bikini would forego a comfortable life to join the world's oldest profession. While some in Belo Horizonte cheer Hilda's liberated lifestyle, others seek to have her moved outside the city limits, and a would-be saint cannot seem to finish the exorcism he began outside the Hotel Marvelous. Set against the social and political upheaval of the 1960s, Hilda's story seduces even as Drummond becomes aware of more ominous forces approaching Belo Horizonte. Hilda Hurricane was both a critical and a commercial success in Brazil, with more than 200,000 copies sold. (The DVD of the television adaptation has sold more than a million copies.) Admirers of Kurt Vonnegut will revel in Drummond's similarly sharp satire and playful digressions, particularly about left-wing

politics, which blur the boundary between fiction and autobiography. Yet the real genius of the author's interventions may be that they never slow the story long enough to lose sight of this mysterious beauty swept up in the turmoil of the times.

During the dark years of the military dictatorship,

Tango had fallen into oblivion all over the world, most especially in Argentina. The “Tango Argentino” show was the show that led to the worldwide revival of interest in Tango. It debuted in Paris, then conquered Broadway and, later, the whole world. Juan Carlos Copes, Miguel Ángel Zotto, and Milena Plebs, Gloria and Rodolfo Dinzel, Gloria and Eduardo, Virulazo, and Elvira are some of the artists who participated in this legendary show and are described in great detail in this book, now known as the definitive work on Tango Argentino. Every serious tanguero should know the history of the revival of Tango and this book is for them. Tango Argentino: What a book! What a book! It enchants immediately, like the show, taking us to the beginnings of Tango, accompanying us in its history, gradually creating the irresistible desire of Tango in the reader. In the book, we come face to face with the myths of the dancers, musicians, and singers. It tells us some gossip about the fights and jealousies behind the scenes and tells us also about the creation of the costumes, now iconic in the worlds of theater and fashion. We also read that Lady Diana and the Japanese Emperor Hirohito were so enchanted by the Tango that they wanted to learn it. It is finally confirmed: only by knowing the beginning of this new era, we can better understand its current global success. Tango is a universal language! The Art of Tango offers a systematic exploration of the performance, arrangement and composition of the universally popular tango. The author discusses traditional practices, the De Caro school and the pioneering oeuvre of four celebrated innovators: Pugliese, Salgán, Piazzolla and Beytelmann. With an in-depth focus on both reception and practice, the volume and its companion website featuring supplementary audio-visual materials analyse, decode, compare and discuss literature, scores and recordings to provide a deeper understanding of tango's artistic concepts, characteristics and techniques. River Plate tango is explored through the lens of artistic research, combining the study of oral traditions

and written sources. In addition to a detailed examination of the various approaches to tango by the musicians featured in this book, three compositions by the author embodying creative applications of the research findings are discussed. The volume offers numerous tools for developing skills in practice, inspiring new musical output and the continuation of research endeavours in the field. Illustrating the many possibilities of this musical language that has captivated musicians and audiences worldwide, this book is a valuable resource for everyone with an interest in tango, whether they be composers, performers, arrangers, teachers, music lovers or scholars in the field of popular music studies.

Plurality-led congresses are among the most pervasive and least studied phenomena in presidential systems around the world. Often conflated with divided government, where an organized opposition controls a majority of seats in congress, plurality-led congresses are characterized by a party with fewer than 50 percent of the seats still in control of the legislative gates. Extensive gatekeeping authority without plenary majorities, this book shows, leads to policy outcomes that are substantially different from those observed in majority-led congresses. Through detailed analyses of legislative success in Argentina and Uruguay, this book explores the determinants of law enactment in fragmented congresses. It describes in detail how the lack of majority support explains legislative success in standing committees, the chamber directorate, and on the plenary floor.

(BH Piano). Arrangements at the lower intermediate level of the greatest composer of the modern tango, including: El viaje * Libertango * Oblivion * Street Tango * Vuelvo al sur * and more.

(Easy Fake Book). This is a beginning fake book for players new to "faking." By using a fake book, musicians learn to "fake" an accompaniment to a melody, playing chords as

indicated. This book is designed for those players just acquiring this important musical skill. It includes 100 favorite songs that belong in all musicians' repertoire library, including standards, pop hits, Broadway and movie songs, folk favorites, and much more. All the songs are in the key of C and include easy-to-read, large notation complete with lyrics. Chords have been simplified, but remain true to each tune. This book even includes an introduction on how to use a fake book. Songs include: Beauty and the Beast * Bewitched * Blackbird * Can You Feel the Love Tonight * Do-Re-Mi * Don't Cry for Me Argentina * Edelweiss * Georgia on My Mind * Heart and Soul * Hotel California * I Walk the Line * Lean on Me * Let It Be * A Million Dreams * Satin Doll * Stand by Me * Sweet Caroline * This Is Me * Try to Remember * Unchained Melody * When I Fall in Love * When the Saints Go Marching In * A Whole New World * Yesterday * You Made Me Love You (I Didn't Want to Do It) * and more.

Tracing Tangueros offers an inside view of Argentine tango music in the context of the growth and development of the art form's instrumental and stylistic innovations. Rather than perpetuating the glamorous worldwide conceptions that often only reflect the tango that left Argentina nearly 100 years ago, authors Kacey Link and Kristin Wendland trace tango's historical and stylistic musical trajectory in Argentina, beginning with the guardia nueva's crystallization of the genre in the 1920s, moving through tango's Golden Age (1932-1955), and culminating with the "Music of Buenos Aires" today. Through the transmission, discussion, examination, and analysis of primary sources currently unavailable outside of Argentina, including scores, manuals of style, archival audio/video recordings, and live video footage of performances and demonstrations, Link and Wendland frame and define Argentine tango music as a distinct expression possessing its own musical legacy and

characteristic musical elements. Beginning by establishing a broad framework of the tango art form, the book proceeds to move through twelve in-depth profiles of representative tangueros (tango musicians) within the genre's historical and stylistic trajectory. Through this focused examination of tangueros and their music, Link and Wendland show how the dynamic Argentine tango grows from one tanguero linked to another, and how the composition techniques and performance practices of each generation are informed by that of the past.

The Music of Latin America and the Caribbean is the first text written on the rich musical heritage of this region specifically for the non-music major. The text is arranged by region, focusing on the major countries/regions (Mexico, Brazil, Peru, etc. in Latin America and Jamaica, the Virgin Islands, Haiti, etc. in the Caribbean). In each chapter, the author gives a complete history of the region's music, ranging from classical and classical-influenced styles to folk and traditional music to today's popular music.

(Piano Solo Personality). Piano arrangements of 15 tangos by the master, including: Adios Nonino * Chiquilin de Bachin * Libertango * Milonga Del Angel * Oblivion * Tango Apasionado * Verano Porteno * and more.
